COMPLAINT

TO THE HONORABLE JAMES M. PECK
UNITED STATES BANKRUPTCY JUDGE:

Lehman Brothers Special Financing Inc. ("LBSF"), a debtor and debtor in possession in the above-captioned jointly administered chapter 11 case of Lehman Brothers Holdings Inc. ("LBHI") and its affiliated debtors (collectively, the "Debtors," and collectively with its

nondebtor affiliates “Lehman”), by and through undersigned counsel, hereby brings this Complaint for declaratory judgment against BNY Corporate Trustee Services Limited (“Defendant” or “BNY”).

PRELIMINARY STATEMENT

1. LBSF files this adversary proceeding to prevent certain unenforceable *ipso facto* clauses from improperly modifying LBSF’s right to priority of payments under certain swap agreements solely because it filed a chapter 11 bankruptcy case. Under at least two transactions in a series of swap agreements known as the “Dante program,” LBSF would be subordinated beneath noteholders solely because of its bankruptcy filing. The two transactions, Saphir Finance Public Limited Company Series 2006-5 and 2004-11, provide for modification of LBSF’s priority of payment rights when an “Event of Default” has occurred. The agreements expressly include the filing of a bankruptcy petition as an Event of Default. Therefore, as a direct result of its bankruptcy filing, LBSF’s right to payment priority is in imminent danger of being modified, with the resulting loss of approximately AUD \$90 million (or USD \$70 million) to the bankruptcy estate and its creditors. The Court should declare that these provisions constitute unenforceable *ipso facto* clauses that inappropriately effect a modification of a debtor’s interest in a contract because of a bankruptcy filing in violation of 11 U.S.C. §§ 365(e)(1) and 541(c)(1)(B).

2. The provisions do not fall within the limited “safe-harbor” for *ipso facto* clauses in swap agreements contained in 11 U.S.C. § 560 because that provision only protects “the liquidation, termination, or acceleration” of swap agreements or the “offset or net out” of the parties’ positions under the agreements. The modification of LBSF’s priority of payments as a result of its bankruptcy filing does not constitute a “liquidation, termination, or acceleration” of

the agreement, and nor is it an “offset or net out” of the parties’ positions. Rather, by changing LBSF’s priority of payments, the clause improperly modifies LBSF’s rights under the contracts solely because of its bankruptcy filing, which §§ 365(e)(1) and 541(c)(1)(B) expressly forbid.

3. Modification of LBSF’s payment priority also violates the automatic stay under 11 U.S.C. § 362(a)(3) because it improperly exercises control over the property of LBSF’s estate.

4. LBSF is seeking declaratory relief to prevent BNY, as Trustee under the transactions, from modifying LBSF’s payment priority in accordance with the unenforceable *ipso facto* clauses, and to prevent a violation of the automatic stay.

PARTIES

5. Plaintiff LBSF is a Delaware corporation with its former principal business address at 745 Seventh Avenue, New York, NY 10019 and its current principal business address at 1271 Avenue of the Americas, 46th Floor, New York, NY 10020.

6. Upon information and belief, Defendant BNY is a company organized under English law with its principal office in London. It has submitted to the jurisdiction of this Court by entering a notice of appearance and participating in proceedings before this Court, including by filing an objection to the Debtors’ motion to establish procedures for the settlement or assumption and assignment of prepetition derivative contracts. Dkt. 1728, 1892. BNY is an affiliate of Bank of New York Mellon, a Delaware corporation with its principal place of business in New York, NY.

JURISDICTION AND VENUE

7. The Court has subject-matter jurisdiction over this proceeding under 28 U.S.C. §§ 157, 1334. This is a “core proceeding” under 28 U.S.C. § 157(b).

8. Venue is proper under 28 U.S.C. §§ 157(a), 1408, and 1409.

9. The statutory prerequisites for the relief requested herein are sections 105(a), 362(a)(3), 365(e)(1), 541(c)(1)(B), and 560 of Title 11 of the United States Code, as amended (the “Bankruptcy Code”), section 2201 of Title 28 of the United States Code, Federal Rule of Civil Procedure 57, and Rules 7001 and 9006 of the Federal Rules of Bankruptcy Procedure.

BACKGROUND

10. Lehman was formerly the fourth largest investment bank in the United States. For more than 150 years, Lehman was a leader in the global financial markets by serving the financial needs of corporations, governmental units, institutional clients, and individuals worldwide. Lehman’s headquarters in New York and regional headquarters in London and Tokyo were complemented by a network of offices in North America, Europe, the Middle East, Latin America, and the Asia Pacific region.

11. Commencing on September 15, 2008, LBHI and certain of its direct and indirect subsidiaries commenced with this Court voluntary cases under chapter 11 of the Bankruptcy Code. LBSF commenced its case by filing a voluntary petition for relief under chapter 11 of the Bankruptcy Code on October 3, 2008. LBHI’s and LBSF’s chapter 11 cases have been consolidated for procedural purposes only and are being jointly administered pursuant to Bankruptcy Rule 1015(b).

12. LBSF and LBHI are authorized to operate their businesses and manage their properties as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

13. BNY entered into a Principal Trust Deed dated October 10, 2002 as amended and restated on July 18, 2008, with Dante Finance Public Limited Company (“Dante”) pursuant to which a multi-issuer secured obligation program (the “Dante Program”) was established. Ex. A

(Principal Trust Deed). Under the program, Dante issued secured Notes (the “Notes”) to borrow, buy, sell or enter into other secured obligations, including swaps. BNY serves as Trustee under the program.¹ Ex. A at 1. One of the Issuers of Notes under the Dante program was Saphir Finance Public Limited Company (“Saphir”), an Irish corporation that issued the relevant Notes in this case, credit-linked synthetic portfolio notes that are tied to the credit-default swap transactions in the Saphir 2004-11 and Saphir 2006-5 transactions. Ex. B §§ 1.1, 1.3 (Saphir 2004-11 Supp. Trust Deed); Ex. C §§ 1.1, 1.3 (Saphir 2006-5 Supp. Trust Deed) (collectively, the agreements underlying the Saphir 2004-11 and Saphir 2006-5 transactions are referred to as the “Transaction Documents”).² LBSF is the swap counterparty (“Swap Counterparty”) under the transactions. Ex. B at 1 (Saphir 2004-11 Supp. Trust Deed); Ex. C at 1 (Saphir 2006-5 Supp. Trust Deed).

14. Under the ISDA Master Agreement & Schedule, the bankruptcy filing of any party is defined as an “Event of Default.” Ex. D § 5(a)(vii) (ISDA Master Agreement). Ordinarily, absent any Event of Default by LBSF, “Swap Counterparty Priority” applies, which provides that LBSF receives any payments before noteholders. Ex. A § 6.2(i) (Principal Trust Deed); Ex. A Schedule 2, Pt. C § 4(b)(i) (Principal Trust Deed). However, upon an Event of Default by LBSF, such as its bankruptcy filing, the Supplemental Trust Deed and Drawdown

¹ BNY acquired J.P. Morgan Corporate Trustee Services Limited and succeeded it as Trustee under the Supplemental Trust Deeds. *See* Ex. A (Principal Trust Deed); Ex. B (Saphir 2004-11 Supp. Trust Deed); Ex. C (Saphir 2006-5 Supp. Trust Deed).

² The various Transaction Documents provide that they are governed by English law and that disputes “may be brought in [English] courts,” but also specify that this provision “shall not limit the right of any of [the parties] to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).” Ex. C §§ 14.1, 14.2 (Saphir 2006-5 Supp. Trust Deed); Ex. B §§ 14.1, 14.2 (Saphir 2004-11 Supp. Trust Deed); Ex. A §§ 20.1, 20.2 (Principal Trust Deed).

Agreements applicable to the Transaction Documents provide that LBSF's payment priority would change from "Swap Counterparty Priority" to "Noteholder Priority." Ex. B § 5.5 (Saphir 2004-11 Supp. Trust Deed); Ex. C § 5.5.1 (Saphir 2006-5 Supp. Trust Deed). Under Noteholder Priority, LBSF is effectively subordinated so that it would receive payments, if any, after payments are made to noteholders. Ex. A § 6.2(iii) (Principal Trust Deed); Ex. A Schedule 2, Pt. C § 4(b)(iii) (Principal Trust Deed).³

15. In addition, modification of the Early Redemption Amount under Condition 44 of the Terms and Conditions of the Notes detrimentally affects LBSF and further effectuates an inappropriate subordination of LBSF in the Event of Default by LBSF. Ex. C at Schedule 2, Terms & Conditions of the Notes, Condition 44; *see also* Ex. A, Schedule 2, Pt. C § 6(g) (defining Early Redemption Amount).

16. Together, the Transaction Documents have the effect of providing that the payment priority LBSF otherwise receives under the Transaction Documents will be modified so that LBSF will be paid out in a lower priority to payments made to the noteholders solely as a result of its bankruptcy filing.

17. After LBSF's bankruptcy filing, counsel for the Debtors sent a letter on November 25, 2008 to the Bank of New York Mellon Trust Company, National Association, and the Bank of New York Mellon notifying them that (a) any actions with respect to transactions in which BNY serves as trustee may be subject to the automatic stay provisions of 11 U.S.C. § 362,

³ The Terms and Conditions of the Notes, contained in Schedule 2 Part C of the Principal Trust Deed and Schedule 2 to the Supplemental Trust Deed of the Saphir 2006-5 transaction, also provide for the same modification of LBSF's payment priority. Ex. A Schedule 2, Pt. C § 4(b)(i), (iii) (Principal Trust Deed); Ex. C at Schedule 2, Terms & Conditions of the Notes, Condition 38 (Saphir 2006-5 Supp. Trust Deed).

and (b) any provisions purporting to subordinate any amounts payable to LBSF would be unenforceable and unlawful. Ex. E (Nov. 25, 2008 Letter from L. Fife to BNY Mellon).

18. On December 1, 2008, Saphir, as issuer of the Notes, sent putative notices to LBSF stating that LBSF's filing of its bankruptcy petition constituted an Event of Default under the ISDA Master Agreement and designating December 1, 2008 as the early termination date under that agreement. Ex. F (Saphir 2006-5 Termination Notice); Ex. G (Saphir 2004-11 Termination Notice). No distributions under the Transaction Documents have occurred since Saphir sent its notices. Because the parties continue to have unperformed obligations under them, the Transaction Documents were and remain existing executory contracts.

19. On May 13, 2009, Perpetual Trustee Company Limited, an Australian noteholder under the Transaction Documents, in an effort to seek control of the Debtors' property but circumvent the proper forum—this Bankruptcy Court—filed a claim in the High Court of Justice Chancery Division, Royal Courts of Justice, in London seeking an order that BNY must pay it in accordance with Noteholder Priority under the Principal Trust Deed. Ex. H (Perpetual Claim).

20. If LBSF's right to payment priority is modified as a result of its bankruptcy filing, and Noteholder Priority is applied, LBSF would receive no payments given that amounts that would be due to Noteholders would exceed available funds. The resulting loss to LBSF's bankruptcy estate and its creditors would be approximately AUD \$50 million (or USD \$39 million) for the Saphir 2004-11 transaction and approximately AUD \$40 million (or USD \$31 million) for the Saphir 2006-5 transaction. The total loss to the estate under both transactions would be AUD \$90 million (or USD \$70 million).

21. LBSF files this complaint seeking a declaration that these provisions modifying LBSF's payment priority solely because of the commencement of its bankruptcy case are

unenforceable *ipso facto* clauses and that any action to enforce these provisions violates the automatic stay.

COUNT I

(Declaratory Judgment—Provisions Modifying LBSF’s Payment Priority as a Result of Its Bankruptcy Filing Are Unenforceable Ipso Facto Clauses)

22. LBSF repeats and realleges each and every allegation set forth in the preceding paragraphs with the same force and effect as if hereinafter fully set forth at length.

23. The provisions in the Transaction Documents modifying LBSF’s right to priority of payment under the Transaction Documents as a result of its bankruptcy filing constitute unenforceable *ipso facto* clauses that violate 11 U.S.C. §§ 365(e)(1) and 541(c)(1)(B).

24. The Bankruptcy Code protects debtors from being penalized for filing a chapter 11 case, notwithstanding any contractual provisions or applicable law that would have that effect. Under § 365(e)(1), the Bankruptcy Code provides that

[n]otwithstanding a provision in an executory contract or unexpired lease, or in applicable law, an executory contract or unexpired lease of the debtor may not be terminated *or modified*, and any right or obligation under such contract or lease may not be terminated *or modified*, at any time after the commencement of the case solely because of a provision in such contract or lease that is conditioned on— . . . (B) the commencement of a case under this title

11 U.S.C. § 365(e)(1) (emphases added).

25. Similarly, § 541(c)(1) recognizes that a debtor’s interest in property:

becomes property of the estate . . . notwithstanding any provision in an agreement, transfer instrument, or applicable nonbankruptcy law— . . . (B) that is conditioned on . . . the commencement of a case under this title . . . and that effects or gives an option to effect a forfeiture, modification, or termination of the debtor’s interest in property.

11 U.S.C. § 541(c)(1).

26. Because the provisions in the Transaction Documents (a) condition LBSF’s payment priority solely on “the commencement of a case” under the Bankruptcy Code, (b)

operate after LBSF's commencement date, and (c) modify LBSF's property interest in the right to receive payments under the agreements' otherwise applicable Swap Counterparty Priority, the provisions are unenforceable *ipso facto* clauses. See 11 U.S.C. §§ 365(e)(1), 541(c)(1)(B).

27. On their face, the provisions in the Transaction Documents also inappropriately "effect[] or give[] an option to effect a forfeiture, modification, or termination of the debtor's interest in property" solely as a result of "the commencement of a case under [Title 11]" in violation of 11 U.S.C. §§ 365(e)(1) and 541(c)(1)(B).

28. The provisions do not fall within the limited "safe-harbor" for *ipso facto* clauses in swap agreements, because section 560 of the Bankruptcy Code protects only "[t]he exercise of any contractual right of any swap participant or financial participant to cause the liquidation, termination, or acceleration of one or more swap agreements because of [the filing of a bankruptcy case]" or the "offset or net out [of] any termination values or payment amounts." 11 U.S.C. § 560. The *modification* of LBSF's payment priority solely as a result of its bankruptcy filing does not constitute a "liquidation, termination, or acceleration" of the agreement, nor is it an "offset or net out" of the parties' positions under those agreements. Rather, by changing LBSF's payment priority and subordinating LBSF to noteholders, the clause improperly modifies LBSF's property interest solely as a result of its bankruptcy filing, which is not within the safe harbor of section 560 but is clearly impermissible under sections 365(e)(1) and 541(c)(1)(B).

29. The Court should declare that the provisions in the Swap Agreement modifying LBSF's payment priority are unenforceable pursuant to sections 365(e)(1) and 541(c)(1)(B).

30. There is an actual controversy between the parties on this issue because the Transaction Documents require BNY to modify LBSF's payment priority in violation of the

Bankruptcy Code, and noteholders are actively seeking to enforce these provisions in an incorrect forum to the detriment of the estate and its creditors.

31. Accordingly, pursuant to 28 U.S.C. § 2201 and Bankruptcy Rule 7001, LBSF requests that this Court enter a declaratory judgment that the provisions in the Swap Agreement modifying LBSF's payment priority constitute unenforceable *ipso facto* clauses that violate 11 U.S.C. §§ 365(e)(1) and 541(c)(1)(B) and that LBSF is entitled to payment under Swap Counterparty Priority.

COUNT II

(Declaratory Judgment—Provisions Modifying LBSF's Payment Priority as a Result of Its Bankruptcy Filing Violate the Automatic Stay)

32. LBSF repeats and realleges each and every allegation set forth in the preceding paragraphs with the same force and effect as if hereinafter fully set forth at length.

33. The provisions modifying LBSF's payment priority as a result of its bankruptcy filing are not only unenforceable *ipso facto* clauses, but any action to enforce those provisions also violates the automatic stay under 11 U.S.C. § 362(a). Any action to exercise control over assets of LBSF's estate is subject to the automatic stay upon the commencement of a case under the Bankruptcy Code. LBSF's rights to payments under the Transaction Documents are substantial assets of the estate, and any action by a party to exercise control over those assets is subject to the automatic stay. *See* 11 U.S.C. § 362(a).

34. Further, the provisions improperly seek to take property of LBSF because of its bankruptcy filing. Property of a debtor becomes property of the estate, "notwithstanding any provision in an agreement . . . (B) that is conditioned . . . on the commencement of a case under this title . . . and that effects or gives an option to effect a forfeiture, modification, or termination of the debtor's interest in property." 11 U.S.C. § 541(c)(1). By modifying LBSF's payment priority, its property interests are being forfeited because of "the commencement of a case under

this title.” This violates not only sections 541(c)(1)(B) and 365(e)(1), but also the automatic stay in section 362(a).

35. There is an actual controversy between the parties on this issue because the Transaction Documents require BNY to modify LBSF’s payment priority in violation of the Bankruptcy Code, and noteholders are actively seeking to enforce these provisions in an incorrect forum to the detriment of the bankruptcy estate and its creditors.

36. Accordingly, pursuant to 28 U.S.C. § 2201 and Bankruptcy Rule 7001, LBSF requests that this Court enter a declaratory judgment that any modification of LBSF’s payment priority under the Transaction Documents constitutes a willful violation of the automatic stay under section 362(a)(3).

PRAYER FOR RELIEF⁴

WHEREFORE, LBSF respectfully requests that the Court grant the following relief:

- A. For declaratory judgment that the provisions in the Transaction Documents modifying LBSF’s right to priority of payments under the Transaction Documents as a result of its bankruptcy filing constitute unenforceable *ipso facto* clauses that violate 11 U.S.C. §§ 365(e)(1) and 541(c)(1)(B) and that LBSF is entitled to payment under Swap Counterparty Priority.
- B. For declaratory judgment that any action to enforce the provisions in the Transaction Documents modifying LBSF’s right to priority of payments

⁴ LBSF reserves the right to amend the complaint to state additional causes of action for damages including, without limitation, automatic-stay violations.

under the Transaction Documents as a result of its bankruptcy filing violates the automatic stay under 11 U.S.C. § 362(a).

- C. And for such other relief as the Court deems just and proper, including costs and attorneys' fees.

Respectfully submitted,

2 Issue of Notes and Covenant to Pay

- 2.1 Issue of Notes:** Each Issuer may from time to time issue Notes in Tranches of one or more Series on a continuous basis with no minimum issue size in accordance with the relevant Programme Agreement. Before issuing any such Tranche, each Issuer shall give written notice or procure that such notice is given to the Trustee of the proposed issue of such Tranche, specifying the details to be included in the Final Terms or Series Prospectus in respect of the relevant Series. For each Series, any Notes created and issued pursuant to the provisions of this Clause shall be constituted by this Principal Trust Deed and the relevant Supplemental Trust Deed and secured as set out in this Principal Trust Deed and such Supplemental Trust Deed and the relevant Issuer shall execute and deliver to the Trustee in respect of each Series such a Supplemental Trust Deed (if applicable, duly stamped or denoted) containing such provisions as the Trustee shall require. every Supplemental Trust Deed shall be endorsed by the Trustee on Schedule 5 to this Principal Trust Deed and by the relevant Issuer on the duplicate of this Principal Trust Deed.

However, in respect of a Series of Notes where there are Related Notes, unless for any purpose the Trustee in its absolute discretion shall determine otherwise, all the provisions of this Principal Trust Deed shall apply to such Notes and Related Notes together and *mutatis mutandis* (save for the provisions relating to the expressions, “**Noteholders**”, “**holders**”, “**Certificates**”, “**Receipts**”, “**Coupons**”, “**Couponholders**” and “**Talons**”) and in respect of such Notes and Related Notes, the expressions “**Mortgaged Property**”, “**Credit Support Document**”, “**Credit Enhancement Provider**”, “**Swap Counterparty**” and “**Swap Agreement**” shall be construed as referring to both and each of the Notes and Related Notes unless expressly otherwise provided so that the Notes and Related Notes shall be constituted by a single trust and unless expressly provided, events affecting the Notes and Related Notes shall not affect any Series of Notes which are not Related Notes.

2.3 Covenant to Pay: The relevant Issuer shall on any date when the Notes of any Series become due to be redeemed, in whole or in part, unconditionally pay to or to the order of the Trustee to that Series in the Contractual Currency, in the case of any Contractual Currency other than euro, in the principal financial centre for the Contractual Currency and, in the case of euro, in the city in which banks have access to the TARGET system, in same day funds the Redemption Amount of the Notes of that Series becoming due for redemption on that date together with any applicable premium and shall (subject to the Conditions) until such payment (both before and after judgment) unconditionally so pay to or to the order of the Trustee as aforesaid interest on the principal amount of the Notes of such Series outstanding as set out in the Conditions (subject to sub-Clause 2.6) provided that (1) payment of any sum due in respect of the Notes of such Series made to the Issuing and Paying Agent for that Series as provided in the Agency Agreement shall, to that extent, satisfy such obligation except to the extent that there is failure in its subsequent payment to the relevant Noteholders or Couponholders of such Series under the Conditions and (2) a payment made after the due date or as a result of the Notes of such Series becoming repayable following an Event of Default shall be deemed to have been made when the full amount due has been received by the Issuing and Paying Agent or the Trustee for that Series and notice to that effect has been given to the Noteholders for that Series (if required under sub-Clause 7.1.8), except to the extent that there is failure in its subsequent payment to the relevant Noteholders or Couponholders under the Conditions. The Trustee will upon execution of the

relevant Supplemental Trust Deed hold the benefit of this covenant on trust for the Noteholders and Couponholders of the relevant Series.

2.4 Discharge: Subject to sub-Clause 2.5, any payment to be made in respect of the Notes, Receipts or the Coupons of any Series by the relevant Issuer or the Trustee for that Series may be made as provided in the Conditions and any payment so made shall (subject to sub-Clause 2.5) to that extent be a good discharge to the relevant Issuer or the Trustee, as the case may be (including, in the case of Notes represented by a NGN, whether or not the corresponding entries have been made in the records of Euroclear and Clearstream, Luxembourg).

2.5 Payment After a Default: At any time after an Event of Default or a Potential Event of Default has occurred in respect of any Series, the Trustee may:

2.5.1 by notice in writing to the relevant Issuer and the Agents, require the Agents, until notified by the Trustee to the contrary, so far as permitted by applicable law:

- (i) to act as Agents of the Trustee under the Trust Deed and the Notes of such Series on the terms of the Agency Agreement or, in the case of the Custodian, the Custody Agreement (in each case, with consequential amendments as necessary and except that the Trustee's liability for the indemnification, remuneration and expenses of the Agents shall be limited to the amounts for the time being held by the Trustee in respect of such Series on the terms of the Trust Deed) and thereafter to hold all Notes, Certificates, Receipts, Coupons and Talons comprising such Series and, in the case of the Custodian, the Collateral and all moneys, documents and records held by them in respect of such Series to the order of the Trustee; or
- (ii) to deliver all Notes, Certificates, Receipts, Coupons and Talons comprising such Series and, in the case of the Custodian, the Collateral and all moneys, documents and records held by them in respect of such Series to the Trustee or as the Trustee directs in such notice; and

2.5.2 by notice in writing to the relevant Issuer require it to make all subsequent payments in respect of the Notes, Certificates, Receipts, Coupons and Talons of such Series to or to the order of the Trustee and not to the Issuing and Paying Agent.

2.6 Rate of Interest After a Default: If the Notes comprising any Series bear interest at a floating or other variable rate and they become immediately payable under the Conditions, the rate of interest payable in respect of them shall continue to be calculated by the Calculation Agent in accordance with the Conditions (with consequential amendments as necessary) except that the rates of interest need not be published unless the Trustee otherwise requires. The first period in respect of which interest shall be so calculable shall commence on the expiry of the Interest Period (as defined in the relevant Prospectus) during which such Notes become so repayable.

2.7 Issues of Notes by Specified Companies: On or prior to the issue of any Series by a Specified Company other than Dante Finance Public Limited Company, such Specified Company will execute a Supplemental Trust Deed pursuant to which such Specified Company will agree to be bound by all the terms of this Principal Trust Deed and all Related Agreements, and from and after execution and delivery of such Supplemental Trust Deed such Specified Company shall become and be treated as an “**Issuer**” for all the purposes hereof. References herein to the “**Issuer**” are references to the Specified Company in respect of any Series (including Dante Finance Public Limited Company) only in respect of the Notes of such Series issued by it and only in respect of this Principal Trust Deed to the extent that this Principal Trust Deed is applicable in respect of such Notes issued by it, all in accordance with the terms of this Principal Trust Deed and the relevant Supplemental Trust Deed. (For the avoidance of doubt, any issue of any Series by any Specified Company (including Dante Finance Public Limited Company) will be constituted by this Principal Trust Deed and the relevant Supplemental Trust Deed.)

2.8 Rights and Liabilities of the Issuer: The Issuer shall be bound by this Principal Trust Deed and each of the other Master Documents and Related Agreements to which it is a party only to the extent that the provisions of such documents relate to any Series of Notes issued by it and matters relating thereto. The Issuer shall not be bound by this Principal Trust Deed or any of the Master Documents and other Related Agreements to which it is a party to the extent that the provisions of such documents relate to any Series of Notes issued by any other Specified Company.

The liability of the Issuer under this Principal Trust Deed and each of the Master Documents and Related Agreements to which it is a party is several and is separate in respect of each Series of Notes issued by the Issuer. The Issuer shall not be responsible for the obligations of any other Specified Company under this Principal Trust Deed or under any of the Master Documents or other Related Agreements. The failure of the Issuer to perform its obligations in respect of any Series issued by the Issuer under this Principal Trust Deed or under any of the Master Documents and Related Agreements to which it is a party shall not release the Issuer from its obligations under this Principal Trust Deed or under any of the Master Documents or other Related Agreements in respect of any other Series issued by the Issuer and shall not release any other Specified Company from its obligations under this Principal Trust Deed or under any of the Master Documents or other Related Agreements. No Specified Company has any obligations in respect of Notes of the Series issued by any other Specified Company. The rights of the Specified Companies under this Principal Trust Deed and each of the Master Documents or other Related Agreements are also several and are also separate in respect of each Series of Notes issued by any such Specified Company.

The provisions in this Principal Trust Deed concerning costs, expenses, fees, remuneration and other financial obligations (whether arising under indemnities or otherwise) shall apply separately to each Series of Notes in respect of the costs, expenses, fees, remuneration and financial obligations which arise in respect of such Series of Notes. No such amount incurred in respect of any Series of Notes will be deducted from any amount payable to Noteholders or Couponholders, as the case may be, in respect of any other Series of Notes nor will any such amount be in any other way charged to any other such holders. The provisions of this Principal Trust Deed shall be read accordingly.

3 Form of the Notes

- 3.1 The Global Notes:** Each Series of Notes shall be represented by a Temporary Global Note or a Permanent Global Note or one or more Certificates in the principal amount of the Tranche being issued. Interests in Temporary Global Notes shall be exchangeable for interests in Permanent Global Notes as set out in each Temporary Global Note. Interests in Permanent Global Notes shall be exchangeable for Definitive Notes and/or Registered Notes as set out in each Permanent Global Note.
- 3.2 The Definitive Notes:** For each Series, the Definitive Notes, Receipts, Coupons and Talons shall be security printed and the Certificates shall be printed, in each case in accordance with applicable legal and stock exchange requirements substantially in the forms set out in Schedule 2. The Notes and Certificates (other than Global Certificates) shall be endorsed with the Conditions.
- 3.3 Signature:** For each Series the Bearer Notes shall be signed manually or in facsimile by two directors of the Issuer and all other Notes and Certificates may be signed by an authorised signatory of the Issuer. Notes shall be authenticated by or on behalf of the Issuing and Paying Agent, effectuated manually by or on behalf of the Common Safekeeper, in case of a Global Note which is a NGN, and Certificates shall be authenticated by or on behalf of the Registrar. Notes and Certificates on which are affixed the facsimile signature of a director or authorised signatory of the Issuer during the period that director held office or that authorised signatory was an authorised signatory may be used, even if at the time of issue of the relevant Notes and Certificates that director no longer holds office or that authorised signatory is no longer an authorised signatory. Notes and Certificates so executed, authenticated and effectuated (if applicable) shall be or, in the case of Certificates, represent binding and valid obligations of the Issuer.

4 Stamp Duties and Taxes

For each Series the Issuer shall pay any stamp, issue, documentary or other taxes and duties, including interest and penalties, payable in the jurisdiction of incorporation of the Specified Company, Belgium, Luxembourg, the United Kingdom and the country of each Contractual Currency in respect of the creation, issue and offering of the Notes, Certificates, Receipts, Coupons and Talons of that Series and the execution or delivery of the Trust Deed. The Issuer shall also indemnify the Trustee, the Noteholders and the Couponholders of each Series from and against all stamp, issue, documentary or other taxes paid by any of them in any jurisdiction in connection with any action taken by or on behalf of the Trustee or, as the case may be, the Noteholders or the Couponholders to enforce the Issuer's obligations under the Trust Deed or the Notes, Certificates, Receipts, Coupons or Talons of such Series.

5 Security

This Clause 5 shall apply separately to the security for each Series, save as varied in respect of any Series by the relevant Supplemental Trust Deed.

- 5.1 The Mortgaged Property:** The Issuer with full title guarantee and as continuing security grants in favour of the Trustee such charge and/or security interest as set out in the relevant Supplemental Trust Deed in respect of the relevant Series.
- 5.2 Mortgaged Property as Continuing Security:** For each Series, the charges and/or security interest created pursuant to sub-Clause 5.1 are granted to the Trustee as

continuing security (i) for the payment of all sums due under the Trust Deed and the Notes and the Coupons of such Series, and (ii) for the performance of the Issuer's obligations (if any) under certain agreements as set out in the relevant Supplemental Trust Deed in respect of such Series. The Trustee shall release from such charges any part of the Mortgaged Property when it becomes payable or deliverable to the extent that payment or delivery of it may be obtained and duly paid or made (as the case may be) to a Swap Counterparty under a Swap Agreement and/or to the holders of Notes, Coupons and Receipts. The Trustee shall also release from the charges thereby granted any sum held by the Custodian and/or the Account Bank and/or Issuing and Paying Agent and/or the Registrar to meet payments due in respect of the Notes to the extent that payment of all sums due under the Trust Deed and the Notes and Coupons of the relevant Series be duly made.

5.3 Liability in respect of Mortgaged Property: For each Series, the Trustee shall not be responsible for, nor shall it have any liability with respect to any loss or theft or reduction in value of any of the Mortgaged Property and shall not be obliged to insure the same and shall have no responsibility or liability arising from the fact that the same will (if applicable) be held in safe custody by the Custodian or other custodian approved beforehand in writing by the Trustee. The Trustee shall not be responsible for the validity, value, sufficiency and enforceability (which the Trustee has not investigated) of the security created over the Mortgaged Property for that Series.

5.4 Rights of the Issuer: For each Series until any security over any of the Mortgaged Property becomes enforceable the Issuer may, with the sanction of an Extraordinary Resolution (or, in respect of a Series of Notes where there are Related Notes, a direction by Extraordinary Resolution of the holders of the Controlling Series) or with the prior written approval of the Trustee:

5.4.1 take such action in relation to the Mortgaged Property as it may think expedient; and

5.4.2 exercise the rights incidental to the ownership of the Mortgaged Property and, in particular (but without limitation and without responsibility for their exercise), any voting rights in respect of such property and all rights to enforce it.

The Issuer will not exercise any rights with respect to any Mortgaged Property unless it has the Trustee's consent or is directed to do so by an Extraordinary Resolution of Noteholders (or, in respect of a Series of Notes where there are Related Notes, a direction by Extraordinary Resolution of the holders of the Controlling Series) and, if such direction or consent is given, the Issuer will act only in accordance with such direction or consent.

5.5 Enforcement of Security: For each Series, the security over the Mortgaged Property shall become enforceable if (i) any amount due in respect of the Notes is not paid or delivered when due or (ii) a Swap Agreement terminates with sums due to the Swap Counterparty. In addition, if part of the principal amount of the Notes of such Series is mandatorily redeemed under Condition 6(c), the security created over that part of the Mortgaged Property which relates to such Notes and with respect to any part of a Swap Agreement to that Series which terminates as a result of such redemption shall become enforceable. In that event references herein to the Trustee

exercising powers of enforcement of such security shall be read accordingly. If, in respect of a Series of Notes where there are Related Notes, the security in respect of the Notes becomes enforceable, the Trustee shall, if in its opinion there is a conflict of interest between its duties as trustee for the Noteholders and as trustee for the holders of the relevant Related Notes, act solely with respect to the interests of the Controlling Series.

5.6 Trustee taking possession of Mortgaged Property: At any time after any security in relation to any Series of Notes shall have become enforceable in whole or in part, (i) if requested in writing by the holders of at least one-fifth in aggregate principal amount of the relevant Notes (or, in respect of a Series of Notes where there are Related Notes, if so required in writing by the holders of at least one fifth in aggregate principal amount of the Controlling Series) then outstanding or (ii) if directed by an Extraordinary Resolution of the holders of the Notes of such Series (or, in respect of a Series where there are Related Notes, a direction by Extraordinary Resolution of the holders of the Controlling Series) or (iii) if so directed in writing by the Swap Counterparty for such Series when sums the claims in respect of which are secured are due to the Swap Counterparty, (unless this would in the Trustee's opinion be contrary to the interests of the holders of Notes, Coupons or Receipts for that Series (whichever shall be the first request or direction to be given)), the Trustee shall, and otherwise in its discretion may, (in each case subject to it having been indemnified to its satisfaction against any loss, liability, cost, claim, action, demand or expense which may be incurred or made against it in connection therewith) enforce the security over the Mortgaged Property. To do this it may, at its discretion, take possession of all or part of the Mortgaged Property for that Series over which the security shall have become enforceable and may in its discretion sell, call in, collect and convert into money all or part of the Mortgaged Property in such manner and on such terms as it shall think fit. The power of sale under Section 101 of the Law of Property Act 1925 (but without the restrictions imposed by Sections 93 and 103 of such Act) shall apply and have effect on the basis that the relevant Supplemental Trust Deed constitutes a mortgage within the meaning of that Act and the Trustee is a mortgagee exercising the power of sale conferred on mortgagees by that Act with limited title guarantee.

5.7 Discharge: For each Series the Trustee's receipt for any moneys paid to it in relation to such Series shall discharge the person paying them and such person shall not be responsible for their application.

5.8 Appointment of Receiver: In relation to any Series, the Trustee may in writing appoint a receiver of all or part of the Mortgaged Property over which any security shall have become enforceable and may remove any receiver so appointed and appoint another in his place. No delay or waiver of the right to exercise these powers shall prejudice their future exercise. The following provisions shall have effect:

5.8.1 Such appointment may be made before or after the Trustee shall have taken possession of all or part of the relevant Mortgaged Property.

5.8.2 Such receiver may be vested by the Trustee with such powers and discretions as the Trustee may think expedient including, without limitation, all the powers set out in Schedule 1 to the Insolvency Act 1986 (subject to sub-Clause 18.2) and may sell, concur in selling, assign or release any of the relevant Mortgaged Property without restriction and on such terms as

he may think fit and may effect any such transaction in the name or on behalf of the Issuer or otherwise.

- 5.8.3 Such receiver shall in the exercise of his functions conform to the regulations from time to time made by the Trustee.
- 5.8.4 The Trustee may from time to time fix such receiver's remuneration and direct its payment out of moneys accruing to him in respect of such Series in the exercise of his powers as such receiver.
- 5.8.5 The Trustee may from time to time and at any time require such receiver to give security for the due performance of his duties as receiver and may fix the nature and amount of the security to be given. The Trustee need not, however, in any case require any such security nor shall it be responsible for its adequacy or sufficiency.
- 5.8.6 All moneys received by such receiver shall be paid over to the Trustee unless the Trustee directs otherwise.
- 5.8.7 Such receiver shall be the Issuer's agent for all purposes. The Issuer alone shall be responsible for his acts, defaults and misconduct and neither the Trustee, the Noteholders nor the Swap Counterparty for such Series shall incur any liability therefor.
- 5.8.8 None of the Trustee, the Noteholders or the Swap Counterparty for such Series shall be responsible for any misconduct or negligence on the part of any such receiver.

5.9 Perfecting the Security: For each Series the relevant Issuer shall take such action as the Trustee may reasonably require (1) to perfect or protect the security created or intended to be created by or pursuant to the Trust Deed over the Mortgaged Property for that Series and (2) from time to time and at any time after the security constituted by or pursuant to the Trust Deed shall have become enforceable to facilitate the realisation of such security and the exercise of the functions of the Trustee or any receiver of any such Mortgaged Property. A certificate from the Trustee to the effect that a particular action is reasonably required by it shall be conclusive evidence of that fact.

5.10 Ability to Borrow on Mortgaged Property: For each Series the Trustee may raise and borrow money on the security of the Mortgaged Property for that Series or any part of it in order to defray moneys, costs, charges, losses and expenses paid or incurred by it in relation to the Trust Deed (including the costs of realising any security and the remuneration of the Trustee) or in exercise of any of the powers contained in the Trust Deed in relation to such Series. The Trustee may raise and borrow such money on such terms as it shall think fit and may secure its repayment with interest thereon by mortgaging or otherwise charging all or part of such Mortgaged Property whether or not in priority to the security constituted by or pursuant to the Trust Deed and generally in such manner and form as the Trustee shall think fit and for such purposes may take such action as it shall think fit. The Trustee shall not, however, permit such security to be used by way of stocklending before such security becomes enforceable.

5.11 Attorney: For each Series the relevant Issuer by way of security irrevocably appoints the Trustee and every receiver of any Mortgaged Property appointed

pursuant to this Principal Trust Deed to be severally its attorney (with full power of substitution) on its behalf and in its name to do anything which the Issuer ought to do under this Principal Trust Deed and generally to exercise all or any of the functions of the Trustee or any such receiver. The relevant Issuer ratifies and confirms and agrees to ratify and confirm whatever any such attorney shall do or purport to do in the exercise or purported exercise of such functions.

5.12 Liability of Trustee: For each Series neither the Trustee nor any such receiver or any attorney or agent of the Trustee shall by reason of taking possession of any Mortgaged Property for that Series or any other reason and whether or not as mortgagee in possession be liable to account for anything except actual receipts or be liable for any loss or damage arising from the realisation of such Mortgaged Property or from any act, default or omission in relation to such Mortgaged Property or from any exercise or non-exercise by it of any of its powers, authorities or discretions in relation to such Mortgaged Property or otherwise unless such loss or damage shall be caused by its own fraud.

5.13 Powers additional to the Law of Property Act 1925: The powers conferred by this Principal Trust Deed in relation to the Mortgaged Property of any Series on the Trustee or on any receiver of any such property shall be in addition to those conferred on mortgagees or receivers under the Law of Property Act 1925. If there is any ambiguity or conflict between the powers contained in such Act and those conferred by this Principal Trust Deed, the terms of this Principal Trust Deed shall prevail.

5.14 Dealings with Trustee: For each Series no one dealing with the Trustee or any receiver of any of the Mortgaged Property for that Series appointed by the Trustee need enquire whether any of the powers, authorities and discretions conferred by or pursuant to this Principal Trust Deed in relation to such property are or may be exercisable by the Trustee or such receiver or as to the propriety or regularity of acts purporting or intended to be in exercise of any such powers. The protection to purchasers contained in Sections 104 and 107 of the Law of Property Act 1925 shall apply to anyone dealing with the Trustee or such receiver as if the statutory powers of sale and of appointing a receiver in relation to the property hereby charged had not been varied or extended by this Principal Trust Deed.

6 Application of Moneys received by the Trustee and Payments

6.1 Declarations of Trust: For each Series, save for any moneys received in connection with the realisation or enforcement of all or part of the security constituted by or pursuant to the Supplemental Trust Deed or any other Security Document in relation to that Series, all moneys received by the Trustee in respect of the Notes of that Series or amounts payable under the Trust Deed in relation to that Series will, despite any appropriation of all or part of them by the Issuer, be held by the Trustee on trust to apply them (subject to sub-Clause 6.3):

- (i) first, in payment of all costs, charges, expenses and liabilities properly incurred by the Trustee (including remuneration payable to it) in carrying out its functions under the Trust Deed in relation to that Series;
- (ii) secondly, in payment of any amounts owing to the Swap Counterparty for that Series, the Custodian or the Noteholders or Couponholders in respect of the Notes or Coupons for that Series *pari passu* and rateably; and

- (iii) thirdly, in payment of any balance to the Issuer for itself.

If the Trustee holds any moneys in respect of Notes or Coupons which have become void or Notes, the claims in respect of which have become prescribed under Condition 9, the Trustee will hold them on these trusts.

6.2 Application of Moneys Received: Subject to the provisions of each relevant Supplemental Trust Deed and sub-Clause 6.3, the Trustee shall apply all moneys received by it under this Principal Trust Deed and the relevant Supplemental Trust Deed in connection with the realisation or enforcement of the security constituted thereby and by any Other Security Document as follows:

- (i) if **"Swap Counterparty Priority"** is specified in the relevant Supplemental Trust Deed:

- (A) first, in payment or satisfaction of the fees, costs, charges, expenses and liabilities incurred by the Trustee or any receiver in preparing and executing the trusts in the Trust Deed (including any taxes required to be paid, the costs of realising any security and the Trustee's remuneration);
- (b) secondly, in meeting claims of the Paying Agents and/or the Transfer Agents and/or the Custodian and/or the Account Bank for reimbursement in respect of payments properly made to any person in discharge of an Obligation;
- (C) thirdly, rateably in meeting the claims (if any) of the Swap Counterparty under each Swap Agreement;
- (D) fourthly, rateably in meeting the claims (if any) of the holders of Notes, Coupons and Receipts. If the moneys received by the Trustee are not enough to pay such amounts in full, the Trustee shall apply them *pro rata* on the basis of the amount due to each party entitled to such payment; and
- (E) fifthly, in payment of the balance (if any) to the Issuer,

provided that, if the "Swap Counterparty Priority" is expressed in the relevant Supplemental Trust Deed and Final Terms or Series Prospectus to be subject to adjustment on a Swap Counterparty default, and if and to the extent that the Swap Counterparty fails to make payments due to the Issuer under any Swap Agreement and the Issuer promptly notifies the Trustee in writing of any such failure (which notice shall be conclusive and binding), the above application of moneys shall be amended so that the claims of the Swap Counterparty will, to the extent that there has been such failure, rank after the claims (if any) of the holders of Notes, Coupons and Receipts and before the claims of the Issuer in relation to the balance (if any).

- (ii) if **"Pari Passu Ranking"** is specified in the relevant Supplement Trust Deed;

- (A) first, in payment or satisfaction of the fees, costs, charges, expenses and liabilities incurred by the Trustee or any receiver in preparing and executing the trusts in the Trust Deed (including

any taxes required to be paid, the costs of realising any security and the Trustee's remuneration);

- (B) secondly, in meeting claims of the Paying Agents and/or the Custodian and/or the Transfer Agents and/or the Account Bank for reimbursement in respect of payments properly made to any person in discharge of an Obligation;
 - (C) thirdly, rateably in meeting the claims (if any) of the holders of Notes, Coupons and Receipts and the Swap Counterparty under each Swap Agreement. If the moneys received by the Trustee are not enough to pay such amounts in full, the Trustee shall apply them *pro rata* on the basis of the amount due to each party entitled to such payment; and
 - (D) fourthly, in payment of the balance (if any) to the Issuer.
- (iii) if **"Noteholder Priority"** is specified in the relevant Supplemental Trust Deed:
- (A) first, in payment or satisfaction of the fees, costs, charges, expenses and liabilities incurred by the Trustee or any receiver in preparing and executing the trusts in the Trust Deed (including any taxes required to be paid, the costs of realising any security and the Trustee's remuneration);
 - (B) secondly, in meeting claims of the Paying Agents and/or the Custodian and/or the Transfer Agents and/or the Account Bank for reimbursement in respect of payments properly made to any person in discharge of an Obligation;
 - (C) thirdly, rateably in meeting the claims (if any) of the holders of Notes, Coupons and Receipts. If the moneys received by the Trustee are not enough to pay such amounts in full, the Trustee shall apply them *pro rata* on the basis of the amount due to each party entitled to such payment;
 - (D) fourthly, in meeting the claims (if any) of the Swap Counterparty under each Swap Agreement; and
 - (E) fifthly, in payment of the balance (if any) to the Issuer.
- (iv) if **"Other Priority"** is specified in the relevant Supplemental Trust Deed and Final Terms or Series Prospectus, the Trustee shall apply all moneys received by it under the provisions of the Principal Trust Deed and the relevant Supplemental Trust Deed in connection with the realisation or enforcement of the security constituted thereby, as set out in the relevant Supplemental Trust Deed and Final Terms or Series Prospectus.

6.3 Accumulation: If the amount of the moneys at any time available for payment in respect of any Notes of any Series under sub-Clause 6.1 or 6.2 shall be less than 10 per cent. of the principal amount of such Notes then outstanding, the Trustee may at its discretion invest such moneys. The Trustee may retain such investments and accumulate the resulting income until the investments and the accumulations, together with any other funds for the time being under its control and available for

such payment, amount to at least 10 per cent. of the principal amount of such Notes then outstanding and then such investments, accumulations and funds (after deduction of, or provision for, any applicable taxes) will be applied as specified in sub-Clause 6.1 or 6.2, as the case may be.

6.4 Investment: Moneys held by the Trustee may be invested in its name or under its control in any investments or other assets for the time being authorised by English law for the investment by trustees of trust moneys or in any other investments, whether or not similar thereto, which may be selected by the Trustee **provided that** all such investments made by the Trustee shall be in investments denominated in the currency of such Series and, at the time of investment, in respect of each Series rated by Standard & Poor's, rated "AAA" by Standard & Poor's or in respect of each Series rated by Moody's, rated "Aaa" by Moody's (in the case of long-term investments of more than one year), "A1" by Standard & Poor's or "P-1" by Moody's, as the case may be, (in the case of short-term investments of one year or less) or such alternative rating as may be advised by Standard & Poor's or Moody's, as the case may be, as being acceptable for being commensurate with the rating assigned to such Series or by placing the same on deposit in the name or under the control of the Trustee at a bank or other financial institution, including itself, if appropriate, **provided that** such bank or other financial institution shall, at the time of investment, be rated at least "A1" by Standard & Poor's or "P-1" by Moody's, as the case may be. If that bank or institution is the Trustee or a subsidiary, holding or associated company of the Trustee, it need only account for an amount of interest equal to the standard amount of interest payable by it on such a deposit to an independent customer. The Trustee may at any time or times vary any such investments for or into other investments or convert any moneys so deposited into any other currency and shall not be responsible for any loss due to depreciation in value, fluctuations in exchange rates or otherwise resulting from any such investments or deposits. For the avoidance of doubt in this sub-Clause 6.4, any rating which has an "r" will not be acceptable.

6.5 Cancellation upon Payment: If any payment is made to the holder of any Bearer Note, Receipt or Coupon in relation to any Series in accordance with the order set out in sub-Clause 6.1 or 6.2 (and the corresponding provision in the relevant Supplemental Trust Deed), the Bearer Note, Receipt or Coupon in respect of which such payment is made shall be produced to the Trustee or the Agent by or through whom such payment is made who shall, in the case of a partial payment, cause the Bearer Note, Receipt or Coupon concerned to be endorsed with details of the amount and date of payment on such Bearer Note, Receipt or Coupon and, in the case of payment in full, cancel such Bearer Note, Receipt or Coupon and surrender it to the Issuer or the Trustee, as the case may be, and certify or procure the certification of such cancellation.

7 Covenants

7.1 Issuer's Covenants: So long as any Note is outstanding, the Issuer shall:

7.1.1 Books of Account: keep proper books of account and, at any time after an Event of Default or Potential Event of Default has occurred or if the Trustee believes that such an event has occurred, so far as permitted by applicable law, allow the Trustee and anyone appointed by it to whom the Issuer has

no reasonable objection, access to its books of account at all reasonable times during normal business hours;

- 7.1.2 **Notice of Events of Default:** notify the Trustee in writing immediately on becoming aware of the occurrence of any Event of Default or Potential Event of Default;
- 7.1.3 **Information:** so far as permitted by applicable law, give the Trustee such information as it requires to perform its functions;
- 7.1.4 **Financial Statements etc.:** send to the Trustee at the time of their issue and in the case of annual financial statements in any event within 180 days of the end of each financial year two copies in English of every balance sheet, profit and loss account, report or other notice, statement or circular issued (if any), or that legally or contractually should be issued, to the members or creditors (or any class of them) of the Issuer generally in their capacity as such;
- 7.1.5 **Certificate of Directors:** send to the Trustee on each anniversary of the date of this Principal Trust Deed, and also within 14 days of any request by the Trustee a certificate of the Issuer signed on its behalf by any two of its Directors that, having made all reasonable enquiries, to the best of the knowledge, information and belief of the Issuer as at a date (the "**Certification Date**") not more than five days before the date of the certificate no Event of Default or Potential Event of Default or other breach of this Principal Trust Deed or other matter required to be brought to the Trustee's attention had occurred since the Certification Date of the last such certificate or (if none) the date of this Principal Trust Deed or, if such an event had occurred, giving details of it;
- 7.1.6 **Notices to Noteholders:** for each Series send to the relevant Trustee the form of each notice to be given to Noteholders and, once given, two copies of each such notice, such notice to be in a form previously approved by the Trustee (such approval, unless so expressed, not to constitute approval for the purposes of Section 21 of the Financial Services and Markets Act 2000 of any such notice which is a communication within the meaning of Section 21 of the Financial Services and Markets Act 2000);
- 7.1.7 **Further Acts:** so far as permitted by applicable law, do such further things as may be necessary in the opinion of the Trustee to give effect to this Principal Trust Deed and each Supplemental Trust Deed;
- 7.1.8 **Notice of Late Payment:** forthwith upon request by the Trustee give notice to the Noteholders of any Series of any unconditional payment to the Issuing and Paying Agent or the Trustee of any sum due in respect of the Notes, the Receipts or Coupons of such Series made after the due date for such payment;
- 7.1.9 **Listing and Trading:** if the Notes are listed and/or admitted to trading, use all reasonable endeavours to maintain the listing of the Notes on the relevant stock exchange and/or the admission of the Notes to trading on the relevant market, however, if:
 - (i) the Issuer is unable to do so, having used such endeavours;

- (ii) the Issuer determines that the provisions of the EU Transparency Obligations Directive would make the maintenance of such listing and/or admission to trading unduly onerous; or
- (iii) for any reason other than (ii) above, the maintenance of such listing and/or admission to trading is agreed by the Trustee to be unduly onerous and the Trustee is satisfied that the interests of the Noteholders would not be thereby materially prejudiced,

the Issuer will instead use all reasonable endeavours to obtain and maintain a listing of the Notes on such other stock exchange and/or admission of the Notes to trading on such other market as it may (with the consent in writing of the Trustee, in the case of (i) and (iii) above) decide;

- 7.1.10 **Change in Agents:** give at least 14 days' prior notice to the relevant Noteholders of any future appointment, resignation or removal of an Agent or of any change by an Agent of its specified office and not make any such appointment or removal without the Trustee's prior written approval;
- 7.1.11 **Agency Agreement:** comply with its obligations under the Agency Agreement executed in relation to any Series and, without prejudice to the generality of the foregoing, at all times maintain an Agent and (where relevant) a Custodian and, in respect of a Series of Registered Notes, a Registrar and a Transfer Agent and in respect of any Global Notes in NGN form, a Common Safekeeper and, where appropriate, a Calculation Agent in respect of such Series in each case as specified in the Conditions;
- 7.1.12 **Notice of Redemption:** give, in respect of any Note, notice of not less than 14 days more than the number of days' notice specified in the Conditions applicable to such Note, to the Trustee of any proposed redemption by it pursuant to the Conditions;
- 7.1.13 **Compliance:** in relation to each Series, comply and procure that each of the parties thereto complies with its obligations under any Swap Agreement and (if it is a party thereto) any Credit Enhancement Agreement and use its reasonable endeavours to make such amendments to the Agency Agreement, Custody Agreement or any Swap Agreement or Credit Enhancement Agreement as may be required by the Trustee;

Such remuneration shall accrue from day to day from the date of this Principal Trust Deed. However, if any payment to a Noteholder or Couponholder of moneys due in respect of any Note, Receipts or Coupon for such Series is improperly withheld or refused, such

remuneration shall again accrue as from the date of such withholding or refusal until payment to such Noteholder or Couponholder is duly made.

- 8.2 Extra Remuneration:** If an Event of Default or Potential Event of Default shall have occurred in respect of any Series or if the Trustee finds it expedient or necessary or is requested by the Issuer to undertake duties that they both agree to be of an exceptional nature or otherwise outside the scope of the Trustee's normal duties under the Trust Deed, the Issuer shall pay such additional remuneration as they may agree or, failing agreement as to any of the matters in this Clause (or as to such sums referred to in sub-Clause 8.1), as determined by an international investment bank (acting as an expert) selected by the Trustee and approved by the Issuer or, failing such approval, nominated by the President for the time being of The Law Society of England and Wales. - 8.3.2** in other cases, carry interest at such rate from 30 days after the date of the demand or (where the demand specifies that payment is to be made on an earlier date) from such earlier date.
- 8.4 Indemnity:** The relevant Issuer shall indemnify the Trustee in respect of all liabilities and expenses incurred by it or by anyone appointed by it or to whom any of its functions may be delegated by it in relation to any Series in the carrying out of its functions and against any loss, liability, cost, claim, action, demand or expense (including, but not limited to, all costs, charges and expenses paid or incurred in disputing or defending any of the foregoing) that any of them may incur or that may be made against any of them arising out of or in relation to or in connection with, its appointment or the exercise of its functions. - 9.2 Trustee to Assume Performance:** The Trustee need not notify anyone of the execution of the Trust Deed or do anything to find out if an Event of Default or Potential Event of Default has occurred in relation to any Series. - 9.3 Resolutions of Noteholders:** The Trustee shall not be responsible for having acted in good faith on a resolution purporting to have been passed at a meeting of Noteholders in respect of which minutes have been made and signed even if it is later found that there was a defect in the constitution of the meeting or the passing of the resolution or that the resolution was not valid or binding on the Noteholders or Couponholders.
- 9.4 Certificate Signed by Directors:** If the Trustee, in the exercise of its functions, requires to be satisfied or to have information as to any fact or the expediency of any act, it may call for and accept as sufficient evidence of that fact or the expediency of that act a certificate signed on the Issuer's behalf by any two Directors of the Issuer as to that fact or to the effect that, in their opinion, that act is expedient and the Trustee need not call for further evidence and shall not be responsible for any loss occasioned by acting on such a certificate.
- 9.5 Deposit of Documents:** The Trustee may appoint as custodian, on any terms, any bank or entity whose business includes the safe custody of documents or any lawyer or firm of lawyers believed by it to be of good repute and may deposit this Trust Deed and any other documents with such custodian and pay all sums due in respect thereof. The Trustee is not obliged to appoint a custodian of securities payable to bearer.

- 9.13 Currency Conversion:** Where it is necessary or desirable to convert any sum from one currency to another, it shall (unless otherwise provided hereby or required by law) be converted at such rate or rates, in accordance with such method and as at such date as may reasonably be specified by the Trustee but having regard to current rates of exchange, if available. Any rate, method and date so specified shall be binding on the Issuer, the Noteholders, the Couponholders and the Swap Counterparty (if any).
- 9.14 Title of the Issuer to Mortgaged Property:** The Trustee shall accept without investigation, requisition or objection such right and title as the Issuer has to any of the Mortgaged Property and shall not be bound or concerned to examine or enquire into or be liable for any defect or failure in the right or title of the Issuer to the Mortgaged Property or any part thereof whether such defect or failure was known to the Trustee or might have been discovered upon examination or enquiry and whether capable of remedy or not.
- 9.15 Insurance:** The Trustee shall not be under any obligation to insure any of the Mortgaged Property or any certificate, note, bond or other evidence in respect thereof, or to require any other person to maintain any such insurance.
- 9.16 Deficiency Arising from Tax:** The Trustee shall have no responsibility whatsoever to the Issuer or any Noteholder as regards any deficiency which might arise because the Trustee or Custodian is subject to any tax in respect of any of the Mortgaged Property, income therefrom or the proceeds thereof.
- 9.17 Indemnity:** Without prejudice to the right of indemnity by law given to trustees and subject to the provisions of Section 192 of the Companies Act 1985, the Trustee and every receiver, attorney, manager, agent or other person appointed by the Trustee hereunder in relation to each Series shall be entitled to be indemnified out of the Mortgaged Property (in respect of such Series) in respect of all liabilities and

expenses properly incurred by them or him in the execution or purported execution of the trusts hereof or of any powers, authorities or discretions vested in them or him pursuant to the Trust Deed and against all actions, proceedings, costs, claims and demands in respect of any matter or things done or omitted in any way relating to the Mortgaged Property, and the Trustee may retain any part of any moneys in its hands arising from the trusts of the Trust Deed all sums necessary to effect such indemnity and also the remuneration of the Trustee hereinbefore provided and the Trustee shall have a lien on such Mortgaged Property for all moneys payable to it under the Trust Deed or otherwise howsoever. The Contracts (Rights of Third Parties) Act 1999 applies to this sub-Clause 9.17.

- 9.18 Validity of Security:** The Trustee assumes no responsibility for the validity, sufficiency or enforceability (which the Trustee has not investigated) of the security purported to be created by this Principal Trust Deed, any Supplemental Trust Deed, any other Security Document, any Swap Agreement, any pledge or other document. In addition, the Trustee has no duty to monitor the performance by the Agents or any Swap Counterparty or any Credit Enhancement Provider of their obligations to the Issuer nor is it obliged (unless indemnified to its satisfaction) to take any action which may involve the Trustee in any personal liability or expense.
- 9.19 Payment for and Delivery of Notes:** The Trustee shall not be responsible for the receipt or application by the Issuer of the proceeds of the issue of the Notes of any Series, any exchange of such Notes or the delivery of such Notes to the persons entitled to them.
- 9.20 Legal Opinions:** The Trustee shall not be responsible to any person for failing to request, require or receive any legal opinion relating to any Notes or for checking or commenting upon the content of any such legal opinion.

- 9.22 Consents:** Any consent or approval given by the Trustee for the purposes of the Trust Deed may be given on such terms and subject to such conditions (if any) as the Trustee thinks fit.
- 9.23 Swap Counterparty:** In acting as Trustee under the Trust Deed in respect of Notes of any Series the Trustee shall not assume any duty or responsibility to any Swap Counterparty or any Credit Enhancement Provider (other than to pay to such Swap Counterparty any moneys received and payable to it for it and to act in accordance with the provisions of Conditions 4(b) and 4(g)) and shall have regard solely to the interests of the Noteholders of such Series and shall not be obliged to act on any directions of the Swap Counterparty if this would in the Trustee's opinion be contrary to the interests of the Noteholders of such Series.
- 9.24 Determination or Calculation by the Trustee:** For each Series, if the Issuing and Paying Agent does not at any time for any reason so determine the Interest Rate or calculate the Interest Amount for an Interest Accrual Period, the Trustee shall do so and such determination or calculation shall be deemed to have been made by the Issuing and Paying Agent. In doing so, the Trustee shall apply the provisions of Condition 5, with any necessary consequential amendments, to the extent that, in its opinion, it can do so, and, in all other respects it shall do so in such manner as it shall deem fair and reasonable in all the circumstances.

- 9.25 Rating and Rating Agencies:** The Trustee assumes no responsibility for the rating of the Notes of any Series or for providing information to, or soliciting information from, any rating agency.

- 9.28 Conflict between Noteholders and Related Noteholders:** Where, in the opinion of the Trustee, there is a conflict between the interests of the holders of the Notes and those of any Related Notes and/or its duties as Trustee for the holders of Notes and for the holders of any Related Notes, the Trustee shall, unless otherwise specified in the Supplemental Trust Deed, act solely on behalf of the holders of the Controlling Series following enforcement of the security over the Mortgaged Property and shall have regard to their interests alone and shall not be responsible to the holders of the Notes that do not comprise the Controlling Series for so doing.

10 Trustee liable for Negligence

Section 1 of the Trustee Act 2000 shall not apply to any functions of the Trustee under this Trust Deed, provided that if the Trustee fails to show the degree of care and diligence required of it as trustee, nothing in the Trust Deed shall, having regard to the provisions hereof conferring on the Trustee powers, authorities and discretions, relieve or indemnify it from or against any liability that would otherwise attach to it in respect of any negligence, default, breach of duty or breach of trust of which it may be guilty.

11 Waiver, Consents and Proof of Default

11.1 Waiver: The Trustee may, in respect of the Notes of each Series, without the consent of the Noteholders or Couponholders of such Series and without prejudice to its rights in respect of any subsequent breach, from time to time and at any time, if in its opinion the interests of the Noteholders of such Series will not be materially prejudiced thereby, waive or authorise, on such terms as seem expedient to it, any breach or proposed breach by the Issuer of this Principal Trust Deed, any other Security Document or any relevant Supplemental Trust Deed or the Conditions or any relevant Swap Agreement or determine that an Event of Default or Potential Event of Default shall not be treated as such provided that the Trustee shall not do so in contravention of an express direction given by an Extraordinary Resolution or a request made pursuant to Condition 10. No such direction or request shall affect a previous waiver, authorisation or determination. Any such waiver, authorisation or determination shall be binding on the Noteholders and the Couponholders of such Series and, if the Trustee so requires, shall be notified to the Noteholders of such Series as soon as practicable.

11.2 Consents: For each Series, in giving any consent under the Trust Deed the Trustee may require the Issuer to agree to such modifications or additions to the provisions

of the Trust Deed as the Trustee may deem expedient in the interests of the Noteholders of such Series.

- 11.3 Proof of Default:** Proof that the Issuer has failed to pay a sum due to the holder of any one Note, Receipt or Coupon shall (unless the contrary be proved) be sufficient evidence that it has made the same default as regards all other Notes, Receipts or Coupons of the same Series that are then payable.

12 Trustee not precluded from entering into Contracts

The Trustee and any other person, whether or not acting for itself, may acquire, hold or dispose of any Note, Receipt, Coupon, Talon or other security (or any interest therein) of the Issuer of such Series or any other person, may enter into or be interested in any contract or transaction with any such person and may act on, or as depositary or agent for, any committee or body of holders of any securities of any such person in each case with the same rights as it would have had if the Trustee were not acting as Trustee and need not account for any profit.

13 Modification and Substitution

- 13.1 Modification:** The Trustee may, in respect of each Series, agree without the consent of the Noteholders or Couponholders to any modification to the Conditions or to this Principal Trust Deed or any Supplemental Trust Deed or Swap Agreement which is, in the opinion of the Trustee, of a formal, minor or technical nature or to correct a manifest error. The Trustee may also so agree to any modification to this Principal Trust Deed or any Supplemental Trust Deed or Swap Agreement that is in its opinion not materially prejudicial to the interests of the Noteholders of such Series, but such power does not extend to any such modification as is mentioned in the proviso to paragraph 2 of Schedule 3.

13.2 Substitution:

- 13.2.1** The Trustee may, without the consent of the holders of the Notes, Coupons, Receipts or Talons but subject to the consent of the relevant Swap Counterparty, agree to the substitution, in place of the Issuer, or any previous substituted company, as the principal debtor under this Principal Trust Deed and any Supplemental Trust Deed, any other Security Document, the Notes, Receipts, Coupons and Talons in respect of any one or more series, of any other company (incorporated in any jurisdiction) (the "**Substituted Issuer**"), provided that:
- (i) the outstanding ratings of any Notes issued by the Issuer are not adversely affected as confirmed in writing by the appropriate rating agency;
 - (ii) a deed is executed or an undertaking given by the Substituted Issuer to the Trustee in a form satisfactory to the Trustee, agreeing to be bound by this Principal Trust Deed, any other Security Document, any relevant Supplemental Trust Deed and by the Notes, Receipts, Coupons and Talons of the relevant Series (with any consequential amendments which may be appropriate) as if the Substituted Issuer had been named herein and in the Notes, Receipts, Coupons and Talons of such Series as the principal debtor in place of the Issuer;

- (iii) the Substituted Issuer acquires the Issuer's equity of redemption in the relevant Mortgaged Property (if any) or otherwise assumes all rights, obligations and liabilities in relation to the Mortgaged Property, acknowledges the security created in respect thereof pursuant to the relevant Supplemental Trust Deed, any other Security Document, and takes all such action as the Trustee may require so that each such security constitutes a valid legal charge, pledge or other security interest as was originally created by the Issuer for the obligations of the Substituted Issuer;
- (iv) if any two Directors of the Substituted Issuer certify that the Substituted Issuer will be solvent immediately after the time at which the said substitution is to be effected, the Trustee need not have regard to the financial condition, profits or prospects of such Substituted Issuer or compare the same with those of the Issuer;
- (v) the Trustee is satisfied that (I) all necessary governmental and regulatory approvals and consents necessary for or in connection with the assumption by the Substituted Issuer of liability as principal debtor in respect of, and of its obligations under, the Notes, Receipts, Coupons, Talons and any Swap Agreement have been obtained and (II) such approvals and consents are at the time of substitution in full force and effect;
- (vi) the Issuer and the Substituted Issuer execute and the Issuer procures that the Swap Counterparty executes such other deeds, documents and instruments (if any) as the Trustee may require in order that such substitution is fully effective and complies with such other requirements in the interests of the holders of the Notes, Receipts, Coupons and Talons as the Trustee may direct;
- (vii) in connection with any proposed substitution of the Issuer, the Trustee may, without the consent of the holders of such Notes, Receipts, Coupons or Talons agree to a change of the law from time to time governing the Notes and Coupons and/or this Principal Trust Deed and/or any relevant Supplemental Trust Deed, provided that such change of governing law is not, in the opinion of the Trustee, materially prejudicial to the interests of such Noteholders and Couponholders in respect of the Mortgaged Property; and
- (viii) a legal opinion satisfactory to the Trustee is provided concerning any proposed substitution.

13.2.2 Upon the execution of such documents and compliance with such requirements as are referred to in sub-Clause 13.2.1, the Substituted Issuer shall be deemed to be named as the Issuer in this Principal Trust Deed (insofar as it affects the relevant Series), any other Security Documents, the relevant Supplemental Trust Deed, and the relevant Notes, Receipts, Coupons or Talons, all of which shall thereupon be deemed to be amended in such manner as is necessary to give effect thereto. Agreement by the Trustee to such substitution shall operate to release the Issuer from all of its obligations as principal debtor in respect of the relevant Series under

this Principal Trust Deed, any other Security Document, and the relevant Supplemental Trust Deed. Not later than 14 days after the execution of any such undertaking and such other deeds, documents and instruments as aforesaid and compliance with the said requirements of the Trustee the Substituted Issuer shall, unless the Trustee agrees otherwise, give notice thereof to the relevant Noteholders.

13.3 Change in tax residence: The Trustee may agree to or require, without the consent of the Noteholders or the Couponholders, the change in the place of residence of the Issuer for taxation purposes, provided that:

- 13.3.1 the Trustee is satisfied that (a) all governmental and regulatory approvals and consents necessary for or in connection with the change by the Issuer of its place of tax residence have been obtained and (b) such approvals and consents are at the time of change in full force and effect;
- 13.3.2 the Issuer executes such other deeds, documents and instruments (if any) as the Trustee may require in order that such change in place of tax residence is fully effective and complies with such other requirements in the interest of the Noteholders as the Trustee may direct;
- 13.3.3 in connection with any proposed change in the place of tax residence of the Issuer, the Trustee may, without the consent of the Noteholders or the Couponholders agree to a change of the law from time to time governing such Notes and Coupons and/or this Principal Trust Deed and/or any relevant Supplemental Trust Deed, provided that such change of governing law is not, in the opinion of the Trustee, materially prejudicial to the interests of such Noteholders in respect of the Mortgaged Property;
- 13.3.4 such change shall not adversely affect any existing rating of any Notes issued by the Issuer as confirmed in writing by the appropriate rating agency; and
- 13.3.5 a legal opinion satisfactory to the Trustee is provided concerning any change in the place of tax residence of the Issuer.

13.4 Transfer under the Swap Agreement: In relation to any outstanding Notes which are rated, the Trustee shall agree to a transfer of any Swap Counterparty's rights and obligations under any Swap Agreement in accordance with its terms and shall agree to any amendment to such Swap Agreement to allow such transfer, provided that the transferee Swap Counterparty has obtained a rating for its obligations under such Swap Agreement at least equal to that obtained by the transferor Swap Counterparty in relation to its obligations under such Swap Agreement from Standard & Poor's and/or Moody's and/or Fitch, if applicable, or from any other statistical rating organisation generally recognised by banks, securities houses and investors in the euro-markets.

14 Appointment, Retirement and Removal of the Trustee

14.1 Appointment: The Issuer has the power of appointing new Trustees but no one may be so appointed unless previously approved by an Extraordinary Resolution of the relevant Noteholders (or in respect of a Series where there are Related Notes, the approval of holders of the Controlling Series by Extraordinary Resolution). A trust corporation shall at all times be a Trustee and may be the sole Trustee.

14.2 Retirement and Removal: Any Trustee may retire in respect of any Series at any time on giving at least three months' written notice to the Issuer without giving any reason or being responsible for any costs occasioned by such retirement and the relevant Noteholders may by Extraordinary Resolution (or, in respect of a Series of Notes where there are Related Notes, the holders of the Controlling Series may by Extraordinary Resolution) remove any Trustee provided that the retirement or removal of a sole trust corporation shall not be effective until a trust corporation is appointed as successor Trustee. If a sole trust corporation gives notice of retirement or an Extraordinary Resolution is passed for its removal, the Issuer shall use all reasonable endeavours to procure that another trust corporation be appointed as Trustee and if it does not procure the appointment of a new trustee within 30 days of the expiry of the Trustee notice referred to in this Clause, the Trustee shall be entitled to procure forthwith a new trustee acting on the same or substantially the same terms at the Trustee.

14.3 Co-Trustees: The Trustee may, despite sub-Clause 14.1, by written notice to the Issuer appoint anyone to act as an additional trustee jointly with the Trustee:

14.3.1 if the Trustee considers the appointment to be in the interests of the Noteholders and/or the Couponholders;

14.3.2 to conform with a legal requirement, restriction or condition in a jurisdiction in which a particular act is to be performed; or

14.3.3 to obtain a judgment or to enforce a judgment or any provision of this Principal Trust Deed or any Supplemental Trust Deed in any jurisdiction.

Subject to the provisions of this Principal Trust Deed and/or any relevant Supplemental Trust Deed the Trustee may confer on any person so appointed such functions as it thinks fit. The Trustee may by written notice to the Issuer and that person, remove that person. At the Trustee's request, the Issuer shall forthwith do all things as may be required to perfect such appointment or removal and it irrevocably appoints the Trustee as its attorney in its name and on its behalf to do so.

14.4 Competence of a Majority of Trustees: If there are more than two Trustees the majority of them shall be competent to perform the Trustee's functions provided the majority includes a trust corporation.

14.5 Merger: Any corporation into which the Trustee may be merged or converted, any corporation with which the Trustee may be consolidated, amalgamated or any corporation resulting from any merger, amalgamation, conversion or consolidation to which the Trustee shall be a party, any corporation to which the Trustee shall sell or otherwise transfer all or substantially all of its assets or any corporation to which the Trustee shall sell or otherwise transfer all or substantially all of its corporate trust business, shall, to the extent permitted by applicable law, be the relevant successor Trustee under this Principal Trust Deed without the execution or delivery of any papers or any further act on the part of the parties hereto whereupon the Issuer and such successor shall acquire and become subject to the same rights and obligations between themselves as if they had entered into an agreement in the form *mutatis mutandis* of this Principal Trust Deed. Notice of any such merger, amalgamation, conversion, consolidation, sale or transfer shall forthwith be given by the Trustee to the Issuer and, as soon as practicable, to the Noteholders in accordance with Condition 14.

15 Notes held in Clearing Systems and Couponholders

15.1 Notes held in Clearing Systems: If, and so long as, any Global Note is, or any Notes represented by a Global Certificate are, held on behalf of a clearing system, in considering the interests of Noteholders, the Trustee may have regard to any information provided to it by such clearing system or its operator as to the identity (either individually or by category) of its accountholders or participants with entitlements to any such Global Note or the Registered Notes and may consider such interests on the basis that such accountholders or participants were the holder(s) thereof.

15.2 Couponholders: No notices need be given to Couponholders. They shall be deemed to have notice of the contents of any notice given to Noteholders. Even if it has express notice to the contrary, in exercising any of its functions by reference to the interests of the Noteholders, the Trustee shall assume that the holder of each Note is the holder of all Receipts, Coupons and Talons relating to it.

16.2 Extent of Discharge: An amount received or recovered in a currency other than the Contractual Currency (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the insolvency, winding-up or dissolution of the Issuer or otherwise), by the Trustee or any Noteholder or Couponholder in respect of any sum expressed to be due to it from the Issuer shall only discharge the Issuer to the extent of the Contractual Currency amount that the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so).

16.3 Indemnity: If that Contractual Currency amount is less than the Contractual Currency amount expressed to be due to the recipient under the Trust Deed, the Notes, the Receipts or the Coupons, the Issuer shall indemnify it against any loss sustained by it as a result. In any event, the Issuer shall indemnify the recipient against the cost of making any such purchase.

16.4 Indemnity Separate: The indemnities in this Clause 16 and in sub-Clauses 8.4 and 9.17 constitute separate and independent obligations from the other obligations in this Trust Deed, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by the Trustee and/or any Noteholder or Couponholder or Swap Counterparty and shall continue in full force and effect despite any judgment, order, claim or proof for a liquidated amount in respect of any sum due under this Trust Deed, the Notes, the Receipts and/or the Coupons or any other judgment or order.

The Issuer irrevocably submits to the jurisdiction of such courts and waives any objections to Proceedings in such courts on the ground of venue or on the ground that the Proceedings have been brought in an inconvenient forum. This submission is for the benefit of the Trustee and the holders of Notes, Receipts, Coupons and Talons and shall not limit the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

20.3 Service of Process: The Issuer irrevocably appoints Lehman Brothers International (Europe) to receive, for it and on its behalf, service of process in any Proceedings in England. Such service shall be deemed completed on delivery to such process agent (whether or not it is forwarded to and received by the Issuer). If for any reason such process agent ceases to be able to act as such or no longer has an address in England the Issuer irrevocably agrees to appoint a substitute process agent acceptable to the Trustee and shall immediately notify the Trustee of such appointment. Nothing shall affect the right to serve process in any other manner permitted by law.

Temporary Global Note No: []

This Temporary Global Note is issued in respect of the Notes (the “**Notes**”) of the Tranche(s) and Series specified in the Second Schedule hereto of [Specified Company] (the “**Issuer**”).

15 Interpretation and Definitions

References in this Global Note to the “**Conditions**” are to the Terms and Conditions applicable to the Notes (which are in the form set out in Schedule 2 Part C to the principal trust deed dated 10 October 2002 between the Issuer and BNY Corporate Trustee Services Limited as Trustee as amended and restated on 18 July 2008 (the “**Principal Trust Deed**”) (as amended or supplemented by the Supplemental Trust Deed dated the date hereof (the Principal Trust Deed and the Supplemental Trust Deed together being the “**Trust Deed**”)), as such form is supplemented and/or modified and/or superseded by the provisions of this Temporary Global Note (including the supplemental definitions and any modifications or additions set out in the Schedule hereto), which in the event of any conflict shall prevail). Other capitalised terms used in this Temporary Global Note shall have the meanings given to them in the Conditions or the Trust Deed.

16 Aggregate Principal Amount

The aggregate principal amount from time to time of this Temporary Global Note shall be an amount equal to the aggregate principal amount of the Notes from time to time entered in the records of both Euroclear and Clearstream, Luxembourg (together the “**ICSDs**” and “**ICSD**” means either one of them), which shall be completed and/or amended, as the case may be, upon (i) the issue of the Notes represented hereby, (ii) the exchange of the whole or a part of this Temporary Global Note for a corresponding interest recorded in the records of the ICSDs in a Permanent Global Note or Registered Notes, (iii) the redemption or purchase and cancellation of Notes represented hereby and/or (iv) in the case of partly-paid

The records of the ICSDs (which expression in this Temporary Global Note means the records that each ICSD holds for its customers which reflect the amount of such customers' interests in the Notes but excluding any interest in any Notes of one ICSD shown in the records of another ICSD) shall be conclusive evidence of the aggregate principal amount outstanding of the Notes represented by this Temporary Global Note and, for these purposes, a statement issued by an ICSD (which statement shall be made available to the bearer upon request) stating the aggregate principal amount of outstanding Notes represented by this Temporary Global Note at any time shall be conclusive evidence of the records of such at that time.

17 Promise to Pay

Subject as provided herein, the Issuer, for value received, hereby promises to pay to the bearer of this Temporary Global Note, upon presentation and (when no further payment is due in respect of this Temporary Global Note) surrender of this Temporary Global Note, on the Maturity Date (or on such earlier date as the Redemption Amount may become repayable in accordance with the Conditions) the Redemption Amount in respect of the aggregate principal amount of Notes represented by this Temporary Global Note and (unless this Temporary Global Note does not bear interest) to pay interest in respect of such aggregate principal amount of Notes from the Interest Commencement Date in arrear at the rates, in the amounts and on the dates for payment provided for in the Conditions together with such other sums and additional amounts (if any) as may be payable under the Conditions, in accordance with the Conditions.

18 Exchange

If this Temporary Global Note is an Exchangeable Bearer Note, this Temporary Global Note may be exchanged in whole or from time to time in part for one or more Registered Notes in accordance with the Conditions on or after the Issue Date but before the Exchange Date (as defined below) by its presentation to the Issuing and Paying Agent. On or after the Exchange Date, the outstanding principal amount of this Temporary Global Note may be exchanged in accordance with the next paragraph.

Subject as provided in the Conditions applicable to Partly-paid Notes, on or after the first day following the expiry of 40 days after the Issue Date (the "**Exchange Date**"), this Temporary Global Note may be exchanged (free of charge to the holder) in whole or from time to time in part by its presentation and, on exchange in full, surrender to or to the order of the Issuing and Paying Agent for interests recorded in the records of the ICSDs in a Permanent Global Note and (if this Temporary Global Note is an Exchangeable Bearer Note), in each case, for Registered Notes in an aggregate principal amount equal to the principal amount of this Temporary Global Note submitted for exchange; provided that, there shall have been Certification with respect to such principal amount submitted for such Certification (as defined below) with respect to such principal amount submitted for such exchange dated no earlier than the Exchange Date.

"**Certification**" means the presentation to the Issuing and Paying Agent of a certificate or certificates with respect to one or more interests in this Temporary Global Note, signed by Euroclear or Clearstream, Luxembourg, substantially to the effect set out in Schedule 4 to the Agency Agreement to the effect that it has received a certificate or certificates

substantially to the effect set out in Schedule 3 to the Agency Agreement with respect thereto and that no contrary advice as to the contents thereof has been received by Euroclear or Clearstream, Luxembourg, as the case may be.

Upon the whole or a part of this Temporary Global Note being exchanged for a Permanent Global Note, such Permanent Global Note shall be exchangeable in accordance with its terms for Definitive Notes or Registered Notes.

The Definitive Notes or the Certificates representing the Registered Notes for which this Temporary Global Note or a Permanent Global Note may be exchangeable shall be duly executed and authenticated, shall, in the case of Definitive Notes, have attached to them all Coupons (and, where appropriate, Talons) in respect of interest, and all Receipts in respect of Instalment Amounts, that have not already been paid on this Temporary Global Note or the Permanent Global Note, as the case may be, shall be security printed or, in the case of Certificates, printed in accordance with applicable legal and stock exchange requirements and shall be substantially in the form set out in the Schedules to the Trust Deed as supplemented and/or modified and/or superseded by the terms of the Schedule hereto.

Certificates issued upon exchange for Registered Notes shall not be Global Certificates unless the holder so requests and certifies to the Issuing and Paying Agent that it is, or is acting as a nominee for, Clearstream, Luxembourg, Euroclear and/or any other clearing system.

On any exchange of a part of this Temporary Global Note for an equivalent interest recorded in the records of the ICSDs in a Permanent Global Note or for Registered Notes, as the case may be, the portion of the principal amount hereof so exchanged shall by or on behalf of the Issuing and Paying Agent be entered *pro rata* in the records of the ICSDs, whereupon the principal amount of the Notes recorded in the records of the ICSDs and represented by this Temporary Global Note shall be reduced by an amount equal to such portion so exchanged.

19 Benefit of Conditions

Except as otherwise specified herein, this Temporary Global Note is subject to the Conditions and the Trust Deed and, until the whole of this Temporary Global Note is exchanged for Definitive Notes or Registered Notes, the holder of this Temporary Global Note shall in all respects be entitled to the same benefits as if it were the holder of the Permanent Global Note (or the relevant part of it) for which it may be exchanged and as if such Permanent Global Note had been issued on the Issue Date.

20 Payments

No person shall be entitled to receive any payment in respect of the Notes represented by this Temporary Global Note that falls due after an Exchange Date for such Notes, unless it upon due presentation of this Temporary Global Note for exchange, delivery (or, in the case of a subsequent exchange, a corresponding entry being recorded in the records of the relevant Clearing Systems) a Permanent Global Note or delivery of Certificates is improperly withheld or refused by or on behalf of the Issuer or the Issuer does not perform or comply with any of its obligations under the Permanent Global Note.

Payments due in respect of this Temporary Global Note before the Exchange Date shall only be made in relation to such principal amount of this Temporary Global Note with

respect to which there shall have been Certification dated no earlier than such due date for payment.

Upon any payment being made in respect of the Notes represented by this Temporary Global Note, the Issuer shall procure that details of such payment shall be entered *pro rata* in the records of the ICSDs and in the case of any payment of principal, or, in the case of Instalment Notes, payment of an Instalment Amount, the principal amount of the Notes recorded in the records of the ICSDs and represented by this Temporary Global Note shall be reduced by the aggregate principal amount so paid or by the aggregate amount of the Instalment Amount so paid.

Payments due in respect of Notes for the time being represented by this Temporary Global Note, shall be made to the bearer of this Temporary Global Note and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries referred to above shall not affect such discharge.

21 Cancellation

Cancellation of any Note represented by this Temporary Global Note that is required by the Conditions to be cancelled (other than upon its redemption) shall be effected by reduction in the principal amount of this Temporary Global Note representing such Note to be entered *pro rata* in the records of the ICSDs, whereupon the principal amount of the Notes recorded in the records of the ICSDs and represented by this Temporary Global Note shall be reduced by the aggregate principal amount of the Notes so cancelled.

Notwithstanding Condition 14, notices in respect of the Notes represented by this Temporary Global Note may be given by their being delivered (so long as this Temporary Global Note is deposited with the Common Safekeeper) to Euroclear, Clearstream, Luxembourg or such other permitted clearing system, as the case may be.

No provisions of this Temporary Global Note shall alter or impair the obligation of the Issuer to pay the principal and premium of and interest on the Notes when due in accordance with the Conditions. This Temporary Global Note shall not be valid or become obligatory for any purpose until authenticated by or on behalf of the Issuing and Paying Agent and until effectuated for and on behalf of the Common Safekeeper. This Temporary Global Note shall be governed by and construed in accordance with the laws of England.

26 Exchange

This Global Note is exchangeable (free of charge to the holder) on or after the Exchange Date in whole but not, except as provided in the next paragraph, in part for Definitive Notes or (if this Global Note is an Exchangeable Bearer Note) Registered Notes represented by the Certificates described below:

In the case of a partial exercise of an option, the rights of accountholders with a clearing system in respect of the Notes will be governed by the standard procedures of Euroclear and/or Clearstream, Luxembourg and shall be reflected in the records of Euroclear and/or Clearstream, Luxembourg as either a pool factor or a reduction in principal amount, at their discretion. Following the exercise of any such option, the Issuer shall procure that the principal amount of the Notes recorded in the records of the ICSDs and represented by this Global Note shall be reduced accordingly.

34 Noteholders' Options

- (e) the holder of this Global Note is and shall be absolutely entitled as against all previous holders to receive all amounts by way of Redemption Amount interest or otherwise payable in respect of this Global Note and the Issuer has waived against such holder and any previous holder of this Global Note all rights of set-off or counterclaim that would or might otherwise be available to it in respect of the obligations evidenced by this Global Note; and
- (f) payment upon due presentation of this Global Note as provided herein shall operate as a good discharge against such holder and all previous holders of this Global Note.

No provisions of this Global Note shall alter or impair the obligation of the Issuer to pay the principal and premium of and interest on the Notes when due in accordance with the Conditions.

Schedule 2
Part C
TERMS AND CONDITIONS OF THE NOTES

The following is the text of the terms and conditions that, subject to completion and amendment and as supplemented or varied in accordance with, or replaced by, the provisions of the relevant Final Terms in relation to a particular Series of Notes, shall be applicable to the Notes in definitive form (if any) issued in exchange for the Global Note(s) representing each Series. Either (i) the full text of these terms and conditions together with the relevant provisions of the Final Terms or (ii) these terms and conditions, as so completed, amended, supplemented or varied (and subject to simplification by the deletion of non-applicable provisions), shall be endorsed on such Bearer Notes or on the Certificates relating to such Registered Notes. All capitalised terms that are not defined in these Conditions will have the meanings given to them in the Principal Trust Deed and/or the relevant Supplemental Trust Deed. Those definitions will be endorsed on the Definitive Notes or Certificates, as the case may be. References in the conditions to "Notes" are to the Notes of one Series of a relevant Issuer only, not to all Notes that may be issued under the Programme and references to the "Issuer" are to the Specified Company that is stipulated as such in the relevant Final Terms.

These Conditions may be amended, modified, varied or replaced in relation to any Series of Notes by the terms of the relevant Supplemental Trust Deed in relation to such Series. Italicised text set out herein does not form part of the Conditions and is set out for information purposes only.

The Notes are constituted and secured by a relevant supplemental trust deed (the "**relevant Supplemental Trust Deed**"), dated the date of issue of the Notes (the "**Issue Date**"), between the Issuer, BNY Corporate Trustee Services Limited (the "**Trustee**", which expression shall include all persons for the time being the trustee or trustees under the Trust Deed (as defined below)) as trustee for, *inter alia*, the Noteholders (as defined below) and, if applicable, the person specified therein as a Swap Counterparty (as defined in Condition 3(a)). The relevant Supplemental Trust Deed is supplemental to a principal trust deed dated 10 October 2002 as amended and restated on 18 July 2008 and made between Dante Finance plc (the "**First Issuer**") and the Trustee (the "**Principal Trust Deed**", which expression shall include any amendments or supplements thereof and together with the relevant Supplemental Trust Deed, the "**Trust Deed**"). These terms and conditions include summaries of, and are subject to, the detailed provisions of the Trust Deed, which includes the form of the Bearer Notes, Certificates, Receipts, Coupons and Talons referred to below. An agency agreement dated 10 October 2002 as amended and restated on 18 July 2008 has been entered into in relation to the Notes between the First Issuer, the Trustee, The Bank of New York Mellon (formerly known as The Bank of New York) as, *inter alia*, initial issuing and paying agent and as custodian and account bank and the other agents named in it (as amended or supplemented as at the Issue Date, the "**Agency Agreement**"). The issuing and paying agent, the custodian, the account bank, the paying agents, the registrar, the transfer agents and the calculation agent(s) for the time being (if any) are referred to below respectively as the "**Issuing and Paying Agent**", the "**Custodian**", the "**Account Bank**", the "**Paying Agents**" (which expression shall include the Issuing and Paying Agent), the "**Registrar**", and the "**Transfer Agents**" (which expression shall include the Registrar). A Programme Agreement dated 10 October 2002 as amended and restated on 18 July 2008 has been entered into in relation to the Notes between the First Issuer and Lehman Brothers International (Europe) as Dealer (the "**Dealer**") and where appropriate as Arranger (the "**Arranger**") in relation to a particular Series, the Trustee, the Issuing and Paying Agent and Registrar (the "**Programme Agreement**"). The Issuer (save for the First Issuer) has acceded to the Principal Trust Deed, the Agency Agreement and the

Programme Agreement pursuant to a Deed of Accession dated on or before the Issue Date. Copies of the Principal Trust Deed, the Agency Agreement and the Programme Agreement are available for inspection during usual business hours at the principal office of the Trustee (at present at One Canada Square, London E14 5AL) and at the specified offices of the Paying Agents and the Transfer Agents.

The Noteholders, the holders (the "**Couponholders**") of the interest coupons (the "**Coupons**") appertaining to interest bearing Bearer Notes and, where applicable in the case of such Notes, talons for further Coupons (the "**Talons**") and the holders of the receipts for the payment of instalments of principal (the "**Receipts**") relating to Bearer Notes of which the principal is payable in instalments are entitled to the benefit of, are bound by, and are deemed to have notice of, all the provisions of the Trust Deed and are deemed to have notice of those provisions applicable to them of the Agency Agreement and the Programme Agreement.

Under the Principal Trust Deed the Issuer may also borrow under, buy, sell or enter into other secured obligations in the form of loans ("**Loans**"), options ("**Options**"), schuldscheine ("**Schuldscheine**") or swaps ("**Swaps**") (each, including the obligations under the Notes, an "**Obligation**").

References in these Conditions to "**Mortgaged Property**" are to the assets and agreements comprising the mortgaged property upon which the Notes are secured as described in the Final Terms.

Full details of the relevant Mortgaged Property will be set out in the relevant Final Terms.

If so specified in the relevant Supplemental Trust Deed, the Issuer has, in relation to the Notes, entered into one or more derivative transactions confirmed in a Swap Agreement (as defined in Condition 3(a)) with a Swap Counterparty with an effective date as of the Issue Date.

1 Form, Denomination and Title

The Notes are issued in bearer form ("**Bearer Notes**", which expression includes Notes that are specified to be Exchangeable Bearer Notes), in registered form ("**Registered Notes**") or in bearer form exchangeable for Registered Notes ("**Exchangeable Bearer Notes**") in each case in the denomination(s) shown thereon provided that in the case of any Notes which are to be admitted to trading on a regulated market within the European Economic Area or offered to the public in a Member State of the European Economic Area in circumstances which require the publication of a prospectus under the Prospectus Directive (Directive 2003/71/EC), the minimum denomination shall be €50,000 (or its equivalent in any other currency as at the date of issue of those Notes).

All Registered Notes shall have the same denomination. Where Exchangeable Bearer Notes are issued, the Registered Notes for which they are exchangeable shall have the same denomination as the lowest denomination of Exchangeable Bearer Notes.

Bearer Notes are serially numbered and are issued with Coupons (and, where appropriate, a Talon) attached, save in the case of Notes that do not bear interest in which case references to interest (other than in relation to interest due after the Maturity Date (as defined in the relevant Final Terms)), Coupons and Talons in these Conditions are not applicable. Any Bearer Note the principal amount of which is redeemable in instalments is issued with one or more Receipts attached.

Registered Notes are represented by registered certificates ("**Certificates**") and, save as provided in Condition 2(c), each Certificate shall represent the entire holding of Registered Notes by the same holder.

Title to the Bearer Notes and the Receipts, Coupons and Talons shall pass by delivery. Title to the Registered Notes shall pass by registration in the register that the Issuer shall procure to be kept by the Registrar in accordance with the provisions of the Agency Agreement (the "**Register**"). Except as ordered by a court of competent jurisdiction or as required by law, the holder (as defined below) of any Note, Receipt, Coupon or Talon shall be deemed to be and may be treated as its absolute owner for all purposes whether or not it is overdue and regardless of any notice of ownership, trust or an interest in it, any writing on it (or on the Certificate representing it) or its theft or loss (or that of the related Certificate) and no person shall be liable for so treating the holder.

In these Conditions, "**Noteholder**" means the bearer of any Bearer Note and the Receipts relating to it or the person in whose name a Registered Note is registered (as the case may be), "**holder**" (in relation to a Note, Receipt, Coupon or Talon) means the bearer of the Bearer Note, Receipt, Coupon or Talon or the person in whose name a Registered Note is registered (as the case may be) and capitalised terms have the meanings given to them herein, the absence of any such meaning indicating that such term is not applicable to the Notes.

2 Exchanges of Exchangeable Bearer Notes and Transfers of Registered Notes

(a) *Exchange of Exchangeable Bearer Notes*

Subject as provided in Condition 2(f), Exchangeable Bearer Notes may be exchanged for the same principal amount of Registered Notes at the request in writing of the relevant Noteholder and upon surrender of each Exchangeable Bearer Note to be exchanged, together with all unmatured Receipts, Coupons and Talons relating to it, at the specified office of any Transfer Agent; provided, however, that where an Exchangeable Bearer Note is surrendered for exchange after the Record Date (as defined in Condition 7(b)) for any payment of interest, the Coupon in respect of that payment of interest need not be surrendered with it. Registered Notes may not be exchanged for Bearer Notes. Bearer Notes of one denomination may not be exchanged for Bearer Notes of another denomination. Bearer Notes that are not Exchangeable Bearer Notes may not be exchanged for Registered Notes.

(b) *Transfer of Registered Notes*

One or more Registered Notes may be transferred upon the surrender (at the specified office of the Registrar or any Transfer Agent) of the Certificate representing such Registered Notes to be transferred, together with the form of transfer endorsed on such Certificate duly completed and executed and any other evidence as the Registrar or Transfer Agent may reasonably require. In the case of a transfer of part only of a holding of Registered Notes represented by one Certificate, a new Certificate shall be issued to the transferee in respect of the part transferred and a further new Certificate in respect of the balance of the holding not transferred shall be issued to the transferor. All transfers of Notes and entities on the Register will be made in accordance with the detailed regulations concerning transfers of Notes scheduled to the Agency Agreement. The regulations may be changed by the Issuer, with the prior written approval of the Registrar and the Trustee. A copy of the

current regulations will be made available by the Registrar to any Noteholder upon request.

(c) *Exercise of Options or Partial Redemption in Respect of Registered Notes*

In the case of an exercise of an Issuer's option in respect of, or a partial redemption of, a holding of Registered Notes represented by a single Certificate, a new Certificate shall be issued to the holder to reflect the exercise of such option or in respect of the balance of the holding not redeemed. In the case of a partial exercise of an option resulting in Registered Notes of the same holding having different terms, separate Certificates shall be issued in respect of those Notes of that holding that have the same terms. New Certificates shall only be issued against surrender of the existing Certificates to the Registrar or any Transfer Agent.

(d) *Delivery of New Certificates*

Each new Certificate to be issued pursuant to Conditions 2(a), (b) or (c) shall be available for delivery within five business days of receipt of the request for exchange, form of transfer or Exercise Notice or surrender of the Certificate for exchange. Delivery of the new Certificate(s) shall be made at the specified office of the Registrar or of the Transfer Agent (as the case may be) to whom delivery or surrender of such request for exchange, form of transfer, Exercise Notice or Certificate shall have been made or, at the option of the holder making such delivery or surrender as aforesaid and as specified in the relevant request for exchange, form of transfer, Exercise Notice or otherwise in writing, be mailed by uninsured post at the risk of the holder entitled to the new Certificate to such address as may be so specified, unless such holder requests otherwise and pays in advance to the Registrar or Transfer Agent the costs of such other method of delivery and/or such insurance as it may specify. In this Condition 2(d), "business day" means a day, other than a Saturday or Sunday, on which banks are open for business in the place of the specified office of the relevant Transfer Agent or the Registrar, as the case may be.

(e) *Exchange Free of Charge*

Exchange and transfer of Notes and Certificates on registration, transfer, exercise of an option or partial redemption shall be effected without charge by or on behalf of the Issuer, the Registrar or the Transfer Agents, but upon payment of any tax or other governmental charges that may be imposed in relation to it (or the giving of such indemnity as the Registrar or the relevant Transfer Agent may require).

(f) *Closed Periods*

No Noteholder may require the transfer of a Registered Note to be registered or an Exchangeable Bearer Note to be exchanged for one or more Registered Note(s) (i) during the period of 15 days ending on the due date for redemption of, or payment of any Instalment Amount (as defined in the relevant Final Terms) in respect of, that Note, (ii) during the period of 15 days prior to any date on which Notes may be called for redemption by the Issuer at its option pursuant to Condition 6(e), (iii) after any such Note has been called for redemption or (iv) during the period of seven days ending on (and including) any Record Date. An Exchangeable Bearer Note called for redemption may, however, be exchanged for one or more Registered

Note(s) in respect of which the Certificate is simultaneously surrendered not later than the relevant Record Date.

3 Status and Non-applicability

(a) *Status of Notes*

The Notes are secured, limited-recourse obligations of the Issuer, ranking *pari passu* without any preference or priority amongst themselves (except in the case of Notes with Related Notes in respect of which a Series of Notes may rank senior or junior for the purposes of rights over the Mortgaged Property), and are secured in the manner described in Condition 4(f) and Condition 11. In connection with the issue of the Notes there may be executed one or more derivative agreements (each a **"Swap Agreement"**) between the Issuer and one or more swap counterparties (each a **"Swap Counterparty"**) and one or more credit enhancement agreements (each a **"Credit Enhancement Agreement"**) as further described in the relevant Supplemental Trust Deed.

In the case of Notes with Related Notes, details of the Notes' relationship with the relevant Related Notes will be set out in the relevant Final Terms or the relevant Supplemental Trust Deed including (to the extent relevant in the context of the Notes), without limitation, in relation to the following issues: (i) the Mortgaged Property over which such Notes and Related Notes are secured, (ii) events of default, (iii) meetings of Noteholders, (iv) fungible issues, (v) conflicts between the interests of the Noteholders and the relevant Related Noteholders and the duties of the Trustee as Trustee for holders of the Notes and as Trustee for holders of the relevant Related Notes and (vi) realisation of the Mortgaged Property.

If so specified in the relevant Final Terms prior to the security over the Mortgaged Property becoming enforceable in accordance with the Trust Deed and the Conditions, certain amounts received by the Issuer in connection with the Collateral and/or any Swap Agreement or otherwise will be applied in such manner and order of priority (if any) as may be specified in the relevant Final Terms.

For these purposes and unless otherwise provided:

"Related Notes" means the outstanding Notes of any other Series which shares the same Mortgaged Property as the Notes and which was issued as part of the same transaction.

"Related Noteholders" means the holders of Related Notes.

(b) *Non-applicability*

Where no reference is made in the relevant Supplemental Trust Deed to any Swap Agreement or Credit Enhancement Agreement, references in these Terms and Conditions to any such document or agreement and to any Swap Counterparty, as the case may be, shall not be applicable.

4 Mortgaged Property, Realisation of Mortgaged Property and Restrictions

(a) *Mortgaged Property*

The Notes will be secured pursuant to the relevant Supplemental Trust Deed. The form of the Mortgaged Property may comprise some or all of the assets and assignments set out below.

(b) *Secured Assets*

The obligations of the Issuer under the Trust Deed, the Notes and the Coupons are secured by a first fixed charge over certain bonds, warrants, notes, receivables or equity securities of any form, denomination, type or issuer, monoline guarantees, options, swaps, loans or any other financial obligations assigned to or assumed by the Issuer or any other agreed assets owned by the Issuer as specified in the relevant Supplemental Trust Deed (the “**Collateral**”) and a first fixed charge on all funds held from time to time by the Custodian and/or the Account Bank and/or by the Issuing and Paying Agent and/or the Registrar for payment of principal and interest on the Notes or of amounts due under the Swap Agreement. If so specified in the relevant Supplemental Trust Deed, the obligations of the Issuer under any Swap Agreement are also secured by a first fixed charge over the Collateral. Unless otherwise specified in the relevant Supplemental Trust Deed, the Collateral is held by the Custodian or the Account Bank on behalf of the Issuer subject to the charges set out in the Trust Deed. If so specified in the relevant Supplemental Trust Deed, under the terms of the relevant Swap Agreement the Swap Counterparty may require all or part of the Collateral to be transferred to it as security for the performance of the Issuer’s obligations to the Swap Counterparty under the terms of the Swap Agreement on terms that the Swap Counterparty will be required to return equivalent collateral or the market value thereof to the Issuer on or before the termination of such Swap Agreement (subject to any enforcement of such security). In such circumstances the security over the Collateral in respect of the Issuer’s obligations under the Trust Deed, the Notes and the Coupons will be over the Issuer’s rights against the Swap Counterparty in relation to the Collateral as aforesaid.

If so specified in the relevant Supplemental Trust Deed, the Issuer’s obligations under the Trust Deed, the Notes and the Coupons are also secured by an assignment by way of security of the Issuer’s rights under the Swap Agreement and/or the Credit Enhancement Agreement in favour of the Trustee for itself and for the benefit of the holders of the Notes, Coupons and Receipts.

Additionally, the obligations of the Issuer may be secured pursuant to a security document other than the Trust Deed (an “**Other Security Document**”) as specified in the relevant Supplemental Trust Deed.

The Trustee shall (subject to the provisions of the relevant Supplemental Trust Deed and to sub-Clause 6.3 of the Principal Trust Deed) apply all moneys received by it under the provisions of the Principal Trust Deed and the relevant Supplemental Trust Deed in connection with the realisation or enforcement of the security constituted thereby and by any relevant Other Security Document:

- (i) if “Swap Counterparty Priority” is specified in the relevant Supplemental Trust Deed:*
 - (a) first, in payment or satisfaction of the fees, costs, charges, expenses and liabilities incurred by the Trustee or any receiver in preparing and executing the trusts in the Trust Deed (including any*

taxes required to be paid, the costs of realising any security and the Trustee's remuneration);

- (b) secondly, in meeting claims of the Paying Agents and/or the Custodian and/or the Account Bank and/or the Transfer Agents for reimbursement in respect of payments properly made to any person in discharge of an Obligation;
- (c) thirdly, rateably in meeting the claims (if any) of the Swap Counterparty under the relevant Swap Agreement(s);
- (d) fourthly, rateably in meeting the claims (if any) of the holders of Notes, Coupons and Receipts. If the moneys received by the Trustee are not enough to pay such amounts in full, the Trustee shall apply them *pro rata* on the basis of the amount due to each party entitled to such payment; and
- (e) fifthly, in payment of the balance (if any) to the Issuer,

provided that, if "Swap Counterparty Priority" is expressed in the relevant Supplemental Trust Deed and Final Terms to be subject to adjustment on a Swap Counterparty default, and if and to the extent that the Swap Counterparty fails to make payments due to the Issuer under any Swap Agreement and the Issuer promptly notifies the Trustee in writing of any such failure (which notice shall be conclusive and binding), the above application of moneys shall be amended so that the claims of the Swap Counterparty will, to the extent that there has been such failure, rank after the claims (if any) of the holders of Notes, Coupons and Receipts and before the claims of the Issuer in relation to the balance (if any).

(ii) *if "Pari Passu Ranking" is specified in the relevant Supplemental Trust Deed:*

- (a) first, in payment or satisfaction of the fees, costs, charges, expenses and liabilities incurred by the Trustee or any receiver in preparing and executing the trusts in the Trust Deed (including any taxes required to be paid, the costs of realising any security and the Trustee's remuneration);
- (b) secondly, in meeting claims of the Paying Agents and/or the Custodian and/or the Account Bank and/or the Transfer Agents for reimbursement in respect of payments properly made to any person in discharge of an Obligation;
- (c) thirdly, rateably in meeting the claims (if any) of the Swap Counterparty under the relevant Swap Agreement(s) and the holders of Notes, Coupons and Receipts. If the moneys received by the Trustee are not enough to pay such amounts in full, the Trustee shall apply them *pro rata* on the basis of the amount due to each party entitled to such payment; and
- (d) fourthly, in payment of the balance (if any) to the Issuer.

(iii) *if "Noteholder Priority" is specified in the relevant Supplemental Trust Deed:*

- (a) first, in payment or satisfaction of the fees, costs, charges, expenses and liabilities incurred by the Trustee or any receiver in preparing and executing the trusts in the Trust Deed (including any taxes required to be paid, the costs of realising any security and the Trustee's remuneration);
 - (b) secondly, in meeting claims of the Paying Agents and/or the Custodian and/or the Account Bank and/or the Transfer Agents for reimbursement in respect of payments properly made to any person in discharge of an Obligation;
 - (c) thirdly, rateably in meeting the claims (if any) of the holders of Notes, Coupons and Receipts. If the moneys received by the Trustee are not enough to pay such amounts in full, the Trustee shall apply them pro rata on the basis of the amount due to each party entitled to such payment;
 - (d) fourthly, in meeting the claims (if any) of the Swap Counterparty under the relevant Swap Agreement(s); and
 - (e) fifthly, in payment of the balance (if any) to the Issuer.
- (iv) if "Other Priority" is specified in the relevant Supplemental Trust Deed and Final Terms, the Trustee shall apply all moneys received by it under the provisions of the Principal Trust Deed and the relevant Supplemental Trust Deed in connection with the realisation or enforcement of the security constituted thereby, as set out in the relevant Supplemental Trust Deed and the relevant Final Terms.

The applicable priority and ranking provisions in respect of each Series of Notes will be disclosed in the relevant Final Terms.

To the extent that a Swap Counterparty fails to make payments due to the Issuer under any relevant Swap Agreement, the Issuer would be unable to meet its obligations when due in respect of the Notes. In such event the Swap Agreement would be terminated and the Notes would become repayable together with interest accrued in accordance with Condition 10.

(c) Shareholdings

Details of the issued shares and the shareholders of the Issuer are as set out in the Issuer Disclosure Annex.

(d) Swap Agreement(s)

If specified in the relevant Supplemental Trust Deed, the Issuer has entered into one or more Swap Agreements with the Swap Counterparty under which:

- (i) the Issuer will (subject to the terms thereof) make payments to the Swap Counterparty, on receipt by the Issuer of sums receivable by the Issuer on the Mortgaged Property; and
- (ii) the Swap Counterparty will make payments towards or equal to the obligations of the Issuer in respect of amounts due on the Notes.

The terms of each Swap Agreement will, if applicable, be set out in the relevant Final Terms.

Swap Agreements may provide that the Swap Counterparty may transfer its rights and obligations under a Swap Agreement, as described in the relevant Supplemental Trust Deed, provided that, in relation to Notes that are rated by a rating agency, such transfer shall not adversely affect any existing rating of the Notes of that Series as confirmed in writing by the relevant rating agency. The Trust Deed provides that, subject as provided therein, the Trustee shall agree to a transfer of the Swap Counterparty's rights and obligations under such Swap Agreement and shall agree to any amendment to such Swap Agreement to allow such transfer in such circumstances.

(e) *Disposal Agent*

If so specified in the relevant Supplemental Trust Deed, the Disposal Agent will act as disposal agent in relation to the disposal of the Collateral. Unless otherwise provided in the relevant Supplemental Trust Deed, the Disposal Agent may itself make an offer to purchase the Collateral.

(f) *Realisation of the Mortgaged Property upon Enforcement*

For each Series, the security over the Mortgaged Property shall become enforceable if (i) any amount due in respect of the Notes is not paid or delivered when due or (ii) a Swap Agreement terminates with sums due to the Swap Counterparty. In addition, if part of the principal amount of the Notes of such Series is mandatorily redeemed under Condition 6(c), the security created over that part of the Mortgaged Property which relates to such Notes and with respect to any part of a Swap Agreement to that Series which terminates as a result of such redemption shall become enforceable. In such event, references herein to the Trustee exercising powers of enforcement of such security shall be read accordingly.

In the event of the security over the Mortgaged Property constituted under the relevant Supplemental Trust Deed or by an Other Security Document becoming enforceable either in whole or in part, the Trustee may at its discretion and shall if so required in writing by the holders of at least one fifth in aggregate principal amount of the Notes (or, in respect of a Series of Notes where there are Related Notes, if so required in writing by the holders of at least one fifth in aggregate principal amount of the Controlling Series) then outstanding (as defined in the Trust Deed) or if so directed by an Extraordinary Resolution (as defined in the Trust Deed) of the holders of the Notes (or, in respect of a Series of Notes where there are Related Notes, a direction by Extraordinary Resolution of the holders of the Controlling Series), or, if sums are due to any Swap Counterparty (except in the case where action may be taken against any Swap Counterparty), if so directed in writing by any such Swap Counterparty, but without liability as to the consequence of such action on individual holders of Notes, Receipts or Coupons enforce the security. To do so it may, in its discretion, realise all or a part of the Collateral in a proportion equal to the proportion of the principal amount of the Notes which are subject to such acceleration, terminate any Swap Agreement *pro rata* in accordance with its terms and exercise any rights under a Credit Enhancement Agreement, provided that the Trustee shall not be required to take any action that would involve the Trustee in personal liability or expense unless indemnified to its satisfaction. On being so directed by the

Trustee, the Disposal Agent shall use its reasonable endeavours to solicit offers from third parties to purchase the Collateral in accordance with the terms of the relevant Supplemental Trust Deed.

For the purposes hereof, “**Controlling Series**” shall mean, in respect of any Notes where there are Related Notes, the Series of Notes or other Obligations identified as the Controlling Series in the relevant Supplemental Trust Deed or failing that, the most senior ranking of the Notes, relevant Related Notes and other Obligations secured on the same Mortgaged Property as the Notes. References in these Conditions to the Controlling Series shall not be applicable in the case of any Notes where there are no Related Notes.

(g) *Application of Proceeds*

The Trust Deed requires that the net proceeds of the security, after deduction of the Trustee's expenses and remuneration and other amounts due to the Trustee and the Paying Agents and/or the Custodian and/or the Transfer Agents and/or the Account Bank and any taxes required to be paid prior to any such application, be applied in meeting claims of any Swap Counterparty and of the holders of the Notes, Receipts and Coupons as specified in the relevant Supplemental Trust Deed.

(h) *Shortfall after Application of Proceeds*

If the net proceeds of realisation of the Mortgaged Property becoming enforceable under paragraph (g) above are not sufficient for the Issuer to make all payments due in respect of the Notes and the Coupons and for the Issuer to meet its obligations in respect of the termination of any relevant Swap Agreement, the other assets of the Issuer will not be available for payment of any shortfall arising therefrom. Any such shortfall shall be borne by the holders of Notes, Coupons and Receipts and any Swap Counterparty as specified in the relevant Supplemental Trust Deed. The Issuer will not be obliged to make any further payment in excess of the net proceeds and accordingly no debt shall be owed by the Issuer in respect of any such shortfall remaining after realisation of the Mortgaged Property and application of the proceeds in accordance with the Trust Deed. None of the Trustee or any Swap Counterparty or any Noteholder may take any further action to recover such shortfall.

Failure to make any payment in respect of any such shortfall shall in no circumstances constitute an Event of Default under Condition 10.

(i) *Issuer's Rights as Holder of the Mortgaged Property*

The Issuer may, with the prior written consent of the Trustee or as directed by an Extraordinary Resolution of the Noteholders (or, in respect of a Series of Notes where there are Related Notes, a direction by Extraordinary Resolution of the holders of the Controlling Series), (i) take such action in relation to the Mortgaged Property as it thinks expedient and (ii) exercise the rights incidental to the ownership of the Mortgaged Property. In particular, the Issuer may exercise (without responsibility for such exercise) any voting rights in respect of such property and all rights to enforce it. The Issuer will not exercise any rights with respect to the Mortgaged Property unless it has the Trustee's consent or is directed by an Extraordinary Resolution of the holders of the Notes (or, in respect of a Series of Notes where there are Related Notes, a direction by Extraordinary Resolution of the

holders of the Controlling Series) and, if such direction or consent is given, the Issuer will act only in accordance with such direction or consent.

(j) *Restrictions on Further Issues and Transactions*

The Issuer shall be at liberty from time to time (without the consent of the Noteholders or the Couponholders, but provided that the Trustee is satisfied that the restrictions contained in this Condition will be complied with) to issue further bonds and notes (which may be consolidated and form a single series with the Notes if issued in accordance with paragraph (k) of this Condition) and to borrow under, buy, sell or enter into other secured Obligations in the form of Loans, Options, Schuldscheine or Swaps. Such further bonds, notes and other secured Obligations (other than those obligations that are not, in the opinion of the Trustee, material in the context thereof and in respect of which another party has made arrangements to discharge the Issuer from claims related thereto) must be secured (save in the case of (i) such further bonds or notes forming a single series with the Notes or other existing bonds, notes or other secured Obligations and (ii) Obligations which, at the time of their issue or effective date, provide that other Obligations may be secured upon the same assets as those on which such Obligations are secured) on assets of the Issuer other than the Mortgaged Property or the assets on which such other Obligations of the Issuer are secured or the Issuer's share capital and on terms in substantially the form contained in these Conditions and that provide for the extinction of all claims in respect of such bonds, notes and related Obligations after application of the proceeds of enforcement of the security over the assets on which such further bonds, notes and related Obligations are secured (or arrangements have been entered into that, to the satisfaction of the Trustee, have a like result). In addition, where the Issuer has issued other bonds and/or notes which have been rated by a particular rating agency ("**Old Rated Securities**") and proposes to issue any further bonds and/or notes which are not to be rated by that rating agency ("**New Unrated Securities**") then, provided that such Old Rated Securities and their related ratings remain outstanding, then the ratings of the Old Rated Securities must not be adversely affected by the issue of the New Unrated Securities, as confirmed in writing by the appropriate rating agency. Any further securities forming a single series with the outstanding securities of any series (including the Notes) constituted and secured by the Trust Deed or any deed supplemental and/or any Other Security Document to it shall, and any other securities may (with the prior written consent of the Trustee), be constituted and secured by the Trust Deed and/or any Other Security Document. The Trust Deed contains provisions for convening a single meeting of the Noteholders and the holders of securities of other series where the Trustee so decides.

(k) *Restrictions on Fungible Issues*

The Issuer, if permitted under the Conditions, may from time to time (without the consent of the Noteholders or the Couponholders, but provided that the Trustee is satisfied that the restrictions contained in this Condition will be complied with) issue further bonds and notes that have, when issued, the same terms and conditions as the Notes in all respects (or in all respects except for the first payment of interest thereon and any amendments made pursuant to (iii) below) and that are consolidated and form a single series with the Notes; provided that (unless otherwise approved by an Extraordinary Resolution (as defined in the Trust Deed) of

the Noteholders), (i) the Issuer provides additional security for such new bonds or notes that comprises assets that are fungible with, and have the same proportionate composition as, the Mortgaged Property in respect of the relevant existing Notes and that has an aggregate principal amount at least equal to the principal amount of such existing security multiplied by a fraction, the numerator of which is the aggregate principal amount of such new bonds or notes and the denominator of which is the aggregate principal amount of the existing Notes; (ii) the Issuer enters into an additional or supplemental swap agreement or credit enhancement agreement varying the terms of the Swap Agreement or, as applicable, the Credit Enhancement Agreement to take account of the new bonds or notes on terms no less favourable than those of the Swap Agreement or, as applicable, the Credit Enhancement Agreement; and, in relation to Notes which are rated by a rating agency, (iii) in the case of an issue of portfolio credit linked notes, the Issuer amends the terms and conditions of the Notes to preserve the economic effect of a holding of the Notes (including, without limitation, by amending the Reference Entity Notional Amount, the Subordination Amount and, where applicable, by amending any Factor (howsoever such terms are defined in the relevant terms and conditions)) in each case solely so as to preserve the economic effect of a holding of the Notes, such amendments to be determined by the Calculation Agent and notified to the Issuer and (iv) such further bonds and notes shall not adversely affect any existing rating of the Notes as confirmed in writing by the appropriate rating agency. Upon issue of such new bonds or notes, the Notes and such new bonds or notes shall form a single series and be secured on the Mortgaged Property relating to the Notes and such additional security. Such further bonds or notes shall be constituted and secured by a further relevant Supplemental Trust Deed. In the case of a Series of Notes where there are Related Notes, the relevant Supplemental Trust Deed shall specify such other conditions as it may be necessary to satisfy to issue such further bonds or notes.

(l) *Restrictions on Indebtedness*

Save as provided above, so long as any of the Notes remains outstanding, the Issuer, without the prior written consent of the Trustee, shall not incur any other indebtedness for borrowed moneys or engage in any other business (other than acquiring and holding the Mortgaged Property in respect of each Series, creating further Obligations, as provided for in this Condition 4, entering into related transactions, subject to Condition 4(j) and performing any act incidental to or necessary in connection with the foregoing), shall not have any subsidiaries (except in connection with the substitution of the Issuer as principal obligor under the Notes) and shall not dispose of the Mortgaged Property or any part thereof or interest therein (other than in connection with a substitution of the Swap Counterparty).

(m) *Covenants*

The Issuer has covenanted in the Principal Trust Deed that it will not, without the prior written consent of the Trustee, *inter alia*:

- (i) engage in any business whatsoever, other than acquiring and holding Mortgaged Property, issuing Notes or issuing further bonds and notes (which may be consolidated and form a single series with the Notes) or creating other Obligations or entering into similar limited-recourse transactions, entering into related agreements and transactions and

performing any act incidental to or necessary in connection with any of the foregoing;

- (ii) dispose of the Mortgaged Property or any interest therein, or create any mortgage, charge or other security interest or right of recourse in respect thereof in favour of any person (other than (x) the security referred to above or any similar limited-recourse transaction (whether such limited-recourse transaction is by means of a debt issue or by loan, option or swap) entered into by the Issuer in the future with the consent of the Trustee and the Swap Counterparty as provided below and (y) in connection with a transfer under the Swap Agreement);
- (iii) cause or permit the Swap Agreements or Credit Enhancement Agreements or the priority of the security interests created by the Trust Deed to be amended, terminated or discharged (other than in connection with a transfer under the Swap Agreement);
- (iv) release any party to the Swap Agreement (other than in connection with a transfer under the Swap Agreement), any Credit Enhancement Agreement, the Principal Trust Deed or any Supplemental Trust Deed from any existing obligations thereunder;
- (v) have any subsidiaries (other than in connection with any substitution of the obligor under the Notes and the Trust Deed);
- (vi) consent to any variation of, or exercise any powers or consent or waiver pursuant to, the terms of the Swap Agreements, any Credit Enhancement Agreement, the Conditions, the Principal Trust Deed, any Supplemental Trust Deed or other agreement relating to the issue of the Notes, any relevant documentation entered into in connection with the creation of other Obligations or any related transactions;
- (vii) (to the extent the same is within the control of the Issuer) consolidate or merge with any other person or convey or transfer its properties or assets substantially as an entirety to any person;
- (viii) have any employees;
- (ix) (to the extent the same is within the control of the Issuer) pay any dividends or make any distribution to its shareholders;
- (x) open or have any interest in any account whatsoever with any bank or financial institution unless such account relates to the Notes or any Mortgaged Property (as will be defined in the Trust Deed), any other Obligation or any party thereto, save where such account or the Issuer's interest therein is simultaneously charged in favour of the Trustee so as to form part of the Mortgaged Property or save where such account is opened in connection with the administration and management of the Issuer and only moneys necessary to the administration and management of the Issuer are credited to such account; or
- (xi) (to the extent the same is within the control of the Issuer) issue or allot shares to persons other than such shares as were in issue on the date of the incorporation of the Issuer.

5 Interest and Other Calculations

(a) *Interest Rate and Accrual*

Each Note bears interest on its outstanding principal amount from the Interest Commencement Date (as defined in the relevant Final Terms) at the rate per annum (expressed as a percentage) equal to the Interest Rate, such interest being payable in arrear on each Interest Payment Date.

Interest shall cease to accrue on each Note on the due date for redemption unless, upon due presentation, payment of principal is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgment) at the Interest Rate in the manner provided in this Condition 5 to the Relevant Date. As used in these Conditions, "**Relevant Date**" in respect of any Note, Receipt or Coupon means the date on which payment in respect of it first becomes due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or (if earlier) the date seven days after that on which notice is duly given to the Noteholders that, upon further presentation of the Note (or relative Certificate), Receipt, or Coupon being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation.

(b) *Business Day Convention*

If any date referred to in these Conditions that is specified to be subject to adjustment in accordance with a Business Day Convention would otherwise fall on a day that is not a Business Day, then, if the Business Day Convention specified is (i) the Floating Rate Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such date shall be brought forward to the immediately preceding Business Day and (B) each subsequent such date shall be the last Business Day of the month in which such date would have fallen had it not been subject to adjustment, (ii) the Following Business Day Convention, such date shall be postponed to the next day that is a Business Day, (iii) the Modified Following Business Day Convention, such date shall be postponed to the next day that is a Business Day unless it would thereby fall into the next calendar month, in which event such date shall be brought forward to the immediately preceding Business Day or (iv) the Preceding Business Day Convention, such date shall be brought forward to the immediately preceding Business Day.

(c) *Interest Rate on Floating Rate Notes*

If the Interest Rate is specified as being Floating Rate, the Interest Rate for each Interest Accrual Period shall be determined in the manner specified hereon and the provisions below relating to either ISDA Determination or Screen Rate Determination shall apply, depending upon which is specified hereon:

(i) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified hereon as the manner in which the Interest Rate is to be determined, the Interest Rate for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. For the purposes of this sub-paragraph (i), "**ISDA Rate**" for an Interest Accrual Period means a rate equal to the

Floating Rate that would be determined by the Calculation Agent under a Swap Transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (a) the Floating Rate Option is as specified hereon;
- (b) the Designated Maturity is a period specified hereon; and
- (c) the relevant Reset Date is the first day of that Interest Accrual Period unless otherwise specified hereon.

For the purposes of this sub-paragraph (i), **"Floating Rate"**, **"Calculation Agent"**, **"Floating Rate Option"**, **"Designated Maturity"**, **"Reset Date"** and **"Swap Transaction"** have the meanings given to those terms in the ISDA Definitions.

(ii) Screen Rate Determination for Floating Rate Notes

- (A) Where Screen Rate Determination is specified hereon as the manner in which the Interest Rate is to be determined, the Interest Rate for each Interest Accrual Period will, subject as provided below and to Condition 5(e) be either:

- (1) the offered quotation; or
- (2) the arithmetic mean of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at either 11.00 a.m. (London time in the case of LIBOR or Brussels time in the case of EURIBOR) on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified hereon as being other than LIBOR or EURIBOR, the Interest Rate in respect of such Notes will be determined as provided hereon.

- (B) if the Relevant Screen Page is not available or if sub-paragraph (A)(1) above applies and no such offered quotation appears on the Relevant Screen Page or if sub-paragraph (A)(2) above applies and fewer than three such offered quotations appear on the Relevant Screen Page in each case as at the time specified above, subject as provided below, the Calculation Agent shall request, if the Reference Rate is LIBOR, the principal London office of each of the Reference Banks or, if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks, to provide the Calculation Agent with its offered quotation (expressed

as a percentage rate per annum) for the Reference Rate if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time), or if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Interest Rate for such Interest Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent; and

- (C) if paragraph (B) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Interest Rate shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, deposits in the Relevant Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Relevant Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Relevant Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time), on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Trustee and the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, provided that, if the Interest Rate cannot be determined in accordance with the foregoing provisions of this paragraph, the Interest Rate shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Interest Rate is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Interest Rate relating to the relevant Interest Accrual Period), in place of the Margin or Maximum or Minimum Interest Rate relating to that last preceding Interest Accrual Period.

(d) *Interest Rate on Zero Coupon Notes*

Where a Note the Interest Rate of which is specified to be Zero Coupon is repayable prior to the Maturity Date and is not paid when due, the amount due and payable prior to the Maturity Date shall be the Redemption Amount (as defined in the relevant Final Terms) of such Note. As from the Maturity Date, the Interest Rate for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as set out in Condition 6(b)).

(e) *Margin, Maximum/Minimum Interest Rates, Instalment Amounts and Redemption Amounts and Rounding*

- (i) If any Margin is specified hereon (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Interest Rates, in the case of (x), or the Interest Rates for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (c) above by adding (if a positive number) or subtracting the absolute value (if a negative number) of such Margin, subject always to the next paragraph.
- (ii) If any Maximum or Minimum Interest Rate, Instalment Amount or Redemption Amount is specified hereon, then any Interest Rate, Instalment Amount or Redemption Amount shall be subject to such maximum or minimum, as the case may be.
- (iii) For the purposes of any calculations required pursuant to these Conditions (unless otherwise specified), (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen, and in the case of euro, which shall be rounded down to the nearest €0.01. For these purposes “unit” means the lowest amount of such currency that is available as legal tender in the country(ies) of such currency.

(f) *Calculations*

The amount of interest payable in respect of any Note for any period shall be calculated by multiplying the product of the Interest Rate and the outstanding principal amount of such Note by the Day Count Fraction, unless an Interest Amount (or a formula for its calculation) is specified in respect of such period, in which case the amount of interest payable in respect of such Note for such period shall equal such Interest Amount (or be calculated in accordance with such formula). Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.

(g) *Determination and Publication of Interest Rates, Interest Amounts, Redemption Amounts and Instalment Amounts*

The Calculation Agent shall, as soon as practicable on each Interest Determination Date or such other time on such date as the Calculation Agent may be required to calculate any Redemption Amount or Instalment Amount, obtain any quote or make any determination or calculation, determine the Interest Rate and calculate the Interest Amounts in respect of each denomination of the Notes for the relevant Interest Accrual Period, calculate the Redemption Amount or Instalment Amount, obtain such quote or make such determination or calculation, as the case may be, and cause the Interest Rate and the Interest Amounts for each Interest Period and the relevant Interest Payment Date and, if required to be calculated, the Redemption Amount or any Instalment Amount to be notified to the Trustee, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed on a stock exchange and the rules of such exchange so require, such exchange as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of an Interest Rate and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 5(b), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made with the consent of the Trustee by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. If the Notes become due and payable under Condition 10, the accrued interest and the Interest Rate payable in respect of the Notes shall nevertheless continue to be calculated as previously in accordance with this Condition but no publication of the Interest Rate or the Interest Amount so calculated need be made unless the Trustee otherwise requires. The determination of each Interest Rate, Interest Amount, Redemption Amount and Instalment Amount, the obtaining of each quote and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties. No Noteholders shall (in the absence aforesaid) be entitled to proceed against the Reference Banks, the Calculation Agent, the Trustee or any of them in connection with the exercise or non-exercise by them of their powers, duties and discretions under this Condition 5.

(h) *Determination or Calculation by Trustee*

If the Calculation Agent does not at any time for any reason determine or calculate the Interest Rate for an Interest Period or any Interest Amount, Instalment Amount or Redemption Amount, the Trustee shall do so (or shall appoint an agent on its behalf to do so) and such determination or calculation shall be deemed to have been made by the Calculation Agent. In doing so, the Trustee shall apply the foregoing provisions of this Condition, with any necessary consequential amendments, to the extent that, in its opinion, it can do so, and, in all other respects it shall do so in such manner as it shall deem fair and reasonable in all the circumstances.

(i) *Definitions*

In these Conditions, unless the context otherwise requires, the following defined terms shall have the meanings set out below:

The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid.

- (i) Unless previously redeemed or purchased and cancelled as provided in this Condition 6, each Note that provides for Instalment Dates and Instalment Amounts shall be partially redeemed on each Instalment Date at the related Instalment Amount specified hereon. The outstanding principal amount of each such Note shall be reduced by the Instalment Amount (or, if such Instalment Amount is calculated by reference to a proportion of the principal amount of such Note, such proportion) for all purposes with effect from the related Instalment Date, unless payment of the Instalment Amount is improperly withheld or refused, in which case, such amount shall remain outstanding until the Relevant Date relating to such Instalment Amount.
- (ii) Unless previously redeemed, purchased and cancelled as provided below, each Note shall be finally redeemed on the Maturity Date specified hereon at its Redemption Amount (which, unless otherwise provided herein, is its principal amount) or, in the case of a Note falling within paragraph (i) above, its final Instalment Amount. Notes with no final maturity date will only be redeemable or repayable in accordance with the following provisions of this Condition 6 or Condition 10.

(b) *Early Redemption of Zero Coupon Notes*

- (i) The Redemption Amount payable in respect of any Note that does not bear interest prior to the Maturity Date, the Redemption Amount of which is not linked to an index and/or a formula, upon redemption of such Note pursuant to Condition 6(d) or upon it becoming due and payable as provided in Condition 10 shall be the Amortised Face Amount (calculated as provided below) of such Note.
- (ii) Subject to the provisions of sub-paragraph (iii) below, the Amortised Face Amount of any such Note shall be the scheduled Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown hereon, shall be such rate as would produce an Amortised Face Amount

equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually. Where such calculation is to be made for a period of less than one year, it shall be made on the basis of the Day Count Fraction shown hereon.

- (iii) If the Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 6(d) or upon it becoming due and payable as provided in Condition 10 is not paid when due, the Redemption Amount due and payable in respect of such Note shall be the Amortised Face Amount of such Note as defined in sub-paragraph (ii) above, except that such sub-paragraph shall have effect as though the reference therein to the date on which the Note becomes due and payable were replaced by a reference to the Relevant Date. The calculation of the Amortised Face Amount in accordance with this sub-paragraph shall continue to be made (as well after as before judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 5(d).

(c) *Mandatory Redemption*

Subject to the terms of the relevant Supplemental Trust Deed, if any of the Collateral becomes repayable prior to its stated date of maturity for whatever reason or (unless the Trustee otherwise agrees) there is a payment default (after the expiry of any grace period specified in the terms and conditions of the Collateral in existence as at the later of the Issue Date and the date on which such Collateral was issued) in respect of any of the Collateral, a proportion of the principal amount of the Notes outstanding equal to the proportion of the Collateral comprised by the Collateral repaid or in respect of which there is a default will become immediately repayable. The Issuer shall forthwith give not more than 45 nor less than 30 Business Days' prior notice (or such other notice period as indicated in the relevant Supplemental Trust Deed) to the Trustee and the Noteholders (which notice shall be irrevocable) and upon expiry of such notice the Issuer will redeem either, as the case may be, all of the Notes at their Early Redemption Amount together with accrued interest or, in the case of a redemption in part, either (x) some of the Notes at their Early Redemption Amount together with accrued interest (if redemption is to be effected in accordance with Partial Redemption - Method A (as specified in the relevant Supplemental Trust Deed)) or (y) all of the Notes on a *pro rata* basis in an aggregate principal amount equal to that of the Collateral repaid or in respect of which there is a default (if redemption is to be effected in accordance with Partial Redemption - Method B (as specified in the relevant Supplemental Trust Deed)), failing which all of the Notes shall become repayable and the security constituted by the relevant Supplemental Trust Deed and/or any Other Security Document shall become enforceable and the Trustee will take such action as is provided in Condition 4. In this Condition, "Business Day" means a day on which commercial banks and foreign exchange markets are open in the cities specified in the relevant Supplemental Trust Deed.

(d) *Redemption for Taxation and Other Reasons*

- (i) If the Issuer, on the occasion of the next payment due in respect of the Notes or Coupons, would be required by law to withhold or account for tax or would suffer tax in respect of its income so that it would be unable to make payment of the full amount due, the Issuer shall so inform the Trustee, shall use its best endeavours to arrange the substitution of a company incorporated in another jurisdiction approved by the Trustee as the principal debtor (provided that, in relation to Notes rated by a rating agency, the Issuer shall notify the appropriate rating agency and that such substitution shall not adversely affect any existing rating of the Notes as affirmed in writing by the appropriate rating agency) or to change (to the satisfaction of the Trustee (provided that in relation to Notes rated by a rating agency, the Issuer shall notify the appropriate rating agency and that such substitution shall not adversely affect any existing rating of the Notes as affirmed in writing by the appropriate rating agency)) its residence for taxation purposes to another jurisdiction approved beforehand in writing by the Trustee and if it is unable to arrange such substitution or change before the next payment is due in respect of the Notes it shall forthwith give notice thereof to the Trustee, the Noteholders, the appropriate rating agency (if any) and the Swap Counterparty and upon the giving of such notice all but not some only of the Notes shall become due for redemption on the date specified in such notice at their Early Redemption Amount together with interest accrued to the date fixed for redemption;
- (ii) If a Swap Agreement is terminated in whole for any reason then the Issuer shall forthwith give not more than 45 nor less than 15 days' notice (or such other notice period as indicated in the relevant Supplemental Trust Deed) to the Trustee, the Noteholders and the Swap Counterparty (which notice shall be irrevocable), and on the expiry of such notice shall redeem all but not some only of the Notes at their Early Redemption Amount together with any interest accrued to the date fixed for redemption. Such notice shall be given promptly upon the termination of the relevant Swap Agreement and such redemption made, unless the Trustee shall certify to the Issuer that it considers in its absolute discretion that it is in the best interests of the holders of the Notes that such notice and redemption be delayed or not given or made, as the case may be, or an Extraordinary Resolution of the holders of the Notes shall otherwise direct; or
- (iii) If the Issuer (i) is or will be unable to receive any payment due in respect of the Collateral forming part of the Mortgaged Property in full on the due date therefor without deduction for or on account of any withholding tax, back-up withholding or other tax, duties or charges of whatsoever nature imposed by any authority of the jurisdiction of the issuer of the Collateral, (ii) is required to pay any tax, duty or charge of whatsoever nature in respect of any payment received in respect of the Collateral forming part of the Mortgaged Property or (iii) is required to comply with any reporting requirement of any such authority (unless such reporting requirement does not involve any material expense or is not unduly onerous), except in any case where the Issuer is able to obtain such payment in full on the due date therefor or gain exemption from such payment or reporting requirement by

filing a declaration that it is not a resident of such jurisdiction and/or by executing any certificate, form or other document in order to make a claim under a double taxation treaty or other exemption available to it and such filing or execution does not involve any material expense and is not unduly onerous, or such reporting requirement does not involve any material expense and is not unduly onerous, then the Issuer shall so inform the Trustee, and shall use its best endeavours to arrange the substitution of a company incorporated in another jurisdiction approved beforehand in writing by the Trustee and the Swap Counterparty (provided that in relation to Notes rated by a rating agency, the Issuer shall notify the appropriate rating agency and that such substitution shall not adversely affect any existing rating of the Notes as affirmed in writing by the appropriate rating agency) as the principal debtor in respect of the Notes and the Swap Agreement or to change (to the satisfaction of the Trustee and the Swap Counterparty (provided that in relation to Notes rated by a rating agency, the Issuer shall notify the appropriate rating agency and that such change shall not adversely affect any existing rating of the Notes as affirmed in writing by the appropriate rating agency)) its residence for taxation purposes to another jurisdiction approved beforehand in writing by the Trustee and the Swap Counterparty and if it is unable to arrange such substitution or change before the next payment is due in respect of the Notes it shall forthwith give notice thereof to the Trustee, the Noteholders, the appropriate rating agency (if any) and the Swap Counterparty and upon the giving of such notice all but not some only of the Notes shall become due for redemption on the date specified in such notice at the Early Redemption Amount together with interest accrued to the date fixed for redemption.

Notwithstanding the foregoing, if any of the taxes referred to in paragraph (d)(i) above arises by reason of any Noteholder's connection with the jurisdiction of the Issuer otherwise than by reason only of the holding of any Note or receiving or being entitled to any principal or interest in respect thereof, then to the extent it is able to do so, the Issuer shall deduct such taxes from the amounts payable to such Noteholder, all other Noteholders shall receive the due amounts payable to them and the Notes shall not be redeemed as provided in the previous provisions. Any such deduction shall not constitute an Event of Default under Condition 10.

Notwithstanding the foregoing, if the requirement to withhold or account for tax set out in Condition 6(d)(i) arises as a result of:

- (i) a withholding or deduction imposed on a payment by or on behalf of the relevant Issuer to an individual required to be made pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to, such Directive or any other law introduced as a consequence of the adoption or implementation of such Directive; or

- (ii) the presentation for payment of any Bearer Note, Receipt or Coupon by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant Bearer Note, Receipt or Coupon to another Paying Agent in a Member State of the European Union,

then Condition 6(d)(i) shall not apply. The relevant Issuer shall deduct such taxes from the amounts payable to such Noteholder, all other Noteholders shall receive the due amounts payable to them and the Notes shall not be redeemed. Any such deduction shall not constitute an Event of Default under Condition 10.

(e) *Redemption at the Option of the Issuer*

If so specified in the relevant Supplemental Trust Deed, the Issuer may, on giving not more than 45 nor less than 30 days' notice (or such other notice period as indicated in the relevant Supplemental Trust Deed) to the Noteholders and the Trustee (which notice shall be irrevocable) redeem all or, if so provided in the relevant Supplemental Trust Deed, some of the Notes at the Early Redemption Amount on the Issuer's Optional Redemption Date or Dates so provided in the relevant Supplemental Trust Deed. Upon expiration of such notice, the Issuer shall be bound to redeem the Notes at their Early Redemption Amount, together, if appropriate, with interest accrued to, but excluding, such date or dates of redemption.

(f) *Redemption at the Option of Noteholders*

If so specified in the relevant Supplemental Trust Deed, the Issuer shall, at the option of the holder of any Note, redeem such Note on the date or dates so provided at its Early Redemption Amount together with interest accrued to the date fixed for redemption.

To exercise such option the holder must deposit (in the case of Bearer Notes) such Note (together with all unmatured Receipts and Coupons and unexchanged Talons) with any Paying Agent or (in the case of Registered Notes) the Certificate representing such Note(s) with the Registrar or any Transfer Agent at its specified office, together with a duly completed option exercise notice ("**Exercise Notice**") in the form obtainable from any Paying Agent, the Registrar or any Transfer Agent (as applicable) within the Noteholders' Option Period as specified in the Final Terms. No Note or Certificate so deposited and option exercised may be withdrawn (except as provided in the Agency Agreement) without the prior consent of the Issuer.

(g) *Early Redemption Amount*

Unless otherwise specified in the relevant Supplemental Trust Deed, the Early Redemption Amount payable upon a redemption of any Note pursuant to Condition 6 (c), (d), (e), (f) and (k) and Condition 10 shall be an amount, determined by the Calculation Agent in its absolute discretion, equal to the Recovery Fraction of the principal amount of the Note (or, if applicable, the part of the Note) being redeemed (the "**Early Redemption Amount**").

Where:

"**Counterparty**" means each party (other than the Issuer) to a Credit Enhancement Agreement.

“Credit Enhancement Termination Payment” means the total amount payable to the Issuer by a Counterparty (being a positive number) on the termination of (or as the case may be, the *pro rata* portion of) any related Credit Enhancement Agreement.

“Recovery Amount” means the amount received by or on behalf of the Issuer upon the sale of the Collateral (or, if applicable the *pro rata* portion of the Collateral) after the deduction of all costs, fees (including, without limitation, legal fees), charges, taxes and expenses of or incurred by the Issuer or, if applicable, the Disposal Agent in connection with the sale of the relevant Collateral and the early redemption of the Notes plus, if a positive number, the aggregate amount of, or minus, if a negative number, the aggregate amount of the Swap Termination Payment and/or the Credit Enhancement Termination Payment.

“Recovery Fraction” means a fraction of which the numerator is the Recovery Amount and the denominator is the aggregate principal amount of the Notes falling due for redemption.

“Swap Termination Payment” means the amount payable to the Issuer by the Swap Counterparty (in which case, it shall be a positive number) or by the Issuer to the Swap Counterparty (in which case, it shall be a negative number) on the termination of (or, as the case may be, the *pro rata* portion of) the related Swap Agreement.

(h) *Notice of Redemption and Drawings*

All Notes in respect of which any notice of redemption is given under this Condition shall be redeemed on the date specified in such notice in accordance with this Condition. In the case of a partial redemption if the relevant Supplemental Trust Deed specifies “Partial Redemption - Method A”, then the notice shall also contain the certificate numbers of the Notes to be redeemed, which shall have been drawn in such place as the Trustee may approve and in such manner as it deems appropriate, subject to compliance with any applicable laws and stock exchange requirements. If the relevant Supplemental Trust Deed specifies “Partial Redemption - Method B”, then each Note will be redeemed on a *pro rata* basis.

(i) *Purchases*

If the Issuer has satisfied the Trustee that in relation to the reduction in the notional amount of any other Obligation and for the purchase of Notes and an equivalent proportion of any Related Notes:

- (a) it has made arrangements for the realisation of no more than the equivalent proportion of the Collateral and such transaction will leave the Issuer with no net liabilities in respect thereof, or
- (b) it has made arrangements for the realisation of an amount of the Collateral in such manner that (i) the amount of Collateral realised does not exceed an amount equal to the outstanding notional amount of such Collateral multiplied by the Reduction Factor (as defined below) (and where the Collateral comprises more than one issue of securities or other type of obligation, the Issuer is not required to realise each issue of securities or other type of obligation in an equivalent proportion to the amount of Obligations, Notes or Related Notes being purchased, but may select the

proportions of the relevant issue of securities or other type of obligations to be so realised), (ii) where such other Obligation, Notes or Related Notes is rated, the relevant Rating Agency confirms that the then current rating of such Obligation, Note or Related Notes shall not be affected as a result of such realisation of the Collateral and (iii) such transaction will leave the Issuer with no net liabilities in respect thereof,

then the Issuer may at any time reduce the notional amount of such Obligation or purchase Notes (provided that they are purchased together with all unmatured Coupons and Talons related to them) in the open market or otherwise at any price provided that, notwithstanding anything to the contrary in (a) or (b) above, where (A) the denomination or its equivalent in respect of the Obligations, Notes or Related Notes, as the case may be, is not an integer multiple of the denomination or its equivalent in respect of the Collateral or vice versa and (B) the Collateral is trading above par at the time of such realisation of the Collateral, the Issuer may (x) in the case of (a) above, realise a proportion of the Collateral which is more than an equivalent proportion of the Obligations, Notes or Related Notes, as the case may be, or (y) in the case of (b) above, realise an amount of Collateral which exceeds an amount equal to the outstanding notional amount of such Collateral multiplied by the Reduction Factor and, in the case of (a) above, the excess of the realisation proceeds over the notional amount of such equivalent proportion of the Obligations, Notes or Related Notes, as the case may be, or in the case of (b) above, the excess of the realisation proceeds over the outstanding notional amount of such Collateral multiplied by the Reduction Factor, shall be held in a cash account, which will be subject to a security interest created pursuant to the relevant Supplemental Trust Deed.

The “**Reduction Factor**” means, in relation to a reduction in the notional amount of any other Obligation and for the purchase of Notes and an equivalent proportion of any Related Notes, a factor where (1) the numerator is the amount by which the notional amount of such Obligation is reduced or the notional amount of Notes to be purchased (as the case may be) and (2) the denominator is the notional amount of the Obligation prior to such reduction or the outstanding notional amount of Notes prior to such purchase.

(j) *Cancellation*

The Issuer may, but shall not be obliged to, surrender for cancellation all Notes purchased by or on behalf of it, in the case of Bearer Notes, by surrendering each such Note together with all unmatured Receipts and Coupons and all unexchanged Talons to, or to the order of, the Issuing and Paying Agent and, in the case of Registered Notes, by surrendering the Certificate representing such Notes to the Registrar and, in each case, shall, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with all unmatured Receipts and Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so surrendered for cancellation may not be reissued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.

(k) *Exchange*

If so specified in the relevant Supplemental Trust Deed, any holder may at its option (subject to, if so specified in the Supplemental Trust Deed, the consent of each

relevant Counterparty) exchange any or all of its Notes for (i) an amount (the “**Net Asset Amount**”) calculated by the Issuer, equal to the then market value of such proportion of the Collateral (the “**attributable Collateral**”) or, as the case may be, the Issuer’s rights in respect thereof (the “**attributable rights**”) or (ii) physical delivery (“**Physical Delivery**”) of such proportion of the Collateral itself, in each case as equals the proportion (rounded down to the nearest whole number) which the Notes to be exchanged bears to the total principal amount outstanding of the Notes (less the costs of such valuation) adjusted as appropriate by the value realised or cost incurred, as the case may be, as a result of the termination of any Swap Agreement and/or Credit Enhancement Agreement, or part thereof in accordance with this Condition 6(k). To exercise such option, the holder shall, if the Notes are in bearer form, deposit the relevant Notes (together with all (if any) unmatured Coupons or Talons appertaining thereto) or, if the Notes are in registered form, deposit the Certificate representing the Notes at the office of Register, together with written notice that such option is to be exercised and (if the holder has elected for Physical Delivery, where available) a delivery instruction form (a “**Delivery Instruction Form**”) substantially in the form set out in the Agency Agreement (and available upon request from the specified office of any Paying Agent or Transfer Agent during normal office hours). The Issuing and Paying Agent will forthwith notify the Issuer, each Counterparty, each Swap Counterparty, the Custodian, the Disposal Agent, the Registrar and the Trustee of receipt of such written notice. Each Counterparty and each Swap Counterparty shall forthwith notify the Issuer, the Trustee, the Custodian and the Issuing and Paying Agent (who shall then notify the relevant holder) of the net sum payable by such Counterparty and by, or, as the case may be, to such Swap Counterparty on termination of the relevant part of the relevant Credit Enhancement Agreement or Swap Agreement, as appropriate. The part of the relevant Credit Enhancement Agreement or, as the case may be, the relevant Swap Agreement to be terminated will be the *pro rata* amount thereof corresponding to that proportion of the Notes to be exchanged. The calculation of the Net Asset Amount in accordance with this Condition 6(k) shall be binding on the relevant holder(s) in the absence of manifest error. Any such Net Asset Amount shall be payable to the holder at the specified office of any Paying Agent or Transfer Agent at which the relevant Notes were deposited on the twentieth calendar day after such deposit (the “**Delivery Date**”) or (if the holder has elected for Physical Delivery) (subject to receipt of a Delivery Instruction form) delivered on, or as soon as practicable after, the Settlement Date to the account at Euroclear Bank S.A./N.V. (“**Euroclear**”) or Clearstream Banking, société anonyme (“**Clearstream, Luxembourg**”) and, together with Euroclear and/or any alternative clearing system agreed by the Trustee, the “**Clearing Systems**”) (or in such other manner as shall be provided in the relevant Supplemental Trust Deed) as specified in the relevant Delivery Instruction Form.

Notwithstanding the foregoing provisions of this Condition 6(k), the Issuer may, at its discretion, elect to satisfy the obligations hereunder by delivery to the relevant holder of the attributable Collateral or, as the case may be, by assignment to the relevant holder of the attributable rights even though the holder may not have elected for Physical Delivery. In any such case, the Issuer will procure that, subject to any payment due from the holder to the Swap Counterparty being made, the relevant attributable Collateral is delivered to the holder (or to any other place or account specified in the written notice referred to above) or, as the case may be, the

relevant attributable rights are assigned to the holder on the Delivery Date and shall use all reasonable endeavours to procure that any payment being due from the relevant Counterparty and/or relevant Swap Counterparty to the holder on termination of the relevant Credit Enhancement Agreement and/or relevant Swap Agreement or part thereof is duly made.

Accountholders at the Clearing Systems will be required to give an irrevocable instruction to the relevant Clearing System, as the case may be, in respect of such delivery in the form prescribed by the relevant Clearing System (which may be in a form other than that set out in the Agency Agreement), not later than 10.00 a.m. Brussels or Luxembourg time, as the case may be (or, in the case of an instruction to Euroclear via EUCLID or EUCLID 90, 11.00 a.m. Brussels time), on the Clearing Business Day prior to the Delivery Date.

No interest will be payable with respect to Notes deposited for exchange pursuant to this Condition in respect of the period from the date of issue of the Notes (in the case of exchange prior to the first due date for the payment of interest on the Note) or the previous date for the payment of interest on the Note (in any other case) to the date of such exchange.

The relevant Supplemental Trust Deed will contain provisions for the release of the relevant Mortgaged Property for which Notes have been exchanged from the remaining charges upon them.

In these Conditions:

"Clearing Business Day" means a day on which Euroclear or Clearstream, Luxembourg, as the case may be, is open for the acceptance and execution of settlement instructions other than a day on which Euroclear or Clearstream, Luxembourg, as the case may be, is scheduled to close prior to its regular weekday closing time.

"Delivered" means the satisfaction of any obligation of the Issuer to complete all matters necessary to transfer the relevant Net Asset Amount to the relevant Noteholder (or the first-named of joint holders) with full title guarantee. Accordingly, and for the avoidance of doubt, there shall be no obligation on the Issuer to concern itself with any formalities or requirements that shall be placed on the relevant Noteholder (or the first-named of joint holders) as the transferee of the relevant Net Asset Amount in connection with the acquisition by such Noteholder of the relevant Net Asset Amounts.

"Recovery Value" means the value, expressed as a percentage, of a claim against the obligor in respect of the relevant Collateral, as determined by the Swap Counterparty acting in good faith and in a commercially reasonable manner and by way of example but without limitation, the Swap Counterparty may in making this determination, take account of the mean of the market prices of all securities issued by the relevant obligor, disregarding any securities which have a market price which is at an artificially inflated level.

"Settlement Date" means the Delivery Date, except and to the extent that (i) a Settlement Disruption Event prevents delivery of the relevant Net Asset Amount on that day, (ii) pursuant to the terms of the relevant Swap Agreement and due to an event (the **"Impossibility Event"**) beyond the control of the Swap Counterparty it is

impossible (including due to market illiquidity) or illegal for the Swap Counterparty to deliver to the Issuer any Net Asset Amount, in which event the Settlement Date shall be postponed to the next following day after receipt by the Issuer of the relevant Net Asset Amount, provided that if by the 31st calendar day following the original Settlement Date the Impossibility Event is still continuing, the Notes shall become immediately repayable at their Early Redemption Amount and (iii) due to circumstances beyond the control of the Swap Counterparty the market price of any or all Net Asset Amount is at an artificially inflated level, in which event the Swap Counterparty may, in full satisfaction of its obligation to deliver the relevant Net Asset Amount, pay to the Issuer, on the Settlement Date, the True Value of the relevant Net Asset Amount. In the case of (ii) and to such extent, the Settlement Date will be the first succeeding day (if such day is after the Delivery Date) on which settlement of that Net Asset Amount can take place through Euroclear or Clearstream, Luxembourg unless a Settlement Disruption Event prevents delivery in accordance with the relevant Delivery Instruction form on each of the ten (10) Clearing Business Days immediately following that Delivery Date. In that case, (A) to the extent, as determined by the Calculation Agent, that the relevant Net Asset Amount can be delivered in any other commercially reasonable manner, then the Settlement Date will be the first day on which settlement of a sale of the relevant Net Asset Amount executed on that tenth (10th) Clearing Business Day customarily would take place using such other commercially reasonable manner of delivery, and (B) to the extent, as determined by the Calculation Agent, that the relevant Net Asset Amount cannot be delivered in any other commercially reasonable manner, then the Settlement Date will be postponed until such delivery can be effected through Euroclear or Clearstream, Luxembourg or, as determined by the Calculation Agent, in any other commercially reasonable manner. If a Settlement Disruption Event applies to a part only of the relevant Net Asset Amount, the Settlement Date shall be postponed, in accordance with the above provisions, in respect of the affected part of the relevant Net Asset Amount only. No additional amounts will be payable by the Issuer by virtue of any delay of the Settlement Date by virtue of a Settlement Disruption Event. In the case of (iii) the determination as to whether the market price of the Collateral is at an "artificially inflated level" will be made by the Swap Counterparty acting in good faith and in a commercially reasonable manner and, by way of example but without limitation, such market price will be considered to be at an artificially inflated level if due to a default or prospect of default by the obligor in relation to the relevant Collateral, there is an increase in demand for the Collateral caused principally by contractual obligations to deliver such Net Asset Amount upon the occurrence of such a default or prospect of default.

"Settlement Disruption Event" means an event beyond the control of the Issuer as a result of which the Clearing Systems cannot, in the determination of the Calculation Agent, deliver all or any part of the relevant Net Asset Amount.

"True Value" means, in relation to any particular securities, an amount equal to the product of the Recovery Value of the particular securities and the aggregate principal amount of such securities.

7 Payments and Talons

(a) Bearer Notes

Payments of principal and interest in respect of Bearer Notes shall, subject as mentioned below, be made against presentation and surrender of the relevant Receipts (in the case of payments of Instalment Amounts other than on the due date for redemption and provided that the Receipt is presented for payment together with its relative Note), Notes (in the case of all other payments of principal and, in the case of interest, as specified in Condition 7(f)(vi)) or Coupons (in the case of interest, save as specified in Condition 7(f)(vi)), as the case may be, at the specified office of any Paying Agent by a cheque payable in the currency in which such payment is due drawn on, or, at the option of, and on three Business Days' notice from, the holder, by transfer to an account denominated in that currency with, a Bank. "Bank" means a bank in the principal financial centre for that currency or, in the case of euro, in a city in which banks have access to the TARGET System.

(b) *Registered Notes*

- (i) Payments of principal (which for the purposes of this Condition 7(b) shall include final Instalment Amounts but not other Instalment Amounts) in respect of Registered Notes shall be made against presentation and surrender of the relevant Certificates at the specified office of any of the Registrar or of the Transfer Agents and in the manner provided in paragraph (ii) below.
- (ii) Interest (which for the purpose of this Condition 7(b) shall include all Instalment Amounts other than final Instalment Amounts) on Registered Notes shall be paid to the person shown on the Register at the close of business on the fifteenth day before the due date for payment thereof (the "**Record Date**"). Payments of interest on each Registered Note shall be made in the currency in which such payments are due by cheque drawn on a Bank and mailed to the holder (or to the first named of joint holders) of such Note at its address appearing in the Register. Upon application by the holder to the specified office of the Registrar or any Transfer Agent before the Record Date, such payment of interest may be made by transfer to an account in the relevant currency maintained by the payee with a Bank.

(c) *Payments in the United States*

Notwithstanding the foregoing, if any Bearer Notes are denominated in U.S. dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, and payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (ii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

(d) *Payments Subject to Fiscal Laws*

All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives, but without prejudice to the provisions of Condition 8. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.

(e) *Appointment of Agents*

The Issuing and Paying Agent, the Paying Agents, the Registrar, the Transfer Agents, the Calculation Agent and the Disposal Agent initially appointed by the Issuer and their respective specified offices are listed below. The Issuing and Paying Agent, the Paying Agents, the Registrar, the Transfer Agents, the Calculation Agent and the Disposal Agent act solely as agents of the Issuer and do not assume any obligation or relationship of agency or trust for or with any Noteholder or Couponholder. The Issuer reserves the right at any time with the prior written approval of the Trustee to vary or terminate the appointment of the Issuing and Paying Agent, any other Paying Agent, the Registrar, any Transfer Agent, the Calculation Agent or the Disposal Agent and to appoint additional or other Paying Agents or Transfer Agents, provided that the Issuer shall at all times maintain (i) an Issuing and Paying Agent, (ii) a Registrar in relation to Registered Notes, (iii) a Transfer Agent in relation to Registered Notes having its specified office in a major European city (which shall be Dublin), (iv) one or more Calculation Agent(s) where the Conditions so require, (v) a Disposal Agent where the Conditions so require, (vi) a Paying Agent having its specified office in a major European city and (vii) such other agents as may be required by any other stock exchange on which the Notes may be listed, in each case as approved by the Trustee and (viii) a Paying Agent with a specified office in a European Union Member State that will not be obliged to withhold or deduct tax pursuant to any law implementing European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Bearer Notes denominated in U.S. dollars in the circumstances described in paragraph (c) above.

Notice of any such change or any change of any specified office shall promptly be given to the Unmatured Coupons and Receipts and Unexchanged Talons.

(f) *Unmatured Coupons and Receipts and Unexchanged Talons*

- (i) Unless the Notes provide that the relative Coupons are to become void upon the due date for redemption of those Notes, Bearer Notes should be surrendered for payment together with all unmatured Coupons (if any) appertaining thereto, failing which an amount equal to the face value of each missing unmatured Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unmatured Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Redemption Amount due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of 10 years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 9).
- (ii) If the Notes so provide, upon the due date for redemption of any Bearer Note, unmatured Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.

- (iii) Upon the due date for redemption of any Bearer Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Upon the due date for redemption of any Bearer Note that is redeemable in instalments, all Receipts relating to such Note having an Instalment Date falling on or after such due date (whether or not attached) shall become void and no payment shall be made in respect of them.
- (v) Where any Bearer Note that provides that the relative unmatured Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unmatured Coupons and any unexchanged Talon relating to it, and where any Bearer Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
- (vi) If the due date for redemption of any Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Bearer Note or Certificate representing it, as the case may be. Interest accrued on a Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Note or Certificate representing it, as the case may be.

(g) *Talons*

On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Bearer Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Issuing and Paying Agent or, as it may direct, in exchange for a further Coupon sheet (and, if necessary, another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 9).

(h) *Non-Business Days*

If any date for payment in respect of any Note, Receipt or Coupon is not a business day, the holder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, "business day" means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for business in the relevant place of presentation, in such jurisdictions as shall be specified as "Business Day Jurisdictions" hereon and:

- (i) (in the case of a payment in a currency other than euro) where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency; or
- (ii) (in the case of a payment in euro) which is a TARGET Business Day.

8 Taxation

All payments in respect of the Notes will be made without withholding or deduction for, or on account of, any present or future taxes, duties or charges of whatsoever nature unless the Issuer or the Registrar or any Transfer Agent or any Paying Agent is required by applicable law to make any such payment in respect of the Notes subject to any withholding or deduction for, or on account of, any present or future taxes, duties or charges of whatsoever nature. In that event the Issuer or such Paying Agent, Registrar or Transfer Agent (as the case may be) shall make such payment after such withholding or deduction has been made and shall account to the relevant authorities for the amount so required to be withheld or deducted. Neither the Issuer nor any Paying Agent, Registrar or Transfer Agent will be obliged to make any additional payments to holders of Notes in respect of such withholding or deduction.

9 Prescription

Claims against the Issuer for payment in respect of the Notes, Receipts and Coupons (which, for this purpose, shall not include Talons) shall be prescribed and become void unless made within 10 years (in the case of principal) or five years (in the case of interest) from the appropriate Relevant Date in respect of them.

10 Events of Default

If any of the following events ("**Events of Default**") occurs, the Trustee at its discretion may, and if so requested by holders of at least one-fifth in principal amount of the Notes then outstanding (or, if so specified in the relevant Supplemental Trust Deed, in respect of a Series of Notes where there are Related Notes, if so requested by holders of at least one fifth in aggregate principal amount of the Controlling Series) or if so directed by an Extraordinary Resolution (or, if so specified in the relevant Supplemental Trust Deed, in respect of a Series of Notes where there are Related Notes, if so directed by an Extraordinary Resolution of the Controlling Series) shall, give notice to the Issuer that the Notes are, and they shall immediately become, due and payable at their Early Redemption Amount together (if applicable) with accrued interest and the security constituted by the Trust Deed shall become enforceable (as provided in the Trust Deed):

- (a) if default is made for a period of 14 days or more in the payment of any sum due in respect of the Notes or any Related Notes or any of them; or
- (b) if the Issuer fails to perform or observe any of its other obligations under the Notes, any Related Notes or the Trust Deed and such failure continues for a period of 30 days (or such longer period as the Trustee may permit) next following the service by the Trustee on the Issuer of notice requiring the same to be remedied unless, in the opinion of the Trustee, incapable of remedy, in which case no notice shall be required; or
- (c) if an administrator shall be appointed or any order shall be made by any competent court or any resolution passed for the winding-up or dissolution of the Issuer or the appointment of an examiner, liquidator or similar official in relation to the Issuer save for the purposes of amalgamation, merger, consolidation, reorganisation or other similar arrangement on terms previously approved by the Trustee or by an Extraordinary Resolution; or

- (d) it is or will become unlawful for the Issuer to comply with any one or more of its obligations under any of the Notes or any Related Notes; or
- (e) any event occurs which under the laws of any relevant jurisdiction has an analogous effect to any of the events referred to in any of the foregoing paragraphs.

The Issuer has undertaken in the Principal Trust Deed that, on each anniversary of the date of the Principal Trust Deed and also within 14 days after any request by the Trustee, it will send to the Trustee a certificate signed by two Directors of the Issuer to the effect that, since the date of the Principal Trust Deed or, as the case may be, the date of the last such certificate, no Event of Default, Potential Event of Default or other matter required to be brought to the Trustee's attention has occurred.

11 Enforcement

At any time after the Notes become due and payable, the Trustee may, at its discretion and without further notice, institute such proceedings against the Issuer as it may think fit to enforce the terms of the Trust Deed, the Notes and Coupons, but it need not take any proceedings unless (i) it shall have been so directed by an Extraordinary Resolution (or, if so specified in the relevant Supplemental Trust Deed, in respect of a Series of Notes where there are Related Notes, if so directed by an Extraordinary Resolution of the Controlling Series) or so requested in writing by Noteholders holding at least one-fifth in principal amount of Notes outstanding, (or, if so specified in the relevant Supplemental Trust Deed, in respect of a Series of Notes where there are Related Notes, if so requested by holders of at least one fifth in aggregate principal amount of the Controlling Series) and (ii) it shall have been indemnified to its satisfaction.

Only the Trustee may pursue the remedies available under the Trust Deed to enforce the rights of the Noteholders and Couponholders and no Noteholder or Couponholder is entitled to proceed against the Issuer unless the Trustee, having become bound to proceed in accordance with the terms of the Trust Deed, fails or neglects to do so and such failure or neglect is continuing. Having realised the security or, in the case of a partial redemption of Notes pursuant to Condition 6(c), part of the security corresponding to the proportion of Notes redeemed, and distributed the net proceeds in accordance with Condition 4, the Trustee may not take any further steps against the Issuer to recover any sum still unpaid and the Issuer will not be obliged to make any further payment in respect of any such sum and accordingly no debt shall be owed by the Issuer in respect of any such sum.

12 Meeting of Noteholders, Modification, Waiver and Substitution

(a) *Meetings of Noteholders*

The Trust Deed contains provisions for convening meetings of Noteholders to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution (as defined in the Trust Deed) of a modification of any of these Conditions or any provisions of the Trust Deed or the restructuring of the Notes. Such a meeting may be convened by Noteholders holding not less than 10 per cent. in principal amount of the Notes for the time being outstanding. The quorum for any meeting convened to consider an Extraordinary Resolution shall be two or more persons holding or representing a clear majority in principal amount of the Notes for the time being outstanding, or at any adjourned meeting two or more persons being or representing Noteholders whatever the principal amount of the

Notes held or represented, unless the business of such meeting includes consideration of proposals, *inter alia*, (i) to amend the dates of maturity or redemption of the Notes, any Instalment Date or any date for payment of interest or Interest Amounts on the Notes, (ii) to reduce or cancel the nominal amount of, or any Instalment Amount of, or any premium payable on redemption of, the Notes, (iii) to reduce the rate or rates of interest in respect of the Notes or to vary the method or basis of calculating the rate or rates or amount of interest or the basis for calculating any Interest Amount in respect of the Notes, (iv) if a Minimum and/or a Maximum Rate of Interest, Instalment Amount or Redemption Amount is shown hereon to reduce any such Minimum and/or Maximum, (v) to vary any method of, or basis for, calculating the Redemption Amount or the Early Redemption Amount including the method of calculating the Amortised Face Amount, (vi) to vary the currency or currencies of payment or denomination of the Notes, (vii) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass an Extraordinary Resolution, (viii) to modify the provisions of the Trust Deed concerning this exception or (ix) to modify the Mortgaged Property, in which case the necessary quorum shall be two or more persons holding or representing not less than 75 per cent., or at any adjourned meeting not less than 25 per cent., in principal amount of the Notes for the time being outstanding. Any Extraordinary Resolution duly passed shall be binding on all Noteholders (whether or not they were present at the meeting at which such resolution was passed) and on all Couponholders. A written resolution of the holders of not less than 90 per cent. in principal amount of the Notes for the time being outstanding shall take effect as an Extraordinary Resolution.

No Extraordinary Resolution to modify the terms of the Mortgaged Property or affecting terms concerning the amount, currency or the due dates of payment of the Notes, Receipts, Coupons or Talons relating thereto, which would in the opinion of the Trustee affect the corresponding terms of any Related Notes or adversely affect the interests of the holders of any Related Notes shall take effect, unless it has been sanctioned by an Extraordinary Resolution of the holders of any Related Notes.

The Conditions may be amended, modified or varied in relation to the Notes by the terms of the relevant Supplemental Trust Deed in relation to such Notes.

(b) *Single and separate meetings for holders of Notes and holders of any Related Notes*

A single meeting of the holders of the Notes and the holders of any Related Notes may be convened if to do so would not, in the opinion of the Trustee, be materially prejudicial to the holders of the Notes and/or the Related Notes. In all other circumstances, separate meetings of the holders of the Notes and the holders of any Related Notes shall be convened.

(c) *Modification of the Trust Deed*

The Trustee may agree, without the consent of the Noteholders or Couponholders, to (i) any modification of any of these Conditions or any of the provisions of the Trust Deed or any relevant Swap Agreement that is in its opinion of a formal, minor or technical nature or is made to correct a manifest error, and (ii) any other modification (except as mentioned in the Trust Deed), and any waiver or authorisation of any breach or proposed breach, of any of the provisions of the Trust Deed that is in the opinion of the Trustee not materially prejudicial to the interests of the Noteholders.

Any such modification, authorisation or waiver shall be binding on the Noteholders and the Couponholders and, if the Trustee so requires, such modification shall be notified to the Noteholders as soon as practicable. In relation to Notes which are rated by a rating agency, the Issuer shall notify the relevant rating agency of any modification made in accordance with this Condition 12(c).

(d) *Substitution*

The Trust Deed contains provisions permitting the Trustee to agree, subject to such amendment of the Trust Deed and such other conditions as the Trustee may require including the transfer of the Mortgaged Property and subject to the consent of the relevant Swap Counterparty, but without the consent of the Noteholders or the Couponholders, to the substitution of any other company in place of the Issuer, or of any previous substituted company, as principal debtor under the Trust Deed and the Notes provided that, in relation only to Notes which are rated by a rating agency, the Issuer shall notify the appropriate rating agency and that such change shall not adversely affect any existing rating of the Notes as confirmed in writing by the appropriate rating agency. In the case of such a substitution the Trustee may agree, without the consent of the Noteholders or the Couponholders, to a change of the law governing the Notes, the Receipts, the Coupons, the Talons and/or the Trust Deed provided that such change (i) would not in the opinion of the Trustee be materially prejudicial to the interests of the Noteholders and (ii) in relation only to Notes rated by a rating agency, shall not adversely affect any existing rating of the Notes as confirmed in writing by the appropriate rating agency. Under the Trust Deed, the Trustee may agree or require the Issuer to procure the substitution as principal debtor under the Trust Deed of a company incorporated in some other jurisdiction in the event of the Issuer becoming subject to any form of tax on its income or payments in respect of the Notes.

(e) *Entitlement of the Trustee*

In connection with the exercise of its functions (including but not limited to those referred to in this Condition) the Trustee shall have regard to the interests of each Series of Noteholders as a class subject to Condition 11 and shall not have regard to the consequences of such exercise for individual Noteholders or Couponholders and the Trustee shall not be entitled to require, nor shall any Noteholder or Couponholder be entitled to claim, from the Issuer any indemnification or payment in respect of any tax consequence of any such exercise upon individual Noteholders or Couponholders.

Where, in the opinion of the Trustee, there is a conflict between the interests of the holders of the Notes and those of any Related Notes and/or its duties as Trustee for the holders of Notes and for the holders of any Related Notes, the Trustee shall, unless otherwise specified in the relevant Supplemental Trust Deed, act solely on behalf of the holders of the Controlling Series following enforcement of the security over the Mortgaged Property and shall have regard to their interests alone and shall not be responsible to the holders of the Notes that do not comprise the Controlling Series for so doing.

(f) *Retirement or Removal of the Trustee*

The Trust Deed contains detailed provisions for the appointment, retirement and removal of the Trustee. The Issuer has the power of appointing new trustees in

respect of any Series of Notes with the approval of Noteholders by Extraordinary Resolution (or in respect of a Series where there are Related Notes, the approval of holders of the Controlling Series by Extraordinary Resolution). Any trustee may retire by giving three months' written notice to the Issuer and any trustee may be removed by Extraordinary Resolution (or in respect of a Series of Notes where there are Related Notes by Extraordinary Resolution of holders of the Controlling Series). However, if the Trustee is a sole trust corporation then any such retirement or removal shall not be effective until a successor Trustee is appointed.

13 Replacement of Notes, Certificates, Receipts, Coupons and Talons

If a Note, Certificate, Receipt, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and stock exchange regulations, at the specified office of the Paying Agent (in the case of Bearer Notes, Receipts, Coupons or Talons) and of the Registrar (in the case of Certificates) or such other Paying Agent, as the case may be, as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Note, Certificate, Receipt, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Notes, Certificates, Receipts, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Notes, Certificates, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

14 Notices

Notices to the holders of Registered Notes shall be mailed to them at their respective addresses in the Register and deemed to have been given on the fourth weekday (being a day other than a Saturday or a Sunday) after the date of mailing. Notices to the holders of Bearer Notes shall be valid if published in a daily newspaper of general circulation in London (which is expected to be the *Financial Times*) and (so long as the Notes are listed on a stock exchange and the rules of that stock exchange so require) in any such other newspaper in which publication is so required by the rules of that stock exchange (which, in the case of Notes listed on the Irish Stock Exchange, is expected to be the *Irish Times*). If in the opinion of the Trustee any such publication is not practicable, notice shall be validly given if published in another leading daily English language newspaper with general circulation in Europe. Any such notice shall be deemed to have been given on the date of such publication or, if published more than once or on different dates, on the first date on which publication is made, as provided above.

Couponholders shall be deemed for all purposes to have notice of the contents of any notice given to the holders of Bearer Notes in accordance with this Condition.

15 Indemnification and Obligations of the Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility including for the exercise of any voting rights in respect of the Mortgaged Property, for the validity, sufficiency and enforceability (which the Trustee has not investigated) of the security created over the Mortgaged Property and for taking

proceedings to enforce repayment unless indemnified to its satisfaction. The Trustee and any affiliate is entitled to enter into business transactions with the Issuer, any issuer or guarantor (where applicable) of any of the Mortgaged Property, any Swap Counterparty or any of their subsidiary, holding or associated companies without accounting to the Noteholders for profit resulting therefrom.

The Trustee is exempted from liability with respect to any loss or theft or reduction in value of the Mortgaged Property, from any obligation to insure or to procure the insuring of the Mortgaged Property and from any claim arising from the fact that the Mortgaged Property will be held in safe custody by the Custodian or other custodian approved in writing by the Trustee (in each case, if applicable).

The Trust Deed provides that in acting as Trustee under this Trust Deed the Trustee shall not, in respect of Notes of any Series, assume any duty or responsibility to any Swap Counterparty (other than to pay to any Swap Counterparty any moneys received and payable to it and to act in accordance with the provisions of Condition 4) or any Credit Enhancement Provider and shall have regard solely to the interests of the Noteholders and shall not be obliged to act on any directions of the Swap Counterparty if this would in the Trustee's opinion be contrary to the interests of the Noteholders or Couponholders.

16 Governing Law and Jurisdiction

(a) *Governing Law*

The Trust Deed, the Notes, the Receipts, the Coupons and the Talons are governed by, and shall be construed in accordance with, English law.

(b) *Jurisdiction*

The Courts of England are to have jurisdiction to settle any disputes that may arise out of or in connection with the Trust Deed, any Notes, Receipts, Coupons or Talons and accordingly any legal action or proceedings arising out of or in connection with the Trust Deed, any Notes, Receipts, Coupons or Talons ("**Proceedings**") may be brought in such courts.

(c) *Service of Process*

The Issuer has irrevocably appointed Lehman Brothers International (Europe) as its agent in England to receive, for it and on its behalf, service of process in any Proceedings in England.

17 Contracts (Rights of Third Parties) Act 1999

No person shall have any right to enforce any term or condition of the Notes under the Contracts (Rights of Third Parties) Act 1999 except to the extent (if any) that the Notes expressly provide for such Act to apply to any of their terms.

2 A meeting shall, subject to the Conditions and without prejudice to any powers conferred on other persons by this Principal Trust Deed, have power by Extraordinary Resolution:

- 2.1** to sanction any proposal by the Issuer or the Trustee for any modification, abrogation, variation or compromise of, or arrangement in respect of, the rights of the Noteholders and/or the Couponholders against the Issuer, whether or not those rights arise under this Principal Trust Deed;

A resolution in writing signed by or on behalf of the holders of not less than 90 per cent. in principal amount of the Notes who for the time being are entitled to receive notice of a meeting in accordance with the provisions herein contained shall for all purposes be as valid and effectual as an Extraordinary Resolution passed at a meeting of such Noteholders duly convened and held in accordance with the provisions herein contained. Such resolution in writing may be contained in one document or in several documents in like form each signed by or on behalf of one or more Noteholders.

3 Convening a meeting

The Issuer or the Trustee may at any time convene a meeting. If it receives a written request by Noteholders holding at least 10 per cent. in principal amount of the Notes for the time being outstanding and is indemnified to its satisfaction against all costs and expenses, the Trustee shall convene a meeting.

Every meeting shall be held at a time and place approved by the Trustee.

- 4 At least 21 days' notice (exclusive of the day on which the notice is given and of the day of the meeting) shall be given to the Noteholders.

A copy of the notice shall be given by the party convening the meeting to the other parties.

The notice shall specify the day, time and place of meeting and, unless the Trustee otherwise agrees, the nature of the resolutions to be proposed and shall explain how Noteholders may appoint proxies or representatives, obtain voting certificates and use block voting instructions and the details of the time limits applicable.

5 Arrangements for voting

If a holder of a Bearer Note wishes to obtain a voting certificate in respect of it for a meeting, he must deposit it for that purpose at least 48 hours before the time fixed for the meeting with a Paying Agent or to the order of a Paying Agent with a bank or other depositary nominated by the Paying Agent for the purpose. The Paying Agent shall then issue a voting certificate in respect of it.

- 6 A voting certificate shall:

- 6.1 be a document in the English language;
- 6.2 be dated;
- 6.3 specify the meeting concerned and the serial numbers of the Notes deposited; and

- 6.4** entitle, and state that it entitles, its bearer to attend and vote at that meeting in respect of those Notes.
- 7** Once a Paying Agent has issued a voting certificate for a meeting in respect of a Note, it shall not release the Note until either:
- 7.1** the meeting has been concluded; or
- 7.2** the voting certificate has been surrendered to the Paying Agent.
- 8** If a holder of a Bearer Note wishes the votes attributable to it to be included in a block voting instruction for a meeting, then, at least 48 hours before the time fixed for the meeting, (i) he must deposit the Note for that purpose with a Paying Agent or to the order of a Paying Agent with a bank or other depositary nominated by the Paying Agent for the purpose and (ii) he or a duly authorised person on his behalf must direct the Paying Agent how those votes are to be cast. The Paying Agent shall issue a block voting instruction in respect of the votes attributable to all Notes so deposited.
- 9** A block voting instruction shall:
- 9.1** be a document in the English language;
- 9.2** be dated;
- 9.3** specify the meeting concerned;
- 9.4** list the total number and serial numbers of the Notes deposited, distinguishing with regard to each resolution between those voting for and those voting against it;
- 9.5** certify that such list is in accordance with Notes deposited and directions received as provided in paragraphs 8, 11 and 14; and
- 9.6** appoint a named person (a “**proxy**”) to vote at that meeting in respect of those Notes and in accordance with that list. A proxy need not be a Noteholder.
- 10** Once a Paying Agent has issued a block voting instruction for a meeting in respect of the votes attributable to any Notes:
- 10.1** it shall not release the Notes, except as provided in paragraph 11, until the meeting has been concluded; and
- 10.2** the directions to which it gives effect may not be revoked or altered during the 48 hours before the time fixed for the meeting.
- 11** If the receipt for a Note deposited with a Paying Agent in accordance with paragraph 8 is surrendered to the Paying Agent at least 48 hours before the time fixed for the meeting, the Paying Agent shall release the Note and exclude the votes attributable to it from the block voting instruction.
- 12** Each block voting instruction shall be deposited at least 24 hours before the time fixed for the meeting at such place as the Trustee shall designate or approve, and in default it shall not be valid unless the chairman of the meeting decides otherwise before the meeting proceeds to business.
- If the Trustee requires, a notarially certified copy of each block voting instruction shall be produced by the proxy at the meeting but the Trustee need not investigate or be concerned with the validity of the proxy’s appointment.

- 13** A vote cast in accordance with a block voting instruction shall be valid even if it or any of the Noteholders' instructions pursuant to which it was executed has previously been revoked or amended, unless written intimation of such revocation or amendment is received from the relevant Paying Agent by the Issuer or the Trustee at its registered office or by the chairman of the meeting in each case at least 24 hours before the time fixed for the meeting.
- 14** No Note may be deposited with or to the order of a Paying Agent at the same time for the purposes of both paragraph 5 and paragraph 8 for the same meeting.

Representations

- 15** A holder of a Registered Note may, by an instrument in writing in the form available from the specified office of a Transfer Agent in the English language executed by or on behalf of the holder and delivered to the Transfer Agent at least 24 hours before the time fixed for a meeting, appoint any person (a "**proxy**") to act on his behalf in connection with that meeting. A proxy need not be a Noteholder.

A corporation which holds a Registered Note may by delivering to a Transfer Agent at least 24 hours before the time fixed for a meeting a certified copy of a resolution of its directors or other governing body (with, if it is not in English, a certified translation into English) authorise any person to act as its representative (a "**representative**") in connection with that meeting.

Chairman

- 16** The chairman of a meeting shall be such person as the Trustee may nominate in writing, but if no such nomination is made or if the person nominated is not present within 15 minutes after the time fixed for the meeting the Noteholders or agents present shall choose one of their number to be chairman, failing which the Issuer may appoint a chairman. The chairman need not be a Noteholder or agent. The chairman of an adjourned meeting need not be the same person as the chairman of the original meeting.

Attendance

- 17** The following may attend and speak at a meeting:
- 17.1** Noteholders and agents;
 - 17.2** the chairman;
 - 17.3** the Issuer and the Trustee (through their respective representatives) and their respective financial and legal advisers;
 - 17.4** the Dealers and their advisers.

No-one else may attend or speak.

Quorum and Adjournment

- 18** No business (except choosing a chairman) shall be transacted at a meeting unless a quorum is present at the commencement of business. If a quorum is not present within 15 minutes from the time initially fixed for the meeting, it shall, if convened on the requisition of Noteholders or if the Issuer and the Trustee agree, be dissolved.

In any other case it shall be adjourned until such date, not less than 14 nor more than 42 days later, and time and place as the chairman may decide.

If a quorum is not present within 15 minutes from the time fixed for a meeting so adjourned, the meeting shall be dissolved.

19 Two or more Noteholders or agents present in person shall be a quorum:

19.1 in the cases marked "No minimum proportion" in the table below, whatever the proportion of the Notes which they represent;

19.2 in any other case, only if they represent the proportion of the Notes shown by the table below.

COLUMN 1	COLUMN 2	COLUMN 3
Purpose of meeting	Any meeting except one referred to in column 3	Meeting previously adjourned though want of a quorum
	Required proportion	Required proportion
To pass a special quorum resolution	75 per cent.	25 per cent.
To pass any other Extraordinary Resolution	A clear majority	No minimum proportion
Any other purpose	10 per cent.	No minimum proportion

20 The chairman may with the consent of (and shall if directed by) a meeting adjourn the meeting from time to time and from place to place. Only business which could have been transacted at the original meeting may be transacted at a meeting adjourned in accordance with this paragraph or paragraph 18.

21 At least 10 days' notice of a meeting adjourned through want of a quorum shall be given in the same manner as for an original meeting and that notice shall state the quorum required at the adjourned meeting. No notice need, however, otherwise be given of an adjourned meeting.

Voting

22 Each question submitted to a meeting shall be decided by a show of hands unless a poll is (before, or on the declaration of the result of, the show of hands) demanded by the chairman, the Issuer, the Trustee or one or more persons representing 2 per cent. of the Notes.

23 Unless a poll is demanded a declaration by the chairman that a resolution has or has not been passed shall be conclusive evidence of the fact without proof of the number or proportion of the votes cast in favour of or against it.

24 If a poll is demanded, it shall be taken in such manner and (subject as provided below) either at once or after such adjournment as the chairman directs. The result of the poll shall be deemed to be the resolution of the meeting at which it was demanded as at the date it was taken. A demand for a poll shall not prevent the meeting continuing for the transaction of business other than the question on which it has been demanded.

25 A poll demanded on the election of a chairman or on a question of adjournment shall be taken at once.

26 On a show of hands every person who is present in person and who produces a Bearer Note, a Certificate of which he is the registered holder or a voting certificate or is a proxy or representative has one vote. On a poll every such person has one vote for each Note so produced or represented by the voting certificate so produced or for which he is a proxy or representative.

Without prejudice to the obligations of proxies, a person entitled to more than one vote need not use them all or cast them all in the same way.

27 In case of equality of votes the chairman shall both on a show of hands and on a poll have a casting vote in addition to any other votes which he may have.

Effect and Publication of an Extraordinary Resolution

28 An Extraordinary Resolution shall be binding on all the Noteholders, whether or not present at the meeting, and on all the Couponholders and each of them shall be bound to give effect to it accordingly. The passing of such a resolution shall be conclusive evidence that the circumstances justify its being passed. The Issuer shall give notice of the passing of an Extraordinary Resolution to Noteholders within 14 days but failure to do so shall not invalidate the resolution.

Minutes

29 Minutes shall be made of all resolutions and proceedings at every meeting and, if purporting to be signed by the chairman of that meeting or of the next succeeding meeting, shall be conclusive evidence of the matters in them. Until the contrary is proved every meeting for which minutes have been so made and signed shall be deemed to have been duly convened and held and all resolutions passed or proceedings transacted at it to have been duly passed and transacted.

Trustee's Power to Prescribe Regulations

30 Subject to all other provisions in this Trust Deed the Trustee may without the consent of the Noteholders prescribe such further regulations regarding the holding of meetings and attendance and voting at them as it in its sole discretion determines including (without limitation) such requirements as the Trustee thinks reasonable to satisfy itself that the persons who purport to make any requisition in accordance with this Trust Deed are entitled to do so and as to the form of voting certificates or block voting instructions so as to satisfy itself that persons who purport to attend or vote at a meeting are entitled to do so.

31 The holder of a Global Note or Global Certificate shall (unless such Global Note or Global Certificate represents only one Note) be treated as two persons for the purposes of any quorum requirements of a meeting of Noteholders.

32 The foregoing provisions of this Schedule shall have effect subject to the following provisions:

32.1 meetings of Noteholders of separate Series will normally be held separately. A single meeting of the holders of the Notes and the holders of any Related Notes may be convened if to do so would not, in the opinion of the Trustee, be materially prejudicial to the holders of the Notes and/or the Related Notes. However, the Trustee may

from time to time determine that meetings of Noteholders of separate Series shall be held together;

- 32.2** a resolution that in the opinion of the Trustee affects one Series alone shall be deemed to have been duly passed if passed at a separate meeting of the Noteholders of the Series concerned;
- 32.3** a resolution that in the opinion of the Trustee affects the Noteholders of more than one Series but does not give rise to a conflict of interest between the Noteholders of the different Series concerned shall be deemed to have been duly passed if passed at a single meeting of the Noteholders of the relevant Series provided that for the purposes of determining the votes a Noteholder is entitled to cast pursuant to paragraph 26, each Noteholder shall have one vote in respect of each U.S.\$1,000 principal amount of Notes held, converted, if such Notes are not denominated in U.S. dollars, in accordance with sub-Clause 9.12;
- 32.4** a resolution that in the opinion of the Trustee affects the Noteholders of more than one Series and gives or may give rise to a conflict of interest between the Noteholders of the different Series concerned shall be deemed to have been duly passed only if it shall be duly passed at separate meetings of the Noteholders of the relevant Series;
- 32.5** to all such meetings as aforesaid all the preceding provisions of this Schedule shall *mutatis mutandis* apply as though references therein to Notes and to Noteholders were references to the Notes and Noteholders of the Series concerned.
- 32.6** No Extraordinary Resolution to modify the terms of the Mortgaged Property or affecting certain terms concerning the amount and currency and the due dates of payment of the Notes and the Receipts and Coupons relating thereto, which would in the opinion of the Trustee affect the corresponding terms of any Related Notes or adversely affect the interests of the holders of any Related Notes shall take effect, unless it has been sanctioned by an Extraordinary Resolution of the holders of the relevant Related Notes.
- 32.7** If this Trust Deed specifies that a direction or an Extraordinary Resolution is to be given by the Controlling Series, then such direction or Extraordinary Resolution need only to be given or passed by the Controlling Series.

- (ii) this Deed constitutes its legal, valid, binding and enforceable obligations (subject to applicable bankruptcy, reorganisation, insolvency, moratorium or similar laws affecting creditors' rights generally and, as to enforceability, subject to equitable principles of general application).

8.4 Additional Representations and Warranties: In respect of the sale of the Collateral by the Dealer on the Issue Date, the Dealer hereby represents and warrants to the Issuer that:

- 8.4.1 the Dealer sells all rights, title and interest therein free and clear of all mortgages, pledges, liens, charges, assignments, security interests, options, equities (including, without limitation, rights of set-off or counterclaim) or any other encumbrances of any nature whatsoever (other than any claims of the clearing system (or its operator) through which such Collateral is held);
- 8.4.2 the Dealer is not, both prior to the sale of such Collateral nor will be as a result of such sale, unable to pay its debts as they fall due within the meaning of Section 123 of the Insolvency Act 1986;
- 8.4.3 (i) the Dealer is entering into such sale of the Collateral in good faith and for the purpose of carrying on its business, (ii) the Dealer considers such sale to be in its best interests and (iii) the Dealer has not entered into such sale of the Collateral in order to defraud its creditors; and
- 8.4.4 the sale of such Collateral is not made below fair market value

9 Disposal Agent

9.1 Appointment: The Issuer appoints the Disposal Agent as its agent for the purposes of arranging for the disposal or transfer of the Collateral or any part of it that is required to be disposed of or transferred pursuant to the Conditions or in order to meet its obligations under the Swap Agreement (the "**Affected Collateral**") on the following terms and conditions.

9.2 Duties: The Disposal Agent shall:

- 9.2.1 on any date (the "**Solicitation Date**") on which the Issuer becomes obliged under the Conditions or the Swap Agreement to sell the Affected Collateral, use its reasonable endeavours to solicit:
 - (i) offers from third parties (which, for the avoidance of doubt, may not include itself) ("**Offerors**") to purchase the Affected Collateral for settlement on a date no later than 5 Business Days after the Solicitation Date (the "**Disposal Date**"); and

- (ii) quotations from such Offerors of the price at which each would be prepared to purchase the Affected Collateral on such terms;

- 9.2.2 as the Issuer's agent, arrange the sale of the Affected Collateral on the Issuer's behalf (the "Sale") for settlement on the Disposal Date to the Offeror which made the highest offer to purchase it (the "Purchaser"). The Issuer hereby authorises the Disposal Agent to give settlement instructions to the Custodian in connection with such Sale;
- 9.2.3 as the Issuer's agent, arrange the transfer of the Affected Collateral on the Issuer's behalf (the "Transfer") for settlement on the Disposal Date to the Purchaser. The Issuer hereby authorises the Disposal Agent to give settlement instructions to the Custodian in connection with such Transfer.

If the Disposal Agent fails to take any action that it is required to take pursuant to this Deed, it shall forthwith notify the Issuer, S&P, the Trustee and the Issuing and Paying Agent in writing.

9.3 Dealings in Collateral: The Custodian may:

- 9.3.1 accept settlement instructions from the Disposal Agent in connection with the Sale;
- 9.3.2 upon the instruction of the Disposal Agent, accept delivery of the purchase moneys (if any) for the Affected Collateral from the Purchaser. Clause 15.8 of the Agency Agreement shall apply to such purchase moneys in payment to the Swap Counterparty in accordance with the terms of the Swap Agreement;
- 9.3.3 deliver the Affected Collateral to, or for the account of, the recipient specified in the instruction of the Disposal Agent against, in the case of the sale of the Affected Collateral, such receipt of the purchase moneys.

The Swap Counterparty hereby agrees that, if an Event of Default (as defined in the ISDA Master Agreement) occurs under the Swap Agreement and the Swap Counterparty is the Defaulting Party (as defined in the ISDA Master Agreement) or if a Tax Event (as defined in the ISDA Master Agreement) occurs under the Swap Agreement and the Swap Counterparty is the sole Affected Party (as defined in the ISDA Master Agreement) and Unwind Costs are payable by the Issuer to the Swap Counterparty, the Issuer shall apply the net proceeds from the sale or realisation of the Collateral (1) first in redeeming the Notes in an amount as set out in the Conditions and (2) thereafter, in payment of such Unwind Costs to the Swap Counterparty.

9.4 General: In acting under this Deed, the Disposal Agent:

- 9.4.1 may take such steps as it considers appropriate in order to effect an orderly sale of the Affected Collateral but may not delay arrangements of the sale beyond the Disposal Date in the hope of achieving a higher price and will not be liable to the Issuer or any party hereto merely because a higher price could have been obtained had the sale been delayed;
- 9.4.2 shall not be liable for any costs, charges, losses, damages, liabilities or expenses ("Losses") arising from or connected with the sale or from any act or omission in relation to the Affected Collateral or otherwise unless such Losses are caused by its own fraud, negligence, misconduct or wilful default;
- 9.4.3 shall not have any obligations towards or relationship of agency or trust with the Noteholders;
- 9.4.4 may consult on any legal matter any legal adviser selected by it, who may be an employee of or adviser to the Issuer, and it shall not be liable in respect of anything

done or omitted to be done relating to that matter in good faith in accordance with that adviser's opinion;

- 9.4.5 shall not be liable in respect of anything done or suffered by it in reliance on a document it reasonably believed to be genuine and to have been signed by the proper parties or on information to which it should properly have regard and which it reasonably believed to be genuine and to have been originated by the proper parties;
- 9.4.6 may acquire, hold or dispose of any Notes or other security (or any interest therein) of the Issuer or any other person, may enter into or be interested in any contract or transaction with any such person and may act on, or as depository, trustee or agent for, any committee or body of holders of any securities of any such person in each case with the same rights as it would have had if the Disposal Agent were not the Disposal Agent, and need not account for any profit.

9.5 Changes In Disposal Agent

- 9.5.1 The Disposal Agent may resign its appointment hereunder at any time by giving prior written notice to the Issuer (which notice shall not expire less than 30 days before or after the Disposal Date). If the Disposal Agent is unable or unwilling or otherwise fails to act, the Issuer shall immediately appoint a leading bank or investment banking firm to act as its successor. Resignation by the Disposal Agent shall not take effect, nor may the Disposal Agent be removed (save as set out herein), until the Issuer has appointed a replacement disposal agent upon substantially the same terms. The Issuer agrees with the Disposal Agent that if, 10 days before the expiry of any notice under this Clause, the Issuer has not appointed a replacement disposal agent, the Disposal Agent shall be entitled, on behalf of the Issuer, to appoint a disposal agent in its place meeting the requirements set out above to which the Issuer shall have no reasonable objection.
- 9.5.2 The Issuer may forthwith terminate the appointment of the Disposal Agent if (i) at any time the Disposal Agent becomes incapable of acting, or is adjudged bankrupt or insolvent, or files a voluntary petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver, administrator or other similar official of all or any substantial part of its property or admits in writing its inability to pay or to meet its debts as they mature or suspends payment thereof, or if a resolution is passed or an order made for its winding-up or dissolution, or if a receiver, administrator or other similar official of itself or all or any substantial part of its property is appointed, or if an order of any court is entered approving any petition filed by or against it under the provisions of any applicable bankruptcy or insolvency laws, or if any public officer takes charge or control of it or its property or affairs for the purpose of rehabilitation, conservation or liquidation; or (ii) it fails duly to perform any act required to be performed by it under this Deed and the Issuer gives it notice that it intends to appoint a replacement disposal agent.
- 9.5.3 In accordance with the Conditions the Issuer shall give the Noteholders, the Trustee, Standard & Poor's Rating Services, a division of the McGraw-Hill Companies ("S&P") and the Issuing and Paying Agent at least 30 days' notice of any such proposed resignation or termination or, where the appointment is terminated forthwith in accordance with this Clause, shall give notice as soon as possible after such termination.
- 9.5.4 Any organisation into which the Disposal Agent may be merged or converted or with which the Disposal Agent may be consolidated or which results from any merger,

conversion or consolidation ("**Merger**") to which the Disposal Agent shall be a party shall, to the extent permitted by applicable law, be the successor disposal agent under this Deed without any further formality. Notice of any such Merger shall forthwith be given to the parties hereto. In addition, the Disposal Agent may transfer all of its rights and obligations to any organisation to which the Disposal Agent transfers all or substantially all of the Disposal Agent's assets and business and that assumes such obligations. Upon any such transfer and assumption of obligations, the Disposal Agent shall be relieved of and fully discharged from all obligations under this Deed, whether such obligations arose before or after such transfer and assumption.

10 Appointment of Calculation Agent

- 10.1** The Issuer hereby appoints the Calculation Agent to act as calculation agent for the Notes on the terms of, and as if it were expressed to be a party (as Calculation Agent) to, the Agency Agreement. This appointment relates only to the Notes and not to other issues of other obligations under the Programme.
- 10.2** The Calculation Agent accepts its appointment as Calculation Agent on the terms set out herein.
- 10.3** The Trustee consents to the appointment of the Calculation Agent as Calculation Agent relating to the Notes.
- 10.4** Each Noteholder and the Issuing and Paying Agent may request that the Calculation Agent shall, as soon as practicable, deliver to or to the order of such Noteholder or the Issuing and Paying Agent, as the case may be, reasonable information as to the manner of, and the bases and assumptions upon which, amounts have been calculated pursuant to the Conditions.
- 10.5** Upon notification from the Custodian that there has been a material amendment to the terms and conditions of the Collateral, the Calculation Agent will notify S&P of such material amendment.

11 Notices

All notices to be given in connection with the Notes shall be given or made by facsimile transmission or letter (by first class post) and shall be deemed to be delivered on receipt (when delivered in person), upon transmission (when made by facsimile transmission) and seven business days after the date of posting (if posted by first class post). The relevant addresses for notices are set out in Schedule 2.

12 Offering Circular Supplement

The parties to this Deed acknowledge that the form of Offering Circular Supplement set out in Schedule 2 hereto may be amended after the date of this Deed in connection with, amongst other things, the listing of the Notes on the Irish Stock Exchange. No such amendment may amend the Conditions unless made in accordance with Condition 12.

13 Contracts (Rights of Third Parties) Act 1999

A person who is not party to this Deed has no right, whether under the Contracts (Rights of Third Parties) Act 1999 or otherwise, to enforce any term of this Deed except that and to the extent (if any) that this Deed expressly provides for that Act to apply to any of its terms.

14 Governing Law and Jurisdiction

- 14.1 Governing Law:** This Deed shall be governed by and construed in accordance with English law.
- 14.2 Jurisdiction:** The courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with this Deed, the Principal Trust Deed or the Notes and accordingly any legal action or proceedings arising out of or in connection with this Deed, the Principal Trust Deed or the Notes ("Proceedings") may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of such courts and waives any objection on the ground that the Proceedings have been brought in an inconvenient forum. This submission is for the benefit of each of the other parties to this Deed and the holders of Notes, and shall not limit the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).
- 14.3 Service of Process:** The Issuer irrevocably appoints Lehman Brothers International (Europe) of 25 Bank Street, London E14 5LM to receive, for it and on its behalf, service of process in any Proceedings in England. Such service shall be deemed completed on delivery to such process agent (whether or not it is forwarded to and received by the Issuer). If for any reason its process agent ceases to be able to act as such or no longer has an address in England, the Issuer irrevocably agrees to appoint a substitute process agent acceptable to the parties hereto, and to deliver to the parties hereto a copy of the new agent's acceptance of that appointment, within 30 days. Nothing shall affect the right to serve process in any other manner permitted by law.

In witness whereof this Deed has been executed as a deed as of the date stated at the beginning.

(i) it has the power to enter into the sale (in the case of the Dealer) or purchase (in the case of the Issuer) of such Collateral and has taken all necessary action to authorise such sale or (as the case may be) purchase; and

(ii) its obligation to sell (in the case of the Dealer) or buy (in the case of the Issuer) such Collateral constitutes its legal, valid, binding and enforceable obligations (subject to applicable bankruptcy, reorganisation, insolvency, moratorium or similar laws affecting creditors' rights generally and, as to enforceability, subject to equitable principles of general application); and

8.3.3 on the date of this Deed;

(i) it has the power to enter into this Deed and to perform its obligations hereunder in accordance with the terms and conditions hereof and has taken all necessary action to authorise the execution, delivery and performance of this Deed; and

(ii) this Deed constitutes its legal, valid, binding and enforceable obligations (subject to applicable bankruptcy, reorganisation, insolvency, moratorium or similar laws affecting creditors' rights generally and, as to enforceability, subject to equitable principles of general application).

8.4 Additional Representations and Warranties: In respect of the sale of the Collateral by the Dealer on the Issue Date, the Dealer hereby represents and warrants to the Issuer that:

8.4.1 the Dealer sells all rights, title and interest therein free and clear of all mortgages, pledges, liens, charges, assignments, security interests, options, equities (including, without limitation, rights of set-off or counterclaim) or any other encumbrances of any nature whatsoever (other than any claims of the clearing system (or its operator) through which such Collateral is held);

- 8.4.2 the Dealer is not, both prior to the sale of such Collateral nor will be as a result of such sale, unable to pay its debts as they fall due within the meaning of Section 123 of the Insolvency Act 1986;
- 8.4.3 (i) the Dealer is entering into such sale of the Collateral in good faith and for the purpose of carrying on its business, (ii) the Dealer considers such sale to be in its best interests and (iii) the Dealer has not entered into such sale of the Collateral in order to defraud its creditors; and
- 8.4.4 the sale of such Collateral is not made below fair market value

9 Disposal Agent

9.1 **Appointment:** The Issuer appoints the Disposal Agent as its agent for the purposes of arranging for the disposal or transfer of the Collateral or any part of it that is required to be disposed of or transferred pursuant to the Conditions or in order to meet its obligations under the Swap Agreement (the "**Affected Collateral**") on the following terms and conditions.

9.2 **Duties:** The Disposal Agent shall:

- 9.2.1 on any date (the "**Solicitation Date**") on which the Issuer becomes obliged under the Conditions or the Swap Agreement to sell the Affected Collateral, use its reasonable endeavours to solicit:
 - (i) offers from third parties (which, for the avoidance of doubt, may not include itself) ("**Offerors**") to purchase the Affected Collateral for settlement on a date no later than 5 Business Days after the Solicitation Date (the "**Disposal Date**"); and
 - (ii) quotations from such Offerors of the price at which each would be prepared to purchase the Affected Collateral on such terms;
- 9.2.2 as the Issuer's agent, arrange the sale of the Affected Collateral on the Issuer's behalf (the "**Sale**") for settlement on the Disposal Date to the Offeror which made the highest offer to purchase it (the "**Purchaser**"). The Issuer hereby authorises the Disposal Agent to give settlement instructions to the Custodian in connection with such Sale; and
- 9.2.3 as the Issuer's agent, arrange the transfer of the Affected Collateral on the Issuer's behalf (the "**Transfer**") for settlement on the Disposal Date to the Purchaser. The Issuer hereby authorises the Disposal Agent to give settlement instructions to the Custodian in connection with such Transfer.

If the Disposal Agent fails to take any action that it is required to take pursuant to this Deed, it shall forthwith notify the Issuer, S&P, the Trustee and the Issuing and Paying Agent in writing.

9.3 **Dealings in Collateral:** The Custodian may:

- 9.3.1 accept settlement instructions from the Disposal Agent in connection with the Sale or the Transfer;

- 9.3.2 upon the instruction of the Disposal Agent, accept delivery of the purchase moneys (if any) for the Affected Collateral from the Purchaser. Clause 15.8 of the Agency Agreement shall apply to such purchase moneys in payment to the Swap Counterparty in accordance with the terms of the Swap Agreement; and
- 9.3.3 deliver the Affected Collateral to, or for the account of, the recipient specified in the instruction of the Disposal Agent against, in the case of the sale of the Affected Collateral, such receipt of the purchase moneys.

The Swap Counterparty hereby agrees that, if an Event of Default (as defined in the ISDA Master Agreement) occurs under the Swap Agreement and the Swap Counterparty is the Defaulting Party (as defined in the ISDA Master Agreement) or if a Tax Event (as defined in the ISDA Master Agreement) occurs under the Swap Agreement and the Swap Counterparty is the sole Affected Party (as defined in the ISDA Master Agreement) and Unwind Costs are payable by the Issuer to the Swap Counterparty, the Issuer shall apply the net proceeds from the sale or realisation of the Collateral (1) first in redeeming the Notes in an amount as set out in the Conditions and (2) thereafter, in payment of such Unwind Costs to the Swap Counterparty.

9.4 General: In acting under this Deed, the Disposal Agent:

- 9.4.1 may take such steps as it considers appropriate in order to effect an orderly sale of the Affected Collateral but may not delay arrangements of the sale beyond the Disposal Date in the hope of achieving a higher price and will not be liable to the Issuer or any party hereto merely because a higher price could have been obtained had the sale been delayed;
- 9.4.2 shall not be liable for any costs, charges, losses, damages, liabilities or expenses ("**Losses**") arising from or connected with the sale or from any act or omission in relation to the Affected Collateral or otherwise unless such Losses are caused by its own fraud, negligence, misconduct or wilful default;
- 9.4.3 shall not have any obligations towards or relationship of agency or trust with the Noteholders;
- 9.4.4 may consult on any legal matter any legal adviser selected by it, who may be an employee of or adviser to the Issuer, and it shall not be liable in respect of anything done or omitted to be done relating to that matter in good faith in accordance with that adviser's opinion;
- 9.4.5 shall not be liable in respect of anything done or suffered by it in reliance on a document it reasonably believed to be genuine and to have been signed by the proper parties or on information to which it should properly have regard and which it reasonably believed to be genuine and to have been originated by the proper parties; and
- 9.4.6 may acquire, hold or dispose of any Notes or other security (or any interest therein) of the Issuer or any other person, may enter into or be interested in any contract or transaction with any such person and may act on, or as depository, trustee or agent for, any committee or body of holders of any securities of any such person in each case with the same rights as it would have had if the Disposal Agent were not the Disposal Agent, and need not account for any profit.

9.5 Changes In Disposal Agent

- 9.5.1 The Disposal Agent may resign its appointment hereunder at any time by giving prior written notice to the Issuer (which notice shall not expire less than 30 days before or

after the Disposal Date). If the Disposal Agent is unable or unwilling or otherwise fails to act, the Issuer shall immediately appoint a leading bank or investment banking firm to act as its successor. Resignation by the Disposal Agent shall not take effect, nor may the Disposal Agent be removed (save as set out herein), until the Issuer has appointed a replacement disposal agent upon substantially the same terms. The Issuer agrees with the Disposal Agent that if, 10 days before the expiry of any notice under this Clause, the Issuer has not appointed a replacement disposal agent, the Disposal Agent shall be entitled, on behalf of the Issuer, to appoint a disposal agent in its place meeting the requirements set out above to which the Issuer shall have no reasonable objection.

- 9.5.2** The Issuer may forthwith terminate the appointment of the Disposal Agent if (i) at any time the Disposal Agent becomes incapable of acting, or is adjudged bankrupt or insolvent, or files a voluntary petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver, administrator or other similar official of all or any substantial part of its property or admits in writing its inability to pay or to meet its debts as they mature or suspends payment thereof, or if a resolution is passed or an order made for its winding-up or dissolution, or if a receiver, administrator or other similar official of itself or all or any substantial part of its property is appointed, or if an order of any court is entered approving any petition filed by or against it under the provisions of any applicable bankruptcy or insolvency laws, or if any public officer takes charge or control of it or its property or affairs for the purpose of rehabilitation, conservation or liquidation; or (ii) it fails duly to perform any act required to be performed by it under this Deed and the Issuer gives it notice that it intends to appoint a replacement disposal agent.
- 9.5.3** In accordance with the Conditions the Issuer shall give the Noteholders, S&P and the Issuing and Paying Agent at least 30 days' notice of any such proposed resignation or termination or, where the appointment is terminated forthwith in accordance with this Clause, shall give notice as soon as possible after such termination.
- 9.5.4** Any organisation into which the Disposal Agent may be merged or converted or with which the Disposal Agent may be consolidated or which results from any merger, conversion or consolidation ("**Merger**") to which the Disposal Agent shall be a party shall, to the extent permitted by applicable law, be the successor disposal agent under this Deed without any further formality. Notice of any such Merger shall forthwith be given to the parties hereto. In addition, the Disposal Agent may transfer all of its rights and obligations to any organisation to which the Disposal Agent transfers all or substantially all of the Disposal Agent's assets and business and that assumes such obligations. Upon any such transfer and assumption of obligations, the Disposal Agent shall be relieved of and fully discharged from all obligations under this Deed, whether such obligations arose before or after such transfer and assumption.

10 Appointment of Calculation Agent

- 10.1** The Issuer hereby appoints the Calculation Agent to act as calculation agent for the Notes on the terms of, and as if it were expressed to be a party (as Calculation Agent) to, the Agency Agreement. This appointment relates only to the Notes and not to other issues of other obligations under the Programme.
- 10.2** The Calculation Agent accepts its appointment as Calculation Agent on the terms set out herein.

- 10.3** The Trustee consents to the appointment of the Calculation Agent as Calculation Agent relating to the Notes.
- 10.4** Each Noteholder and the Issuing and Paying Agent may request that the Calculation Agent shall, as soon as practicable, deliver to or to the order of such Noteholder or the Issuing and Paying Agent, as the case may be, reasonable information as to the manner of, and the bases and assumptions upon which, amounts have been calculated pursuant to the Conditions.
- 10.5** Upon notification from the Custodian that there has been a material amendment to the terms and conditions of the Collateral, the Calculation Agent will notify S&P of such material amendment.

11 Notices

All notices to be given in connection with the Notes shall be given or made by facsimile transmission or letter (by first class post) and shall be deemed to be delivered on receipt (when delivered in person), upon transmission (when made by facsimile transmission) and seven business days after the date of posting (if posted by first class post). The relevant addresses for notices are set out in Schedule 1 to this Deed.

12 Series Prospectus

The parties to this Deed acknowledge that the form of Series Prospectus set out in Schedule 2 hereto may be amended after the date of this Deed in connection with, amongst other things, the listing of the Notes on the Irish Stock Exchange. No such amendment may amend the Conditions unless made in accordance with Condition 12.

13 Contracts (Rights of Third Parties) Act 1999

A person who is not party to this Deed has no right, whether under the Contracts (Rights of Third Parties) Act 1999 or otherwise, to enforce any term of this Deed except that and to the extent (if any) that this Deed expressly provides for that Act to apply to any of its terms.

14 Governing Law and Jurisdiction

- 14.1 Governing Law:** This Deed shall be governed by and construed in accordance with English law.
- 14.2 Jurisdiction:** The courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with this Deed, the Principal Trust Deed or the Notes and accordingly any legal action or proceedings arising out of or in connection with this Deed, the Principal Trust Deed or the Notes ("**Proceedings**") may be brought in such courts. The Issuer irrevocably submits to the jurisdiction of such courts and waives any objection on the ground that the Proceedings have been brought in an inconvenient forum. This submission is for the benefit of each of the other parties to this Deed and the holders of Notes, and shall not limit the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in any one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

- 14.3 Service of Process:** The Issuer irrevocably appoints Lehman Brothers International (Europe) of 25 Bank Street, London E14 5LE to receive, for it and on its behalf, service of process in any Proceedings in England. Such service shall be deemed completed on delivery to such process agent (whether or not it is forwarded to and received by the Issuer). If for any reason its process agent ceases to be able to act as such or no longer has an address in England, the Issuer irrevocably agrees to appoint a substitute process agent acceptable to the parties hereto, and to deliver to the parties hereto a copy of the new agent's acceptance of that appointment, within 30 days. Nothing shall affect the right to serve process in any other manner permitted by law.

This Series Prospectus sets out the specific terms and conditions of the Notes and certain information relating thereto. This Series Prospectus incorporates by reference the base terms and conditions of the Notes set out in full in the Base Prospectus, which are supplemented by the specific terms and conditions set out under “Terms and Conditions of the Notes” below.

The obligations of the Issuer under the Notes will be secured as described in “Security Arrangements”.

Subject as set out below, the Issuer (whose registered address appears on page 85 of this Series Prospectus) accepts responsibility for the information contained in this Series Prospectus. To the best of the Issuer’s knowledge and belief (having taken all reasonable care to ensure that such is the case), the information contained in this document is in accordance with the facts and does not omit anything likely to affect the import of such information.

The delivery of the Series Prospectus at any time does not imply that any information contained therein is correct at any time subsequent to the date hereof. The information on page 24 in relation to the Collateral (as defined herein), the information on page 38 in relation to the Reference Registries (as defined herein), and the information on page 83 in relation to the Swap Counterparty and the Swap Guarantor has, in each case, been accurately extracted from publicly available information. So far as the Issuer is aware and is able to ascertain from information published in relation to the Reference Registries, the Collateral, the Swap Counterparty and the Swap Guarantor, no facts have been omitted which would render the reproduced information misleading.

Application may be made by the Issuer, through its listing agent A&L Listing Limited, to the Irish Financial Services Regulatory Authority (“IFSRA”), as competent authority under Directive 2003/71/EC, for this Series Prospectus to be approved. This Series Prospectus is to be read in conjunction with all documents which are deemed to be incorporated herein by reference.

The Notes are expected on issue to be assigned a rating of “AAp N.R.i.” in respect of payment of principal only by Standard & Poor’s Rating Services, a division of The McGraw Hill Companies, Inc. (“S&P”). However, there is no assurance that the Issuer will be able to obtain such a rating for the Notes as it is subject to S&P’s information and other requirements. A security rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time. A suspension, reduction or withdrawal of the rating assigned to the Notes may adversely affect the market price of the Notes. The occurrence of Credit Events and/or a suspension, reduction or withdrawal of the rating assigned to any Reference Entity may result in a severe reduction of the rating assigned to the Notes.

The Arranger makes no representation, recommendation or warranty, express or implied, regarding the accuracy, adequacy, reasonableness or completeness of the information contained herein or in any further information, notice or other document which may at any time be supplied in connection with the Notes and accepts no responsibility or liability therefor.

The Notes will be issued on the terms set out in this Series Prospectus and should be read together with the Base Prospectus.

RISK FACTORS

The purchase of Notes may involve substantial risks and is suitable only for sophisticated investors who have the knowledge and experience in financial and business matters necessary to enable them to evaluate the risks and the merits of an investment in the Notes. Before making an investment decision, prospective purchasers of Notes should consider carefully, in the light of their own financial circumstances and investment objectives, all the information set forth in this Series Prospectus, including the Base Prospectus.

The Issuer does not represent that the statements below regarding the risk of holding any Notes are exhaustive and the Issuer may be unable to pay interest, principal or other amounts on or in connection with any Notes for reasons other than those described below. The Issuer and the Dealers disclaim any responsibility to advise prospective investors of such risks as they exist at the date of this Series Prospectus or as they change from time to time.

The attention of prospective investors is also drawn to the section headed "Risk Factors" in the Base Prospectus.

Credit Linked Notes

Investors should note that the Notes are credit-linked to the Reference Entities for the time being comprised in the Reference Registry. The performance of any investment in the Notes will be dependent on the Reference Entities from time to time comprised in the Reference Registry.

Credit Events

The likelihood of a Credit Event occurring in respect of a Reference Entity will generally fluctuate with, among other things, the financial condition and other characteristics of the Reference Entity, general economic conditions, the condition of certain financial markets, political events, developments or trends in any particular industry and changes in prevailing interest rates.

Purchasers of Notes should conduct such independent investigation and analysis regarding the Issuer, the security arrangements and the Notes as they deem appropriate to evaluate the merits and risks of an investment in the Notes. In particular, purchasers should note that the credit risk of the Notes includes that of the Collateral, the Swap Counterparty, the Swap Guarantor and the Reference Entities and that the Notes allow a purchaser to obtain the stated coupon in exchange for assuming such credit risk. The coupon and Outstanding Principal Amount may reduce if Credit Events occur and in certain circumstances the Notes may redeem at zero.

Based on a Subordination Amount of AUD195,000,000 and on the Principal Reference Registry as set out on page 38 herein and the Reference Entity Notional Amount of each Reference Entity as set out therein, upon the occurrence of 7 Credit Events, assuming a recovery rate of 35%, the Outstanding Principal Amount of the Notes will begin to reduce. Upon the occurrence of 8 Credit Events, assuming a recovery rate of 35%, the Outstanding Principal Amount of the Notes will be reduced to zero.

Limited information regarding the Reference Entities

None of the Issuer, the Trustee nor the Noteholders will have any right, except as specifically required under the terms of the Swap Agreement and the Notes, to receive any information regarding any Reference Entity. The Dealer, the Swap Counterparty or their affiliates may have acquired, or during the term of the Notes may acquire, confidential information with respect to any Reference Entity and it shall not be under any duty to disclose such confidential information to any Noteholder. None of the Issuer, the Swap Counterparty, the Trustee or any other person on their behalf makes any representation or warranty, express or implied, as to the credit quality of the Reference Entities.

No Legal or Beneficial Interest in Obligations of the Reference Entities

Under the Swap Agreement, the Issuer will have a contractual relationship only with the Swap Counterparty and not with any Reference Entities. Consequently, the Swap Agreement will not constitute a purchase or other acquisition or assignment of any interest in the Reference Entities. The Issuer and the Trustee will have rights solely against the Swap Counterparty and will have no recourse against the Reference Entities. None of the Issuer, the Swap Counterparty, the Trustee or any other person on their behalf has undertaken any legal due diligence in respect of the Reference Entity.

Interest on Early Redemption

If the Notes become subject to Early Redemption, then interest will cease to accrue on the Notes on the date of redemption and no further interest shall be payable to Noteholders after the Early Redemption Date.

TERMS AND CONDITIONS OF THE NOTES

The terms of the Notes and additional provisions relating to their issue are as follows.

Capitalised terms used but not otherwise defined in these Conditions shall have the meanings given to such terms in the Swap Confirmation, the form of which is set out in Annex 3 hereto.

The Notes are credit-linked to the Reference Entities for the time being comprised in the Reference Registry maintained by the Calculation Agent in accordance with the Swap Confirmation.

The Reference Registry in effect as of the Issue Date is set out in Schedule A to the Swap Confirmation.

Notwithstanding anything to the contrary contained in Condition 6(i) (*Purchases*), the Issuer may purchase the Notes so long as an equivalent notional amount of the Swap Agreement is terminated and an equivalent principal amount of the Securities are delivered to the Swap Counterparty and/or the Noteholders or liquidated, as the case may be, by the Issuer. Security Arrangements

40 Mortgaged Property:

(i) Collateral:

The Collateral comprises AUD 50,000,000 in principal amount Floating Rate Notes due 17 March 2016 issued by Royal Bank of Scotland Plc (the “**Collateral Issuer**”) (ISIN: XS0247983058).

On redemption of any Collateral, the redemption proceeds of such Collateral will be deposited by the Issuer in the Collection Account, subject to the security interest created pursuant to the Trust Deed.

The Collateral will be acquired by the Issuer on or before the Issue Date and held by JPMorgan Chase Bank, N.A. of Trinity Tower, 9 Thomas More Street, London E1W 1YT in its capacity as Custodian pursuant to the Agency Agreement in the Custody Account (being the account of the Custodian at Euroclear, Account No 22066) subject to the security interest created pursuant to the Trust Deed. The Custodian

shall notify the Issuer and the Calculation Agent if it becomes aware of any material amendment to the terms and conditions of the Collateral. Upon such notification from the Custodian, the Calculation Agent will notify S&P of such material amendment.

If the short-term senior unsecured rating of the provider of the Collection Account is downgraded to below "A-1+" the Issuer shall, within 30 calendar days, appoint a replacement Collection Account provider that has a rating assigned by S&P of at least "A-1+" unless the Trustee has an alternative proposal which S&P confirms will mean that the then current rating of the Notes will not be reduced.

The Issuer shall notify S&P of such replacement of Collection Account provider.

(ii) Security (order of priorities):

The Trustee shall apply all moneys received by it under the Trust Deed in connection with the realisation or enforcement of the Security constituted by the Trust Deed in the following order of priorities:

Swap Counterparty Priority unless (i) an Event of Default under the Swap Agreement (as defined in the Swap Agreement) occurs under the Swap Agreement and the Swap Counterparty is the Defaulting Party (as defined in the Swap Agreement) or (ii) a Tax Event (as defined in the Swap Agreement) occurs under the Swap Agreement and the Swap Counterparty is the sole Affected Party (as defined in the Swap Agreement), in which case Noteholder Priority shall apply.

(iii) Swap Agreement (if applicable)

Under (a) a Deed of Accession dated 9 April 2003, as amended and restated on 22 July 2005, pursuant to which the Issuer acceded to an ISDA Master Agreement and Schedule thereto dated as of 10 October 2002, as amended and restated on 22 July 2005, (together, the "ISDA Master Agreement") and (b) a confirmation thereto with an effective date of the Issue Date made between the Issuer and the Swap Counterparty (the "Swap Confirmation" and, together with the ISDA Master Agreement, the "Swap Agreement"), the Issuer will pay to the Swap Counterparty sums equal to interest payable in respect of the Collateral and the Swap Counterparty will pay to the Issuer amounts due under the Notes.

In addition, the Issuer will make a final payment to the Swap Counterparty equal to the redemption proceeds due under the Collateral as at the date the Swap Agreement is scheduled to terminate and the Swap Counterparty will make a final payment to the Issuer equal to the Redemption Amount of the Notes.

The form of the Swap Confirmation is set out in Annex 3.

The Swap Agreement may be terminated early, (either in whole or, in certain circumstances, in part only) among other circumstances:

- (i) on the due date for payment of the Notes if at any time any of the Notes becomes repayable in accordance with the Conditions prior to the Maturity Date;
- (ii) at the option of one party, if there is a failure by the other party to pay any amounts due under the Swap Agreement;
- (iii) if (subject as provided in the Swap Agreement) withholding taxes are imposed on payments made by the Issuer or the Swap Counterparty under the Swap Agreement or it becomes illegal for either party to perform its obligations under the Swap Agreement (see "Transfer to avoid Termination Event" below); and
- (iv) if at any time there is a default or event of default that has been declared pursuant to the terms of (and as defined in) the Collateral.

Consequences of Early Termination:

Upon any such early termination of the Swap Agreement, the Issuer or the Swap Counterparty may (subject as set out below and provided, in the case of certain tax events that the Issuer may first be obliged to use all reasonable endeavours to transfer its obligations) be liable to make a termination payment to the other (regardless, if applicable, of which of such parties may have caused such termination).

Such termination payment will be based on the replacement cost or gain for a swap transaction that would have the effect of preserving for the party making the determination the economic equivalent of the Swap Agreement. In all cases of early termination occurring other than by reason of a default by the Swap Counterparty or a Tax Event (as defined in the Swap Agreement) where the Swap Counterparty is the sole Affected Party (as defined in the Swap Agreement) (in either case the determination will be made by the Issuer) or illegality (in which case the party which is not the Affected Party (as defined in the ISDA Master Agreement) will make the determination (or, if there are two Affected Parties, each party will make a determination which will be averaged)), the termination payment will be determined by the Swap Counterparty on the basis of quotations received from at least five market-makers (failing which, by the Swap Counterparty or the Issuer, as aforesaid).

Regardless of which party makes the determination of the termination payment (if any), there is no assurance that the

proceeds from the sale of the Collateral plus or minus, as the case may be, such termination payment will be sufficient to repay the principal amount due to be paid in respect of the Notes and any other amounts in respect thereof that are due.

Transfer to avoid Termination Event:

If withholding taxes are imposed on payments made by the Issuer or the Swap Counterparty under the Swap Agreement, then the Swap Counterparty shall, at its sole option, have the right to require the Issuer:

- (i) to transfer all of the Issuer's interests and obligations under the Swap Agreement together with its interests and obligations under the Notes, the Trust Deed and the Agency Agreement to another entity, whether or not in the same tax jurisdiction as the Issuer, as would not have any obligation to withhold or deduct (if the Issuer is or would be required to make such deduction or withholding) or to which the Swap Counterparty would be entitled to make payments free from the relevant deduction or withholding (if the Swap Counterparty is or would otherwise be required to make such withholding or deduction), subject to obtaining the prior written consent of the Trustee; or
- (ii) to transfer the Issuer's residence for tax purposes to another jurisdiction, subject to obtaining the prior written consent of the Trustee.

If the Issuer is unable to transfer its interests to another party or to transfer its tax residence in accordance with the preceding provisions prior to the 30th day following the date of imposition of such withholding taxes or, if earlier, the 10th day prior to the first date on which it or the Swap Counterparty would otherwise be required to make a payment net of withholding taxes, the Swap Counterparty may terminate the swap transaction under the Swap Agreement. If the Issuer transfers its interests and obligations or residence for tax purposes, it shall notify S&P of such transfer.

Swap Counterparty(ies):

Lehman Brothers Special Financing Inc.

Swap Guarantor (if applicable):

Lehman Brothers Holdings Inc. whose registered address is at 1013 Centre Road, Wilmington, Delaware 19805, U.S.A.

(i) Details of Credit Support Document (if applicable):

The obligations of the Swap Counterparty under the Swap Agreement are unconditionally guaranteed by Lehman Brothers Holdings Inc. pursuant to a guarantee dated 17 March 2006 issued in favour of the Issuer (the "Swap Guarantee").

(ii) Credit Support Provider:

With respect to the Swap Counterparty, Lehman Brothers Holdings Inc.

Provisions relating to Redemption

- 41 Call Option (Condition 6(e)): Not applicable.
- 42 Put Option (Condition 6(f)): Not applicable.
- 43 Redemption Amount: Unless previously redeemed or purchased and cancelled, the Redemption Amount payable in respect of each Note on the Scheduled Maturity Date shall be an amount in AUD determined by the Calculation Agent in its sole discretion as being equal to the greater of:
- (a) such Note's Outstanding Principal Amount as at the Final Cut-off Date; and
 - (b) AUD 0.

For the purposes hereof:

"Final Cut-off Date" means the Business Day immediately preceding the Scheduled Maturity Date.

- 44 Early Redemption Amount(s) payable on mandatory redemption (Condition 6(c)), redemption for taxation and other reasons (Condition 6(d)) or an event of default (Condition 10) and/or the method of calculating the same (if required or if different from that set out in the Conditions): Subject as provided in the immediately succeeding paragraph below, in respect of each Note, an amount in AUD (rounded down to the nearest cent and subject to a minimum of AUD 0) determined by the Calculation Agent in its sole discretion and acting in good faith as being equal to (i) such Note's pro rata share of the proceeds (net of any deductions on account of taxes or otherwise) from the sale or realisation of the Collateral on behalf of the Issuer by the Disposal Agent pursuant to the Supplemental Trust Deed and Drawdown Agreement (or in the case where Condition 6(a)(iii) as set out in paragraph 38 above is applicable, the proceeds from the redemption of the Collateral), plus (if payable to the Issuer) or minus (if payable to the Swap Counterparty) (ii) the amount of any applicable Unwind Costs divided by the total number of Notes outstanding; provided that if the amount determined pursuant to sub-paragraphs (i) and (ii) above exceeds (the amount of any such excess being the **"Excess Amount"**) such Note's Outstanding Principal Amount as of the Early Redemption Date together with interest accrued from, and including, the immediately preceding Interest Payment Date (or if the Early Redemption Date falls in the initial Interest Accrual Period, from, and including, the Issue Date) to, but excluding, such Early Redemption Date (such interest being the **"Accrued Early Redemption Interest Amount"** and being calculated on the basis of the most recently determined Interest Rate) and, such Excess Amount shall be payable by way of an additional payment of interest on each Note.

Notwithstanding the above, if an Event of Default (as defined in the ISDA Master Agreement) occurs under the Swap Agreement and the Swap Counterparty is the Defaulting

Party (as defined in the ISDA Master Agreement) or if a Tax Event (as defined in the ISDA Master Agreement) occurs under the Swap Agreement and the Swap Counterparty is the sole Affected Party (as defined in the ISDA Master Agreement), the Early Redemption Amount in respect of each Note shall be an amount in AUD (rounded down to the nearest cent and subject to a minimum of AUD0) determined by the Calculation Agent in its sole discretion as being equal to (i) such Note's pro rata share of the proceeds (net of any deductions on account of taxes or otherwise) from the sale or realisation of the Collateral on behalf of the Issuer by the Disposal Agent pursuant to the Supplemental Trust Deed and Drawdown Agreement (or in the case where Condition 6(a)(iii) as set out in paragraph 38 above is applicable, the proceeds from the redemption of the Collateral), plus (ii) (but only if payable to the Issuer) the amount of any applicable Unwind Costs divided by the total number of Notes outstanding; provided that if the amount determined pursuant to sub-paragraphs (i) and (ii) above results in an Excess Amount (as defined above), such Excess Amount shall be payable by way of an additional payment of interest on each Note. In the event that Unwind Costs are payable by the Issuer to the Swap Counterparty, the Issuer shall apply the net proceeds from the sale or realisation or redemption of the Collateral as aforesaid (1) first in redeeming each Note in an amount equal to its Outstanding Principal Amount as of the Early Redemption Date plus the Accrued Early Redemption Interest Amount and (2) thereafter, in payment of such Unwind Costs to the Swap Counterparty.

For the purpose thereof:

"Unwind Costs" means the value of (i) the termination payment due from or, as the case may be, to the Swap Counterparty under the Swap Agreement in respect of the termination of the Swap Agreement (as determined by reference to the Reference Registry as at the date of such termination) and (ii) any transfer or stamp tax costs, early redemption or termination cost (howsoever defined), if any, incurred by the Issuer or the Trustee, as determined by the Calculation Agent in its sole and absolute discretion, in relation to any swap agreement (but, for the avoidance of doubt, not including the Swap Agreement), financing arrangement or other hedging transaction entered into by or on behalf of the Issuer in relation to the issue of the Notes.

Reference Entity: Each of the entities (and any Successor thereto) listed in the Reference Registry from time to time, subject to the provisions of "Successor Substitution" below; provided that, upon the occurrence of a Credit Event during the Credit Observation Period with respect to a Reference Entity, or the Obligations of a Reference Entity, and satisfaction of the Conditions to Settlement with respect to such Credit Event, such Reference Entity will be deemed deleted from the Reference Registry from the Event Determination Date with respect to such Reference Entity and the Reference Registry shall be amended accordingly.

"Reference Registry" means the register of Reference Entities set out in Schedule A, maintained by the Calculation Agent in accordance with this Confirmation and amended from time to time in accordance with the provisions of "Successor Substitution" below.

The Reference Registry shall contain the following information in respect of each Reference Entity included therein:

Each Added Reference Entity will be a Reference Entity for the purposes of this Transaction and each Removed Reference Entity will be deemed deleted from the Reference Registry, in each case as of the Succession Event Effective Date. Upon the request of any parties hereto, the Calculation Agent shall provide such party with an updated Reference Registry as soon as is reasonably practicable after a Successor Substitution.

Each Added Reference Entity shall have a Reference Entity Notional Amount equal to the sum of the Reference Entity Notional Amounts of the Removed Reference Entities divided by the number of Added Reference Entities, provided that the entity described in (i) above shall be ignored for the purposes of such calculation.

In the event that the Calculation Agent fails to exercise its right to remove one or more Reference Entities in accordance with the above provisions by the day which is three Business Days following the Succession Event Date, the provisions set out in Schedule B relating to Successors shall apply, except that if a Reference Entity becomes a Successor to another Reference Entity, such Successor Reference Entity shall be deemed to be a Reference Entity only once in respect of each relevant Portfolio with respect to this Transaction.

For the avoidance of doubt, in the event that, with respect to a Fixed Rate Payer Calculation Period, the Outstanding Notional Amount is reduced as a result of the occurrence of a Credit Event in respect of a Reference Entity which is included in the Principal Reference Portfolio, such reduced Outstanding Notional Amount shall be used to calculate the Weighted Average Outstanding Notional Amount (for the purposes of calculating the Fixed Amount) as of, and from, the Event Determination Date which resulted in a reduction of the Outstanding Notional Amount.

There shall be no Cash Settlement Amount in respect of any Reference Entity in the Long Coupon Portfolio or the Short Coupon Portfolio.

For the avoidance of doubt, Seller shall not pay Buyer the Cash Settlement Amount, if any, with respect to such Reference Entity but each Cash Settlement Amount will be added to the Cumulative Loss Amount which will in turn be used to determine, inter alia, the reduction, if any, in the Outstanding Notional Amount payable by Buyer on the Termination Date.

"Multiple Holder Obligation" means an Obligation that (i) at the time the Credit Event Notice is delivered, is held by more than three holders that are not Affiliates of each other and (ii) with respect to which a percentage of holders (determined pursuant to the terms of the Obligation) at least equal to sixty-six-and-two-thirds is required to consent to the event which would otherwise constitute a Restructuring Credit Event, provided that (ii) above shall not apply to any Obligations which are Bonds.

Potential Repudiation/Moratorium: means the occurrence of an event described in clause (i) of the definition at Repudiation/Moratorium.

Repudiation/Moratorium Evaluation Date: means, if a Potential Repudiation/Moratorium occurs on or prior to the Termination Date, (i) if the Obligations to which such Potential Repudiation/Moratorium relates include Bonds, the date that is the later of (A) the date that is 60 days after the date of such Potential Repudiation/Moratorium and (B) the first payment under any such Bond after the date of such Potential Repudiation/Moratorium (or, if later, the expiration date or of any applicable Grace Period in respect of such payment date) and (ii) if the Obligations to which such Potential Repudiation/Moratorium relates do not include Bonds, the date that is 60 days after the date of such Potential Repudiation/Moratorium.

If (i) the Repudiation/Moratorium Extension Condition is satisfied and (ii) an Event Determination Date in respect of that Repudiation/Moratorium does not occur during the Notice Delivery Period, the Repudiation/Moratorium Evaluation Date will be the Termination Date (even if a Repudiation/Moratorium occurs after the Termination Date).

Repudiation/Moratorium Extension Condition: The "Repudiation/Moratorium Extension Condition" is satisfied by the delivery of a Repudiation/Moratorium Extension Notice and, if specified as applicable in the related Confirmation, Notice of Publicly Available Information by the Notifying Party to the other party that is effective during the period described in clause (a) of the definition of Notice Delivery Period.

Not Subordinated:	means an obligation that is not subordinated to: (i) the Benchmark Obligation specified for the relevant Reference Entity in the Reference Registry or (ii) if no Benchmark Obligation is specified for the relevant Reference Entity, any unsubordinated Borrowed Money obligation of the relevant Reference Entity. For the purposes of determining whether an obligation satisfies the "Not Subordinated" Obligation Characteristic, the ranking in priority of payment of the Benchmark Obligation shall be determined as of the later of: (1) the Trade Date and (2) the date on which such obligation was issued or incurred and shall not reflect any change to such ranking after such later date.
Not Contingent:	means any obligation having an outstanding principal balance or, in the case of obligations that are not Borrowed Money, a Due and Payable Amount, that pursuant to the terms of such obligation may not be reduced as a result of the occurrence or non-occurrence of an event or circumstance (other than payment). Transferable:	means an obligation that is transferable to institutional investors without any contractual, statutory or regulatory restriction,

provided that none of the following shall be considered contractual, statutory or regulatory restrictions:

- (A) contractual, statutory or regulatory restrictions that provide for eligibility for resale pursuant to Rule 144A or Regulation S promulgated under the United States Securities Act of 1933, as amended (and any contractual, statutory or regulatory restrictions promulgated under the laws of any jurisdiction having a similar effect in relation to the eligibility for resale of an obligation); or
- (B) restrictions on permitted investments such as statutory or regulatory investment restrictions on insurance companies and pension funds,

provided that such characteristics shall be applicable only in respect of obligations that are Bonds.

Maximum Maturity 30 years:

Not Domestic Issuance:

means any obligation other than an obligation that was, at the time the relevant obligation was issued (or reissued, as the case may be) or incurred, intended to be offered for sale primarily in the domestic market of the relevant Reference Entity. Any obligation that is registered or qualified for sale outside the domestic market of the relevant Reference Entity (regardless of whether such obligation is also registered or qualified for sale within the domestic market of the relevant Reference Entity) shall be deemed not to be intended for sale primarily in the domestic market of the Reference Entity.

Assignable Loan:

Consent Required Loan:

means a Loan that is capable of being assigned or novated with the consent of the relevant Reference Entity or the guarantor, if any, of such Loan (or the consent of the relevant borrower if the Reference Entity is guaranteeing such Loan) or any agent, provided that such characteristics shall be applicable only in respect of obligations that are Loans.

Certain definitions relating to Successors

(a) In relation to a Reference Entity that is not a Sovereign, “**Successor**” means the entity or entities, if any, determined as set forth below:

- (i) if an entity directly or indirectly succeeds to 75 per cent. or more of the Relevant Obligations of the Reference Entity by way of a Succession Event, that entity will be the sole Successor;
- (ii) if one entity directly or indirectly succeeds to more than 25 per cent. (but less than 75 per cent.) of the Relevant Obligations of the Reference Entity by way of a Succession Event, and not more than 25 per cent. of the Relevant Obligations of the Reference Entity remains with the Reference Entity, the entity that succeeds to more than 25 per cent. of the Relevant Obligations will be the sole Successor;
- (iii) if more than one entity each directly or indirectly succeeds to more than 25 per cent. of the Relevant Obligations of the Reference Entity by way of a Succession Event, and not more than 25 per cent. of the Relevant Obligations of the Reference Entity remains with the Reference Entity, the entities that succeed to more than 25 per cent. of the Relevant Obligations will each be Successors;
- (iv) if one or more entities each directly or indirectly succeed to more than 25 per cent. of the Relevant Obligations of the Reference Entity by way of a Succession Event, and more than 25 per cent. of the Relevant Obligations of the Reference Entity remains with the Reference Entity, each such entity and the Reference Entity will be Successors;
- (v) if one or more entities directly or indirectly succeed to a portion of the Relevant Obligations of the Reference Entity by way of a Succession Event, but no entity succeeds to more than 25 per cent. of the Relevant Obligations of the Reference Entity and the Reference Entity continues to exist, there will be no Successor and the Reference Entity and the Transaction will not be changed in any way as a result of the Succession Event; and
- (vi) if one or more entities directly or indirectly succeed to a portion of the Relevant Obligations of the Reference Entity by way of a Succession Event, but no entity succeeds to more than 25 per cent. of the Relevant Obligations of the Reference Entity and the Reference Entity ceases to exist, the entity which succeeds to the greatest percentage of Relevant Obligations (or, if two or more entities succeed to an equal percentage of

Relevant Obligations, the entity from among those entities which succeeds to the greatest percentage of obligations) of the Reference Entity will be the sole Successor.

The Calculation Agent will be responsible for determining, as soon as reasonably practicable after it becomes aware of the relevant Succession Event (but no earlier than 14 days after the legally effective date of the Succession Event), and with effect from the legally effective date of the Succession Event, whether the relevant thresholds set forth above have been met, or which entity qualifies under paragraph (a)(vi) above, as applicable. In calculating the percentages used to determine whether the relevant thresholds set forth above have been met, or which entity qualifies under paragraph (a)(vi) above, as applicable, the Calculation Agent shall use, in respect of each applicable Relevant Obligation included in such calculation, the amount of the liability in respect of such Relevant Obligation listed in the Best Available Information.

- (b) **"Succession Event"** means an event such as a merger, consolidation, amalgamation, transfer of assets or liabilities, demerger, spin-off or other similar event in which one entity succeeds to the obligations of another entity, whether by operation of law or pursuant to any agreement. Notwithstanding the foregoing, "Succession Event" shall not include an event in which the holders of obligations of the Reference Entity exchange such obligations for the obligations of another entity, unless such exchange occurs in connection with a merger, consolidation, amalgamation, transfer of assets or liabilities, demerger, spin-off or other similar event.
- (c) Where, pursuant to Section (a) above, one or more Successors have been identified in relation to a particular Reference Entity:
 - (i) each such Successor will be a Reference Entity (a **"Successor Reference Entity"**) for the purposes of this Transaction (and, for the avoidance of doubt, the original Reference Entity shall cease to be a Reference Entity except where it is a Successor Reference Entity); and
 - (ii) the Floating Rate Payer Calculation Amount in respect of each such Successor Reference Entity shall be the Floating Rate Payer Calculation Amount in respect of the original Reference Entity divided by the number of Successor Reference Entities.
- (d) **"Relevant Obligations"** means the Obligations constituting Bonds and Loans of the Reference Entity outstanding immediately prior to the effective date of the Succession Event, excluding any debt obligations outstanding between the Reference Entity and any of its Affiliates, as determined by the Calculation Agent. The Calculation Agent will determine the entity which succeeds to such Relevant Obligations on the basis of the Best Available Information. If the date on which the Best Available Information becomes available or is filed precedes the legally effective date of the relevant Succession Event, any assumptions as to the allocation of obligations between or among entities contained in the Best Available Information will be deemed to have been fulfilled as of the legally effective date of the Succession Event, whether or not this is in fact the case.
- (e) **"Best Available Information"** means:
 - (i) in the case of a Reference Entity which files information with its primary securities regulator or primary stock exchange that includes unconsolidated, pro forma financial information which assumes that the relevant Succession Event has occurred or which provides such information to its shareholders, creditors or other persons whose approval of the Succession Event is required, that unconsolidated, pro forma financial information and, if provided subsequently to the provision of unconsolidated, pro forma financial information but before the Calculation Agent makes its determination for the purposes of the definition of **"Successor"**, other relevant information that is contained in any written communication

provided by the Reference Entity to its primary securities regulator, primary stock exchange, shareholders, creditors or other persons whose approval of the Succession Event is required; or

- (ii) in the case of a Reference Entity which does not file with its primary securities regulators or primary stock exchange, and which does not provide to shareholders, creditors or other persons whose approval of the Succession Event is required, the information contemplated in (i) above, the best publicly available information at the disposal of the Calculation Agent to allow it to make a determination for the purposes of the definition of “**Successor**”.

Information which is made available more than 14 days after the legally effective date of the Succession Event shall not constitute Best Available Information.

- (f) In relation to a Sovereign Reference Entity, “**Successor**” means any direct or indirect successor(s) to that Reference Entity irrespective of whether such successor(s) assumes any of the obligations of such Reference Entity.

“**Sovereign**” means any state, political subdivision or government, or any agency, instrumentality, ministry, department or other authority (including, without limiting the foregoing, the central bank) thereof.

Additional Terms For Monolines

Qualifying Policy. “Qualifying Policy” means a financial guaranty insurance policy or similar financial guarantee pursuant to which a Reference Entity irrevocably guarantees or insures all Instrument Payments (as defined below) of an instrument that constitutes Borrowed Money (modified as set forth below) (the “Insured Instrument”) for which another party (including a special purpose entity or trust) is the obligor (the “Insured Obligor”). Qualifying Policies shall exclude any arrangement (i) structured as a surety bond, letter of credit or equivalent legal arrangement or (ii) pursuant to the express contractual terms of which the payment obligations of the Reference Entity can be discharged or reduced as a result of the occurrence or non-occurrence of an event or circumstance (other than the payment of Instrument Payments). The benefit of a Qualifying Policy must be capable of being Delivered together with the Delivery of the Insured Instrument.

“**Instrument Payments**” means (A) in the case of any Insured Instrument that is in the form of a pass-through certificate or similar funded beneficial interest, (x) the specified periodic distributions in respect of interest or other return on the Certificate Balance on or prior to the ultimate distribution of the Certificate Balance and (y) the ultimate distribution of the Certificate Balance on or prior to a specified date and (B) in the case of any other Insured Instrument, the scheduled payments of principal and interest, in the case of both (A) and (B) (1) determined without regard to limited recourse or reduction provisions of the type described in paragraph (d) below and (2) excluding sums in respect of default interest, indemnities, tax gross-ups, make-whole amounts, early redemption premiums and other similar amounts (whether or not guaranteed or insured by the Qualifying Policy).

“**Certificate Balance**” means, in the case of an Insured Instrument that is in the form of a pass-through certificate or similar funded beneficial interest, the unit principal balance, certificate balance or similar measure of unreimbursed principal investment.

Obligation and Deliverable Obligation. Sections 2.14(a) and 2.15(a) of the Definitions are hereby amended by adding “or Qualifying Policy” after “or as provider of a Qualifying Affiliate Guarantee”.

Interpretation of Provisions. In the case of a Reference Entity in respect of which Monoline is specified as being an Entity Type in the Reference Registry, in the event that an Obligation or a Deliverable Obligation is a Qualifying Policy, the terms of Section 2.21(d) of the Definitions will apply, with references to the

Qualifying Guarantee, the Underlying Obligation and the Underlying Obligor deemed to include the Qualifying Policy, the Insured Instrument and the Insured Obligor, respectively, except that:

- (i) the Obligation Category Borrowed Money and the Obligation Category and Deliverable Obligation Category Bond shall be deemed to include distributions payable under an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the Deliverable Obligation Category Bond shall be deemed to include such an Insured Instrument, and the terms "obligation" and "obligor" as used in the 2003 ISDA Credit Derivatives Definitions in respect of such an Insured Instrument shall be construed accordingly;
- (ii) references in the definitions of Assignable Loan and Consent Required Loan to the guarantor and guaranteeing shall be deemed to include the insurer and insuring, respectively;
- (iii) neither the Qualifying Policy nor the Insured Instrument must satisfy on the relevant date the Deliverable Obligation Characteristic of Accelerated or Matured, whether or not that characteristic is otherwise specified as applicable herein;
- (iv) if the Assignable Loan, Consent Required Loan, Direct Loan Participation or Transferable Deliverable Obligation Characteristics are specified herein and if the benefit of the Qualifying Policy is not transferred as part of any transfer of the Insured Instrument, the Qualifying Policy must be transferable at least to the same extent as the Insured Instrument; and
- (v) with respect to an Insured Instrument in the form of a pass-through certificate or similar funded beneficial interest, the term "outstanding principal balance" shall mean the outstanding Certificate Balance and "maturity", as such term is used in the Maximum Maturity Deliverable Obligation Characteristic, shall mean the specified date by which the Qualifying Policy guarantees or insures, as applicable, that the ultimate distribution of the Certificate Balance will occur.

Not Contingent. An Insured Instrument will not be regarded as failing to satisfy the Not Contingent Deliverable Obligation Characteristic solely because such Insured Instrument is subject to provisions limiting recourse in respect of such Insured Instrument to the proceeds of specified assets (including proceeds subject to a priority of payments) or reducing the amount of any Instrument Payments owing under such Insured Instrument, provided that such provisions are not applicable to the Qualifying Policy by the terms thereof and the Qualifying Policy continues to guarantee or insure, as applicable, the Instrument Payments that would have been required to be made absent any such limitation or reduction.

Deliver. For purposes of Section 8.2 of the Definitions, "Deliver" with respect to an obligation that is a Qualifying Policy means to Deliver both the Insured Instrument and the benefit of the Qualifying Policy (or a custodial receipt issued by an internationally recognized custodian representing an interest in such an Insured Instrument and the related Qualifying Policy), and "Delivery" and "Delivered" will be construed accordingly.

Provisions for Determining a Successor. Section 2.2(c) of the Definitions is hereby amended by adding "or insurer" after "or guarantor".

Other Provisions. For purposes of Sections 2.15(a)(ii), 4.1, 8.2, 9.1 and 9.2(a) of the Definitions, references to the Underlying Obligation and the Underlying Obligor shall be deemed to include Insured Instruments and the Insured Obligor, respectively.

GUARANTEE OF LEHMAN BROTHERS HOLDINGS INC.

LEHMAN BROTHERS SPECIAL FINANCING INC. ("Party A") and SAPHIR FINANCE PUBLIC LIMITED COMPANY ("Party B") have, pursuant to a Deed of Accession dated 22 July 2005 entered into a Master Agreement dated as of 10 October 2002, as amended and restated on 22 July 2005 (the "Master Agreement"), pursuant to which Party A and Party B have entered and/or anticipate entering into one or more transactions (each a "Transaction"), the Confirmation of each of which supplements, forms part of, and will be read and construed as one with, the Master Agreement (collectively referred to as the "Agreement"). This Guarantee is a Credit Support Document as contemplated in the Agreement for the Transaction evidenced by a Confirmation dated 17 March 2006 relating to the Series 2006-5 AUD 50,000,000 Synthetic Portfolio Notes due 2011 extendable up to 2016 of Party B (the "2006-5 Transaction"). For value received, and in consideration of the financial accommodation accorded to Party A by Party B under the Agreement, LEHMAN BROTHERS HOLDINGS INC., a corporation organized and existing under the laws of the State of Delaware ("Guarantor"), hereby agrees to the following:

- (a) Guarantor hereby unconditionally guarantees to Party B the due and punctual payment of all amounts payable by Party A under the 2006-5 Transaction when and as Party A's obligations thereunder shall become due and payable in accordance with the terms of the Agreement. In case of the failure of Party A to pay punctually any such amounts, Guarantor hereby agrees, upon written demand by Party B, to pay or cause to be paid any such amounts punctually when and as the same shall become due and payable.
- (b) Guarantor hereby agrees that its obligations under this Guarantee constitute a guarantee of payment when due and not of collection.
- (c) Guarantor hereby agrees that its obligations under this Guarantee shall be unconditional, irrespective of the validity, regularity or enforceability of the Agreement against Party A (other than as a result of the unenforceability of the Agreement against Party B), the absence of any action to enforce Party A's obligations under the Agreement, any waiver or consent by Party B with respect to any provisions thereof, the entry by Party A and Party B into additional Transactions under the Agreement or any other circumstance which might otherwise constitute a legal or equitable discharge or defence of a guarantor (excluding the defence of payment or statute of limitations, neither of which are waived); provided, however, that Guarantor shall be entitled to exercise any right that Party A could have exercised under the Agreement to cure any default in respect of its obligations under the Agreement or to setoff, counterclaim or withhold payment in respect of any Event of Default or potential Event of Default in respect of Party B or any Affiliate, but only to the extent such right is provided to Party A under the Agreement. The Guarantor acknowledges that Party A and Party B may from time to time enter into one or more Transactions pursuant to the Agreement.
- (d) This Guarantee shall remain in full force and effect until such time as Party B shall receive written notice of termination. Termination of this Guarantee shall not affect Guarantor's liability hereunder as to obligations incurred or arising out of Transactions entered into prior to the termination hereof and for the avoidance of doubt this Guarantee will remain in effect until all payment obligations of Party A under the 2006-5 Transaction have been fully performed notwithstanding such termination.
- (e) Guarantor further agrees that this Guarantee shall continue to be effective or be reinstated, as the case may be, if at any time, payment, or any part thereof, of any obligation or interest thereon is rescinded

MASTER AGREEMENT

dated as of 10 October 2002
as Amended and Restated on 22 July 2005

Dante Finance Public Limited Company and Lehman Brothers Special Financing, Inc.

have entered and/or anticipate entering into one or more transactions (each a "Transaction") that are or will be governed by this Master Agreement, which includes the schedule (the "Schedule"), and the documents and other confirming evidence (each a "Confirmation") exchange between the parties confirming those Transactions.

Accordingly, the parties agree as follows:-

1 Interpretation

- (a) **Definitions.** The terms defined in Section 14 and in the Schedule will have the meanings therein specified for the purpose of this Master Agreement.
- (b) **Inconsistency.** In the event of any inconsistency between the provisions of the Schedule and the other provisions of this Master Agreement, the Schedule will prevail. In the event of any inconsistency between the provisions of any Confirmation and this Master Agreement (including the Schedule), such Confirmation will prevail for the purpose of the relevant Transaction.
- (c) **Single Agreement.** All Transactions are entered into in reliance on the fact that this Master Agreement and all Confirmations form a single agreement between the parties (collectively referred to as this "Agreement"), and the parties would not otherwise enter into any Transactions.

2 Obligations

- (a) **General Conditions.**
 - (i) Each party will make each payment or delivery specified in each Confirmation to be made by it, subject to the other provisions of this Agreement.
 - (ii) Payments under this Agreement will be made on the due date for value on that date in the place of the account specified in the relevant Confirmation or otherwise pursuant to this Agreement, in freely transferable funds and in the manner customary for payments in the required currency. Where settlement is by delivery (that is, other than by payment), such delivery will be made for receipt on the due date in the manner customary for the relevant obligation unless otherwise specified in the relevant Confirmation or elsewhere in this Agreement.
 - (iii) Each obligation of each party under Section 2(a)(i) is subject to (1) the condition precedent that no Event of Default or Potential Event of Default with respect to the other party has occurred and is continuing, (2) the condition precedent that no Early Termination Date in respect of the relevant Transaction has occurred or been effectively designated and (3) each other applicable condition precedent specified in this Agreement.

(b) **Change of Account.** Either party may change its account for receiving a payment or delivery by giving notice to the other party at least five Local Business Days prior to the scheduled date for the payment or delivery to which such change applies unless such other party gives timely notice of a reasonable objection to such change.

(c) **Netting.** If on any date amounts would otherwise be payable:-

- (i) in the same currency; and
- (ii) in respect of the same Transaction,

by each party to the other, then, on such date, each party's obligation to make payment of any such amount will be automatically satisfied and discharged and, if the aggregate amount that would otherwise have been payable by one party exceeds the aggregate amount that would otherwise have been payable by the other party, replaced by an obligation under the party by whom the larger aggregate amount would have been payable to pay to the other party the excess of the larger aggregate amount over the smaller aggregate amount.

The parties may elect in respect of two or more Transactions that a net amount will be determined in respect of all amounts payable on the same date in the same currency in respect of such Transactions, regardless of whether such amounts are payable in respect of the same Transaction. The election may be made in the Schedule or a Confirmation by specifying that subparagraph (ii) above will not apply to the Transactions identified as being subject to the election, together with the starting date (in which case subparagraph (ii) above will not, or will cease to, apply to such Transactions from such date). This election may be made separately for different groups of Transactions and will apply separately to each pairing of Offices through which the parties make and receive payments or deliveries.

(d) **Deduction or Withholding for Tax.**

(i) **Gross-Up.** All payments under this Agreement will be made without any deduction or withholding for or on account of any Tax unless such deduction or withholding is required by any applicable law, as modified by the practice of any relevant governmental revenue authority, then in effect. If a party is so required to deduct or withhold, then that party ("X") will:-

- (1) promptly notify the other party ("Y") of such requirement;
- (2) pay to the relevant authorities the full amount required to be deducted or withheld (including the full amount required to be deducted or withheld from any additional amount paid by X to Y under this Section 2(d)) promptly upon the earlier of determining that such deduction or withholding is required or receiving notice that such amount has been assessed against Y;
- (3) promptly forward to Y an official receipt (or a certified copy), or other documentation reasonably acceptable to Y, evidencing such payment to such authorities; and
- (4) if such Tax is an Indemnifiable Tax, pay to Y, in addition to the payment to which Y is otherwise entitled under this Agreement, such additional amount as is necessary to ensure that the net amount actually received by Y (free and clear of Indemnifiable Taxes, whether assessed against X or Y) will equal the full amount Y would have received had no such deduction or withholding been required. However, X will not be required to pay any additional amount to Y to the extent that it would not be required to be paid but for:-

(A) the failure by Y to comply with or perform any agreement contained in Section 4(a)(i), 4(a)(iii) or 4(d); or

(B) the failure of a representation made by Y pursuant to Section 3(f) to be accurate and true unless such failure would not have occurred but for (I) any action taken by a taxing authority, or brought in a court of competent jurisdiction, on or after the date on which a Transaction is entered into (regardless of whether such action is taken or brought with respect to a party to this Agreement) or (II) a Change in Tax Law.

(ii) **Liability.** If:-

(1) X is required by any applicable law, as modified by the practice of any relevant governmental revenue authority, to make any deduction or withholding in respect of which X would not be required to pay an additional amount to Y under Section 2(d)(i)(4);

(2) X does not so deduct or withhold; and

(3) a liability resulting from such Tax is assessed directly against X,

then, except to the extent Y has satisfied or then satisfies the liability resulting from such Tax, Y will promptly pay to X the amount of such liability (including any related liability for interest, but including any related liability for penalties only if Y has failed to comply with or perform any agreement contained in Section 4(a)(i), 4(a)(iii) or 4(d)).

(e) **Default Interest; Other Amounts.** Prior to the occurrence of effective designation of an Early Termination Date in respect of the relevant Transaction, a party that defaults in the performance of any payment obligation will, to the extent permitted by law and subject to Section 6(c), be required to pay interest (before as well as after judgment) on the overdue amount to the other party on demand in the same currency as such overdue amount, for the period from (and including) the original due date for payment to (but excluding) the date of actual payment, at the Default Rate. Such interest will be calculated on the basis of daily compounding and the actual number of days elapsed. If, prior to the occurrence or effective designation of an Early Termination Date in respect of the relevant Transaction, a party defaults in the performance of any obligation required to be settled by delivery, it will compensate the other party on demand if and to the extent provided for in the relevant Confirmation or elsewhere in this Agreement.

3 Representations

Each party represents to the other party (which representations will be deemed to be repeated by each party on each date on which a Transaction is entered into and, in the case of the representations in Section 3(f), at all times until the termination of this Agreement) that:-

(a) **Basic Representations.**

(i) **Status.** It is duly organised and validly existing under the laws of the jurisdiction of its organisation or incorporation and, if relevant under such laws, in good standing;

(ii) **Powers.** It has the power to execute this Agreement and any other documentation relating to this Agreement to which it is a party, to deliver this Agreement and any other documentation relating to this Agreement that it is required by this Agreement to deliver and to perform its obligations under this Agreement and any obligations it has under any

Credit Support Document to which it is a party and has taken all necessary action to authorise such execution, delivery and performance;

(iii) **No Violation or Conflict.** Such execution, delivery and performance do not violate or conflict with any law applicable to it, any provision of its constitutional documents, any order or judgment of any court or other agency of government applicable to it or any of its assets or any contractual restriction binding on or affecting it or any of its assets;

(iv) **Consents.** All governmental and other consents that are required to have been obtained by it with respect to this Agreement or any Credit Support Document to which it is a party have been obtained and are in full force and effect and all conditions of any such consents have been complied with; and

(v) **Obligation Binding.** Its obligations under this Agreement and any Credit Support Document to which it is a party constitute its legal, valid and binding obligations, enforceable in accordance with their respective terms (subject to applicable bankruptcy, reorganisation, insolvency, moratorium or similar laws affecting creditors' rights generally and subject, as to enforceability, to equitable principles of general application (regardless of whether enforcement is sought in a proceeding in equity or at law)).

(b) **Absence of Certain Events.** No Event of Default or Potential Event of Default or, to its knowledge, Termination Event with respect to it has occurred and is continuing and no such event or circumstance would occur as a result of its entering into or performing its obligations under this Agreement or any Credit Support Document to which it is a party.

(c) **Absence of Litigation.** There is not pending or, to its knowledge, threatened against it or any of its Affiliates any action, suit or proceeding at law or in equity or before any court, tribunal, governmental body, agency or official or any arbitrator that is likely to affect the legality, validity or enforceability against it of this Agreement or any Credit Support Document to which it is a party or its ability to perform its obligations under this Agreement or such Credit Support Document.

(d) **Accuracy of Specified Information.** All applicable information that is furnished in writing by or on behalf of it to the other party and is identified for the purpose of this Section 3(d) in the Schedule is, as of the date of the information, true, accurate and complete in every material respect.

(e) **Payer Tax Representations.** Each representation specified in the Schedule as being made by it for the purpose of this Section 3(e) is accurate and true.

(f) **Payee Tax Representations.** Each representation specified in the Schedule as being made by it for the purpose of this Section 3(f) is accurate and true.

4 Agreements

Each party agrees with the other that, so long as either party has or may have any obligation under this Agreement or under any Credit Support Document to which it is a party:-

(a) **Furnish Specified Information.** It will deliver to the other party or, in certain cases under subparagraph (iii) below, to such government or taxing authority as the other party reasonably directs:-

(i) any forms, documents or certificates relating to taxation specified in the Schedule or any Confirmation;

(ii) any other documents specified in the Schedule or any Confirmation; and

(iii) upon reasonable demand by such other party, any form or document that may be required or reasonably requested in writing in order to allow such other party or its Credit Support Provider to make a payment under this Agreement or any applicable Credit Support Document without any deduction or withholding for or on account of any Tax or with such deduction or withholding at a reduced rate (so long as the completion, execution or submission of such form or document would not materially prejudice the legal or commercial position of the party in receipt of such demand), with any such form or document to be accurate and completed in a manner reasonably satisfactory to such other party and to be executed and to be delivered with any reasonably required certification,

in each case by the date specified in the Schedule or such Confirmation or, if none is specified, as soon as reasonably practicable.

(b) **Maintain Authorisations.** It will use all reasonable efforts to maintain in full force and effect all consents of any governmental or other authority that are required to be obtained by it with respect to this Agreement or any Credit Support Document to which it is a party and will use all reasonable efforts to obtain any that may become necessary in the future.

(c) **Comply with Laws.** It will comply in all material respects with all applicable laws and orders to which it may be subject if failure so to comply would materially impair its ability to perform its obligations under this Agreement or any Credit Support Document to which it is a party.

(d) **Tax Agreement.** It will give notice of any failure of a representation made by it under Section 3(f) to be accurate and true promptly upon learning of such failure.

(e) **Payment of Stamp Tax.** Subject to Section 11, it will pay any Stamp Tax levied or imposed upon it or in respect of its execution or performance of this Agreement by a jurisdiction in which it is incorporated, organised, managed and controlled, or considered to have its seat, or in which a branch or office through which it is acting for the purpose of this Agreement is located ("Stamp Tax Jurisdiction") and will indemnify the other party against any Stamp Tax levied or imposed upon the other party or in respect of the other party's execution or performance of this Agreement by any such Stamp Tax Jurisdiction which is not also a Stamp Tax Jurisdiction with respect to the other party.

5 Events of Default and Termination Events

(a) **Events of Default.** The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any of the following events constitutes an event of default (an "Event of Default") with respect to such party:-

(i) **Failure to Pay or Deliver.** Failure by the party to make, when due, any payment under this Agreement or delivery under Section 2(a)(i) or 2(e) required to be made by it if such failure is not remedied on or before the third Local Business Day after notice of such failure is given to the party;

(ii) **Breach of Agreement.** Failure by the party to comply with or perform any agreement or obligation (other than an obligation to make any payment under this Agreement or delivery under Section 2(a)(i) or 2(e) or to give notice of a Termination Event of any agreement or obligation under Section 4(a)(i), 4(a)(iii) or 4(d)) to be complied with or performed by the party in accordance with this Agreement if such failure is not remedied on or before the thirtieth day after notice of such failure is given to the party;

(iii) **Credit Support Default.**

(1) Failure by the party or any Credit Support Provider of such party to comply with or perform any agreement or obligation to be complied with or performed by it in accordance with any Credit Support Document if such failure is continuing after any applicable grace period has elapsed;

(2) the expiration or termination of such Credit Support Document or the failing or ceasing of such Credit Support Document to be in full force and effect for the purpose of this Agreement (in either case other than in accordance with its terms) prior to the satisfaction of all obligations of such party under each Transaction to which such Credit Support Document relates without the written consent of the other party; or

(3) the party or such Credit Support Provider disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, such Credit Support Document;

(iv) **Misrepresentation.** A representation (other than a representation under Section 3(e) or (f)) made or repeated or deemed to have been made or repeated by the party or any Credit Support Provider of such party in this Agreement or any Credit Support Document proves to have been incorrect or misleading in any material respect when made or repeated or deemed to have been made or repeated;

(v) **Default under Specified Transaction.** The party, any Credit Support Provider of such party or any applicable Specified Entity of such party (1) defaults under a Specified Transaction and, after giving effect to any applicable notice requirement or grace period, there occurs a liquidation of, an acceleration of obligations under, or an early termination of, that Specified Transaction, (2) defaults, after giving effect to any applicable notice requirement or grace period, in making any payment or delivery due on the last payment, delivery or exchange date of, or any payment on early termination of, a Specified Transaction (or such default continues for at least three Local Business Days if there is no applicable notice requirement or grace period) or (3) disaffirms, disclaims, repudiates or rejects, in whole or in part, a Specified Transaction (or such action is taken by any person or entity appointed or empowered to operate it or act on its behalf);

(vi) **Cross Default.** If "Cross Default" is specified in the Schedule as applying to the party, the occurrence or existence of (1) a default, event of default or other similar condition or event (however described) in respect of such party, any Credit Support Provider of such party or any applicable Specified Entity of such party under one or more agreements or instruments relating to Specified Indebtedness of any of them (individually or collectively) in an aggregate amount of not less than the applicable Threshold Amount (as specified in the Schedule) which has resulted in such Specified Indebtedness becoming, or becoming capable at such time of being declared, due and payable under such agreements or instruments, before it would otherwise have been due and payable or (2) a default by such party, such Credit Support Provider or such Specified Entity (individually or collectively) in making one or more payments on the due date thereof in an aggregate amount of not less than the applicable Threshold Amount under such agreements or instruments (after giving effect to any applicable notice requirement or grace period);

(vii) **Bankruptcy.** The party, any Credit Support Provider of such party or any applicable Specified Entity of such party:-

(1) is dissolved (other than pursuant to a consolidation, amalgamation or merger); (2) becomes insolvent or is unable to pay its debts or fails or admits in writing its inability generally to pay its debts as they become due; (3) makes a general assignment, arrangement or composition with or for the benefit of its creditors; (4) institutes or has instituted against it a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors' rights, or a petition is presented for its winding-up or liquidation, and, in the case of any such proceeding or petition instituted or presented against it, such proceeding or petition (A) results in a judgment of insolvency or bankruptcy or the entry of an order for relief or the making of an order for its winding-up or liquidation or (B) is not dismissed, discharged, stayed or restrained in each case within 30 days of the institution or presentation thereof; (5) has a resolution passed for its winding-up official management or liquidation (other than pursuant to a consolidation, amalgamation or merger); (6) seeks or becomes subject to the appointment of an administrator, provisional liquidator, conservator, receiver, trustee, custodian or other similar official for it or for all or substantially all its assets; (7) has a secured party take possession of all or substantially all its assets or has a distress, execution, attachment, sequestration or other legal process levied, enforced or sued on or against all or substantially all its assets and such secured party maintains possession, or any such process is not dismissed, discharged, stayed or restrained, in each case within 30 days thereafter; (8) causes or is subject to any event with respect to it which, under the applicable laws of any jurisdiction, has an analogous effect to any of the events specified in clauses (1) to (7) (inclusive); or (9) takes any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the foregoing acts; or

(viii) **Merger Without Assumption.** The party or any Credit Support Provider of such party consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, another entity and, at the time of such consolidation, amalgamation, merger or transfer:-

(1) the resulting, surviving or transferee entity fails to assume all the obligations of such party or such Credit Support Provider under this Agreement or any Credit Support Document to which it or its predecessor was a party by operation of law or pursuant to an agreement reasonably satisfactory to the other party to this Agreement; or

(2) the benefits of any Credit Support Document fail to extend (without the consent of the other party) to the performance by such resulting, surviving or transferee entity of its obligations under this Agreement.

(b) **Termination Events.** The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any event specified below constitutes an Illegality if the event is specified in (i) below, a Tax Event if the event is specified in (ii) below or a Tax Event Upon Merger if the event is specified in (iii) below, and, if specified to be applicable, a Credit Event Upon Merger if the event is specified pursuant to (iv) below or an Additional Termination Event if the event is specified pursuant to (v) below:-

(i) **Illegality.** Due to the adoption of, or any change in, any applicable law after the date on which a Transaction is entered into, or due to the promulgation of, or any change in, the interpretation by any court, tribunal or regulatory authority with competent

jurisdiction of any applicable law after such date, it becomes unlawful (other than as a result of a breach by the party of Section 4(b)) for such party (which will be the Affected Party):

(1) to perform any absolute or contingent obligation to make a payment or delivery or to receive a payment or delivery in respect of such Transaction or to comply with any other material provision of this Agreement relating to such Transaction; or

(2) to perform, or for any Credit Support Provider of such party to perform, any contingent or other obligation which the party (or such Credit Support Provider) has under any Credit Support Document relating to such Transaction;

(ii) **Tax Event.** Due to (x) any action taken by a taxing authority, or brought in a court of competent jurisdiction, on or after the date on which a Transaction is entered into (regardless of whether such action is taken or brought with respect to a party to this Agreement) or (y) a Change in Tax Law, the party (which will be the Affected Party) will, or there is a substantial likelihood that it will, on the next succeeding Scheduled Payment Date (1) be required to pay to the other party an additional amount in respect of an Indemnifiable Tax under Section 2(d)(i)(4) (except in respect of interest under Section 2(e), 6(d)(ii) or 6(e)) or (2) receive a payment from which an amount is required to be deducted or withheld for or on account of a Tax (except in respect of interest under Section 2(e), 6(d)(ii) or 6(e)) and no additional amount is required to be paid in respect of such Tax under Section 2(d)(i)(4) (other than by reason of Section 2(d)(i)(4)(A) or (B));

(iii) **Tax Event Upon Merger.** The party (the "Burdened Party") on the next succeeding Scheduled Payment Date will either (1) be required to pay an additional amount in respect of an Indemnifiable Tax under Section 2(d)(i)(4) (except in respect of interest under Section 2(e), 6(d)(ii) or 6(e)) or (2) receive a payment from which an amount has been deducted or withheld for or on account of any Indemnifiable Tax in respect of which the other party is not required to pay an additional amount (other than by reason of Section 2(d)(i)(4)(A) or (B)), in either case as a result of a party consolidating or amalgamating with, or merging with or into, or transferring all or substantially in its assets to, another entity (which will be the Affected Party) where such action does not constitute an event described in Section 5(a)(viii);

(iv) **Credit Event Upon Merger.** If "Credit Event Upon Merger" is specified in the Schedule as applying to the party, such party ("X"), any Credit Support Provider of X or any applicable Specified Entity of X consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, another entity and such action does not constitute an event described in Section 5(a)(viii) but the creditworthiness of the resulting, surviving or transferee entity is materially weaker than that of X, such Credit Support Provider or such Specified Entity, as the case may be, immediately prior to such action (and, in such event, X or its successor or transferee, as appropriate, will be the Affected Party); or

(v) **Additional Termination Event.** If any "Additional Termination Event" is specified in the Schedule or any Confirmation as applying, the occurrence of such event (and, in such event, the Affected Party or Affected Parties shall be as specified for such Additional Termination Event in the Schedule or such Confirmation).

(c) **Event of Default and Illegality.** If an event or circumstance which would otherwise constitute or give rise to an Event of Default also constitutes an Illegality, it will be treated as an Illegality and will not constitute an Event of Default.

6 Early Termination

(a) **Right to Terminate Following Event of Default.** If at any time an Event of Default with respect to a party (the "Defaulting Party") has occurred and is then continuing, the other party (the "Non-defaulting Party") may, by not more than 20 days notice to the Defaulting Party specifying the relevant Event of Default, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all outstanding Transactions. If, however, "Automatic Early Termination" is specified in the Schedule as applying to a party, then an Early Termination Date in respect of all outstanding Transactions will occur immediately upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(1), (3), (5), (6) or, to the extent analogous thereto, (8), and as of the time immediately preceding the institution of the relevant proceeding or the presentation of the relevant petition upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(4) or, to the extent analogous thereto, (8).

(b) **Right to Terminate Following Termination Event.**

(i) **Notice.** If a Termination Event occurs, an Affected Party will, promptly upon becoming aware of it, notify the other party, specifying the nature of that Termination Event and each Affected Transaction and will also give such other information about that Termination Event as the other party may reasonably require.

(ii) **Transfer to Avoid Termination Event.** If either an Illegality under Section 5(b)(i)(1) or a Tax Event occurs and there is only one Affected Party, or if a Tax Event Upon Merger occurs and the Burdened Party is the Affected Party, the Affected Party will, as a condition to its right to designate an Early Termination Date under Section 6(b)(iv), use all reasonable efforts (which will not require such party to incur a loss, excluding immaterial, incidental expenses) to transfer within 20 days after it gives notice under Section 6(b)(i) all its rights and obligations under this Agreement in respect of the Affected Transactions to another of its Offices or affiliates so that such Termination Event ceases to exist.

If the Affected Party is not able to make such a transfer it will give notice to the other party to that effect within such 20 day period, whereupon the other party may effect such a transfer within 30 days after the notice is given under Section 6(b)(i).

Any such transfer by a party under this Section 6(b)(ii) will be subject to and conditional upon the prior written consent of the other party, which consent will not be withheld if such other party's policies in effect at such time would permit it to enter into transactions with the transferee on the terms proposed.

(iii) **Two Affected Parties.** If an Illegality under Section 5(b)(i)(1) or a Tax Event occurs and there are two Affected Parties, each party will use all reasonable efforts to reach agreement within 30 days after notice thereof is given under Section 6(b)(i) on action to avoid that Termination Event.

(iv) **Right to Terminate.** If:-

(1) a transfer under Section 6(b)(ii) or an agreement under Section 6(b)(iii), as the case may be, has not been effected with respect to all Affected Transactions within 30 days after an Affected Party gives notice under Section 6(b)(i); or

(2) an Illegality under Section 5(b)(i)(2), a Credit Event Upon Merger or an Additional Termination Event occurs, or a Tax Event Upon Merger occurs and the Burdened Party is not the Affected Party,

either party in the case of an Illegality, the Burdened Party in the case of a Tax Event Upon Merger, any Affected Party in the case of a Tax Event or an Additional Termination Event if there is more than one Affected Party, or the party which is not the Affected Party in the case of a Credit Event Upon Merger or an Additional Termination Event if there is only one Affected Party may, by not more than 20 days notice to the other party and provided that the relevant Termination Event is then continuing, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all Affected Transactions.

(c) **Effect of Designation.**

(i) If notice designating an Early Termination Date is given under Section 6(a) or (b), the Early Termination Date will occur on the date so designated, whether or not the relevant Event of Default or Termination Event is then continuing.

(ii) Upon the occurrence or effective designation of an Early Termination Date, no further payments or deliveries under Section 2(a)(i) or 2(e) in respect of the Terminated Transactions will be required to be made, but without prejudice to the other provisions of this Agreement. The amount, if any, payable in respect of an Early Termination Date shall be determined pursuant to Section 6(e).

(d) **Calculations.**

(i) **Statement.** On or as soon as reasonably practicable following the occurrence of an Early Termination Date, each party will make the calculations on its part, if any, contemplated by Section 6(e) and will provide to the other party a statement (1) showing, in reasonable detail, such calculations (including all relevant quotations and specifying any amount payable under Section 6(e)) and (2) giving details of the relevant account to which any amount payable to it is to be paid. In the absence of written confirmation from the source of a quotation obtained in determining a Market Quotation, the records of the party obtaining such quotation will be conclusive evidence of the existence and accuracy of such quotation.

(ii) **Payment Date.** An amount calculated as being due in respect of any Early Termination Date under Section 6(e) will be payable on the day that notice of the amount payable is effective (in the case of an Early Termination Date which is designated or occurs as a result of an Event of Default) and on the day which is two Local Business Days after the day on which notice of the amount payable is effective (in the case of an Early Termination Date which is designated as a result of a Termination Event). Such amount will be paid together with (to the extent permitted under applicable law) interest thereon (before as well as after judgment) in the Termination Currency, from (and including) the relevant Early Termination Date to (but excluding) the date such amount is paid, at the Applicable Rate. Such interest will be calculated on the basis of daily compounding and the actual number of days elapsed.

(e) **Payments on Early Termination.** If an Early Termination Date occurs, the following provisions shall apply based on the parties' election in the Schedule of a payment measure, either "Market Quotation" or "Loss", and a payment method, either the "First Method" or the "Second Method". If the parties fail to designate a payment measure or payment method in the Schedule, it will be deemed that "Market Quotation" or the "Second Method", as the case may be, shall apply. The amount, if any, payable in respect of an Early Termination Date and determined pursuant to this Section will be subject to any Set-off.

(i) **Events of Default.** If the Early Termination Date results from an Event of Default:-

(1) *First Method and Market Quotation.* If the First Method and Market Quotation apply, the Defaulting Party will pay to the Non-defaulting Party the excess, if a positive number, of (A) the sum of the Settlement Amount (determined by the Non-defaulting Party) in respect of the Terminated Transactions and the Termination Currency Equivalent of the Unpaid Amounts owing to the Non-defaulting Party over (B) the Termination Currency Equivalent of the Unpaid Amounts owing to the Defaulting Party.

(2) *First Method and Loss.* If the First Method and Loss apply, the Defaulting Party will pay to the Non-defaulting Party, if a positive number, the Non-defaulting Party's Loss in respect of this Agreement.

(3) *Second Method and Market Quotation.* If the Second Method and Market Quotation apply, an amount will be payable equal to (A) the sum of the Settlement Amount (determined by the Non-defaulting Party) in respect of the Terminated Transactions and the Termination Currency Equivalent of the Unpaid Amounts owing to the Non-defaulting Party less (B) the Termination Currency Equivalent of the Unpaid Amounts owing to the Defaulting Party. If that amount is a positive number, the Defaulting Party will pay it to the Non-defaulting Party; if it is a negative number, the Non-defaulting Party will pay the absolute value of that amount to the Defaulting Party.

(4) *Second Method and Loss.* If the Second Method and Loss apply, an amount will be payable equal to the Non-defaulting Party's Loss in respect of this Agreement. If that amount is a positive number, the Defaulting Party will pay it to the Non-defaulting Party; if it is a negative number, the Non-defaulting party will pay the absolute value of that amount to the Defaulting Party.

(ii) **Termination Events.** If the Early Termination Date results from a Termination Event:-

(1) *One Affected Party.* If there is one Affected Party, the amount payable will be determined in accordance with Section 6(e)(i)(3), if Market Quotation applies, or Section 6(e)(i)(4), if Loss applies, except that, in either case, references to the Defaulting Party and to the Non-defaulting Party will be deemed to be references to the Affected Party and the party which is not the Affected Party, respectively, and, if Loss applies and fewer than all the Transactions are being terminated, Loss shall be calculated in respect of all Terminated Transactions.

(2) *Two Affected Parties.* If there are two Affected Parties:-

(A) If Market Quotation applies, each party will determine a Settlement Amount in respect of the Terminated Transactions, and an amount will be payable equal to (I) the sum of (a) one-half of the difference between the Settlement Amount of the party with the higher Settlement Amount ("X") and the Settlement Amount of the party with the lower Settlement Amount ("Y") and (b) the Termination Currency Equivalent of the Unpaid Amounts owing to X less (II) the Termination Currency Equivalent of the Unpaid Amounts owing to Y; and

- (B) If Loss applies, each party will determine its Loss in respect of this Agreement (or, if fewer than all the Transactions are being terminated, in respect of all Terminated Transactions) and an amount will be payable equal to one-half of the difference between the Loss of the party with the higher Loss ("X") and the Loss of the party with the lower Loss ("Y").

If the amount payable is a positive number, Y will pay it to X; if it is a negative number, X will pay the absolute value of that amount to Y.

(iii) **Adjustment for Bankruptcy.** In circumstances where an Early Termination Date occurs because "Automatic Early Termination" applies in respect of a party, the amount determined under this Section 6(e) will be subject to such adjustments as are appropriate and permitted by law to reflect any payments or deliveries made by one party to the other under this Agreement (and retained by such other party) during the period from the relevant Early Termination Date to the date for payment determined under Section 6(d)(ii).

(iv) **Pre-Estimate.** The parties agree that if Market Quotation applies an amount recoverable under this Section 6(e) is a reasonable pre-estimate of loss and not a penalty. Such amount is payable for the loss of bargain and the loss of protection against future risks and except as otherwise provided in this Agreement neither party will be entitled to recover any additional damages as a consequence of such losses.

7 Transfer

Subject to Section 6(b)(ii), neither this Agreement nor any interest or obligation in or under this Agreement may be transferred (whether by way of security or otherwise) by either party without the prior written consent of the other party, except that:-

(a) a party may make such a transfer of this Agreement pursuant to a consolidation or amalgamation with, or merger with or into, or transfer of all or substantially all its assets to, another entity (but without prejudice to any other right or remedy under this Agreement); and

(b) a party may make such a transfer of all or any part of its interest in any amount payable to it from a Defaulting Party under Section 6(e).

Any purported transfer that is not in compliance with this Section will be void.

8 Contractual Currency

(a) **Payment in the Contractual Currency.** Each payment under this Agreement will be made in the relevant currency specified in this Agreement for that payment (the "Contractual Currency"). To the extent permitted by applicable law, any obligation to make payments under this Agreement in the Contractual Currency will not be discharged or satisfied by any tender in any currency other than the Contractual Currency, except to the extent such tender results in the actual receipt by the party to which payment is owed, acting in a reasonable manner and in good faith in converting the currency so tendered into the Contractual Currency, of the full amount in the Contractual Currency of all amounts payable in respect of this Agreement. If for any reason the amount in the Contractual Currency so received falls short of the amount in the Contractual Currency payable in respect of this Agreement, the party required to make the payment will, to the extent permitted by applicable law, immediately pay such additional amount in the Contractual Currency as may be necessary to compensate for the shortfall. If for any reason the amount in the Contractual Currency so received exceeds the amount in the Contractual Currency payable in respect of this Agreement, the party receiving the payment will refund promptly the amount of such excess.

(b) **Judgments.** To the extent permitted by applicable law, if any judgment or order expressed in a currency other than the Contractual Currency is rendered (i) for the payment of any amount owing in respect of this Agreement, (ii) for the payment of any amount relating to any early termination in respect of this Agreement or (iii) in respect of a judgment or order of another court for the payment of any amount described in (i) or (ii) above, the party seeking recovery, after recovery in full of the aggregate amount to which such party is entitled pursuant to the judgment or order, will be entitled to receive immediately from the other party the amount of any shortfall of the Contractual Currency received by such party as a consequence of sums paid in such other currency and will refund promptly to the other party any excess of the Contractual Currency received by such party as a consequence of sums paid in such other currency if such shortfall or such excess arises or results from any variation between the rate of exchange at which the Contractual Currency is converted into the currency of the judgment or order for the purposes of such judgment or order and the rate of exchange at which such party is able, acting in a reasonable manner and in good faith in converting the currency received into the Contractual Currency, to purchase the Contractual Currency with the amount of the currency of the judgment or order actually received by such party. The term "rate of exchange" includes, without limitation, any premiums and costs of exchange payable in connection with the purchase of or conversion into the Contractual Currency.

(c) **Separate Indemnities.** To the extent permitted by applicable law, these indemnities constitute separate and independent obligations from the other obligations in this Agreement, will be enforceable as separate and independent causes of action, will apply notwithstanding any indulgence granted by the party to which any payment is owed and will not be affected by judgment being obtained or claim or proof being made for any other sums payable in respect of this Agreement.

(d) **Evidence of Loss.** For the purpose of this Section 8, it will be sufficient for a party to demonstrate that it would have suffered a loss had an actual exchange or purchase been made.

9 Miscellaneous

(a) **Entire Agreement.** This Agreement constitutes the entire agreement and understanding of the parties with respect to its subject matter and supersedes all oral communication and prior writings with respect thereto.

(b) **Amendments.** No amendment, modification or waiver in respect of this Agreement will be effective unless in writing (including a writing evidenced by a facsimile transmission) and executed by each of the parties or confirmed by an exchange of telexes or electronic messages on an electronic messaging system.

(c) **Survival of Obligations.** Without prejudice to Sections 2(a)(iii) and 6(c)(ii), the obligations of the parties under this Agreement will survive the termination of any Transaction.

(d) **Remedies Cumulative.** Except as provided in this Agreement, the rights, powers, remedies and privileges provided in this Agreement are cumulative and not exclusive of any rights, powers, remedies and privileges provided by law.

(e) **Counterparts and Confirmations.**

(i) This Agreement (and each amendment, modification and waiver in respect of it) may be executed and delivered in counterparts (including by facsimile transmission), each of which will be deemed an original.

(ii) The parties intend that they are legally bound by the terms of each Transaction from the moment they agree to those terms (whether orally or otherwise). A Confirmation

shall be entered into as soon as practicable and may be executed and delivered in counterparts (including by facsimile transmission) or be created by an exchange of telexes or by an exchange of electronic messages on an electronic messaging system, which in each case will be sufficient for all purposes to evidence a binding supplement to this Agreement. The parties will specify therein or through another effective means that any such counterpart, telex or electronic message constitutes a Confirmation.

(f) **No Waiver of Rights.** A failure or delay in exercising any right, power or privilege in respect of this Agreement will not be presumed to operate as a waiver, and a single or partial exercise of any right, power or privilege will not be presumed to preclude any subsequent or further exercise, of that right, power or privilege or the exercise of any other right, power or privilege.

(g) **Headings.** The headings used in this Agreement are for convenience of reference only and are not to affect the construction of or to be taken into consideration in interpreting this Agreement.

10 Offices; Multibranch Parties

(a) If Section 10(a) is specified in the Schedule as applying, each party that enters into a Transaction through an Office other than its head or home office represents to the other party that, notwithstanding the place of booking office or jurisdiction of incorporation or organisation of such party, the obligations of such party are the same as if it had entered into the Transaction through its head or home office. This representation will be deemed to be repeated by such party on each date on which a Transaction is entered into.

(b) Neither party may change the Office through which it makes and receives payments or deliveries for the purpose of a Transaction without the prior written consent of the other party.

(c) If a party is specified as a Multibranch Party in the Schedule, such Multibranch Party may make and receive payments or deliveries under any Transaction through any Office listed in the Schedule, and the Office through which it makes and receives payments or deliveries with respect to a Transaction will be specified in the relevant Confirmation.

11 Expenses

A Defaulting Party will, on demand, indemnify and hold harmless the other party for and against all reasonable out-of-pocket expenses, including legal fees and Stamp Tax, incurred by such other party by reason of the enforcement and protection of its rights under this Agreement or any Credit Support Document to which the Defaulting Party is a party or by reason of the early termination of any Transaction, including, but not limited to, costs of collection.

12 Notices

(a) **Effectiveness.** Any notice or other communication in respect of this Agreement may be given in any manner set forth below (except that a notice or other communication under Section 5 or 6 may not be given by facsimile transmission or electronic messaging system) to the address or number or in accordance with the electronic messaging system details provided (see the Schedule) and will be deemed effective as indicated:-

- (i) if in writing and delivered in person or by courier, on the date it is delivered;
- (ii) if sent by telex, on the date the recipient's answerback is received;
- (iii) if sent by facsimile transmission, on the date that transmission is received by a responsible employee of the recipient in legible form (it being agreed that the burden of proving receipt will be on the sender and will not be met by a transmission report generated by the sender's facsimile machine);

- (iv) if sent by certified or registered mail (airmail, if overseas) or the equivalent (return receipt requested), on the date that mail is delivered or its delivery is attempted; or
- (v) if sent by electronic messaging system, on the date that electronic message is received;

unless the date of that delivery (or attempted delivery) or that receipt, as applicable, is not a Local Business Day or that communication is delivered (or attempted) or received, as applicable, after the close of business on a Local Business Day, in which case that communication shall be deemed given and effective on the first following day that is a Local Business Day.

- (b) **Change of Addresses.** Either party may by notice to the other change the address, telex or facsimile number of electronic messaging system details at which notices or other communications are to be given to it.

13 Governing Law and Jurisdiction

- (a) **Governing Law.** This Agreement will be governed by and construed in accordance with the law specified in the Schedule.

- (b) **Jurisdiction.** With respect to any suit, action or proceedings relating to this Agreement ("Proceedings"), each party irrevocably:-

- (i) submits to the jurisdiction of the English courts, if this Agreement is expressed to be governed by English law, or to the non-exclusive jurisdiction of the courts of the State of New York and the United States District Court located in the Borough of Manhattan in New York City, if this Agreement is expressed to be governed by the laws of the State of New York; and
- (ii) waives any objection which it may have at any time to the laying of venue of Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party.

Nothing in this Agreement precludes either party from bringing Proceedings in any other jurisdiction (outside, if this Agreement is expressed to be governed by English law, the Contracting States, as defined in Section 1(3) of the Civil Jurisdiction and Judgments Act 1982 or any modification, extension or re-enactment thereof for the time being in force) nor will the bringing of Proceedings in any one or more jurisdictions preclude the bringing of Proceedings in any other jurisdiction.

- (c) **Service of Process.** Each party irrevocably appoints the Process Agent (if any) specified opposite its name in the Schedule to receiver, for it and on its behalf, service of process in any Proceedings. If for any reason any party's Process Agent is unable to act as such, such party will promptly notify the other party and within 30 days appoint a substitute process agent acceptable to the other party. The parties, irrevocably consent to service of process given in the manner provided for notices in Section 12. Nothing in this Agreement will affect the right of either party to serve process in any other manner permitted by law.

- (d) **Waiver of Immunities.** Each party irrevocably waives, to the fullest extent permitted by applicable law, with respect to itself and its revenues and assets (irrespective of their use or intended use), all immunity on the grounds of sovereignty or other similar grounds from (i) suit, (ii) jurisdiction of any court, (iii) relief by way of injunction, order for specific performance or for recovery of property, (iv) attachment of its assets (whether before or after judgment) and (v) execution or enforcement of any judgment to which it or its revenues or assets might otherwise be

entitled in any Proceedings in the courts of any jurisdiction and irrevocably agrees, to the extent permitted by applicable law, that it will not claim any such immunity in any Proceedings.

"Indemnifiable Tax" means any Tax other than a Tax that would not be imposed in respect of a payment under this Agreement but for a present or former connection between the jurisdiction of the government or taxation authority imposing such Tax and the recipient of such payment or a person related to such recipient (including, without limitation, a connection arising from such recipient or related person being or having been a citizen or resident of such jurisdiction, or being or having been organised, present or engaged in a trade or business in such jurisdiction, or having or having had a permanent establishment or fixed place of business in such jurisdiction, but excluding a connection arising solely from such recipient or related person having executed, delivered, performed its obligations or received a payment under, or enforced, this Agreement or a Credit Support Document).

"law" includes any treaty, law, rule or regulation (as modified, in the case of tax matters, by the practice of any relevant governmental revenue authority) and **"lawful"** and **"unlawful"** will be construed accordingly.

"Local Business Day" means, subject to the Schedule, a day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) (a) in relation to any obligation under Section 2(a)(i), in the place(s) specified in the relevant Confirmation or, if not so specified as otherwise agreed by the parties in writing or determined pursuant to provisions contained, or incorporated by reference, in this Agreement, (b) in relation to any other payment, in the place where the relevant account is located and, if different, in the principal financial centre, if any, of the currency of such payment, (c) in relation to any notice or other communication, including notice contemplated under Section 5(a)(i), in the city specified in the address for notice provided by the recipient and, in the case of a notice contemplated by Section 2(b), in the place where the relevant new account is to be located and (d) in relation to Section 5(a)(v)(2), in the relevant locations for performance with respect to such Specified Transaction.

"Loss" means, with respect to this Agreement or one or more Terminated Transactions, as the case may be, and a party, the Termination Currency Equivalent of an amount that party reasonably determines in good faith to be its total losses and costs (or gain, in which case expressed as a negative number) in connection with this Agreement or that Terminated Transaction or group of Terminated Transactions, as the case may be, including any loss of bargain, cost of funding or, at the election of such party but without duplication, loss or cost incurred as a result of its terminating, liquidating, obtaining or re-establishing any hedge or related trading position (or any gain resulting from any of them). Loss includes losses and costs (or gains) in respect of any payment or delivery required to have been made (assuming satisfaction of each applicable condition precedent) on or before the relevant Early Termination Date and not made, except, so as to avoid duplication, if Section 6(e)(i)(1) or (3) or 6(e)(ii)(2)(A) applies. Loss does not include a party's legal fees and out-of-pocket expenses referred to under Section 11. A party will determine its Loss as of the relevant Early Termination Date, or, if that is not reasonably practicable, as of the earliest date thereafter as is reasonably practicable. A party may (but need not) determine its Loss by reference to quotations of relevant rates or prices from one or more leading dealers in the relevant markets.

"Market Quotation" means, with respect to one or more Terminated Transactions and a party making the determination, an amount determined on the basis of quotations from Reference Market-makers. Each quotation will be for an amount, if any, that would be paid to such party (expressed as a negative number) or by such party (expressed as a positive number) in consideration of an agreement between such party (taking into account any existing Credit Support Document with respect to the obligations of such party) and the quoting Reference

Market-maker to enter into a transaction (the "Replacement Transaction") that would have the effect of preserving for such party the economic equivalent of any payment or delivery (whether the underlying obligation was absolute or contingent and assuming the satisfaction of each applicable condition precedent) by the parties under Section 2(a)(i) in respect of such Terminated Transaction or group of Terminated Transactions that would, but for the occurrence of the relevant Early Termination Date, have been required after that date. For this purpose. Unpaid Amounts in respect of the Terminated Transaction or group of Terminated Transactions are to be excluded but, without limitation, any payment or delivery that would, but for the relevant Early Termination Date, have been required (assuming satisfaction of each applicable condition precedent) after that Early Termination Date is to be included. The Replacement Transaction would be subject to such documentation as such party and the Reference Market-maker may, in good faith, agree. The party making the determination (or its agent) will request each Reference Market-maker to provide its quotation to the extent reasonably practicable as of the same day and time (without regard to different time zones) on or as soon as reasonably practicable after the relevant Early Termination Date. The day and time as of which those quotations are to be obtained will be selected in good faith by the party obliged to make a determination under Section 6(e), and, if each party is so obliged, after consultation with the other. If more than three quotations are provided, the Market Quotation will be the arithmetic mean of the quotations, without regard to the quotations having the highest and lowest values. If exactly three such quotations are provided, the Market Quotation will be the quotation remaining after disregarding the highest and lowest quotations. For this purpose, if more than one quotation has the same highest value or lowest value, then one of such quotations shall be disregarded. If fewer than three quotations are provided, it will be deemed that the Market Quotation in respect of such Terminated Transaction or group of Terminated Transactions cannot be determined.

"Reference Market-makers" means four leading dealers in the relevant market selected by the party determining a Market Quotation in good faith (a) from among dealers of the highest credit standing which satisfy all the criteria that such party applies generally at the time in deciding whether to offer or to make an extension of credit and (b) to the extent practicable, from among such dealers having an office in the same city.

"Relevant Jurisdiction" means, with respect to a party, the jurisdictions (a) in which the party is incorporated, organised, managed and controlled or considered to have its seat, (b) where an Office through which the party is acting for purpose of this Agreement is located, (c) in which the party executes this Agreement and (d) in relation to any payment, from or through which such payment is made.

"Scheduled Payment Date" means a date on which a payment or delivery is to be made under Section 2(a)(i) with respect to a Transaction.

"Set-off" means set-off, offset, combination of accounts, right of retention or withholding or similar right or requirement to which the payer of an amount under Section 6 is entitled or subject

(whether arising under this Agreement, another contract, applicable law or otherwise) that is exercised by, or imposed on, such payer.

"Settlement Amount" means, with respect to a party and any Early Termination Date, the sum of:-

(a) the Termination Currency Equivalent of the Market Quotations (whether positive or negative) for each Terminated Transaction or group of Terminated Transactions for which a Market Quotation is determined; and

(b) such party's Loss (whether positive or negative and without reference to any Unpaid Amounts) for each Terminated Transaction or group of Terminated Transactions for which a Market Quotation cannot be determined or would not (in the reasonable belief of the party making the determination) produce a commercially reasonable result.

"Specified Transaction" means, subject to the Schedule, (a) any transaction (including an agreement with respect thereto) now existing or hereafter entered into between one party to this Agreement (or any Credit Support Provider of such party or any applicable Specified Entity of such party) and the other party to this Agreement (or any Credit Support Provider of such other party or any applicable Specified Entity of such other party) which is a rate swap transaction, basis swap, forward rate transaction, commodity swap, commodity option, equity or equity index swap, equity or equity index option, bond option, interest rate option, foreign exchange transaction, cap transaction, floor transaction, collar transaction, currency swap transaction, cross-currency rate swap transaction, currency option or any other similar transaction (including any option with respect to any of these transactions), (b) any combination of these transactions and (c) any other transaction identified as a Specified Transaction in this Agreement or the relevant confirmation.

"Stamp Tax" means any stamp, registration, documentation or similar tax.

"Tax" means any present or future tax, levy, impost, duty, charge, assessment or fee of any nature (including interest, penalties and additions thereto) that is imposed by an government or other taxing authority in respect of any payment under this Agreement other than a stamp, registration, documentation or similar tax.

"Tax Event" has the meaning specified in Section 5(b).

"Tax Event Upon Merger" has the meaning specified in Section 5(b).

"Terminated Transactions" means with respect to any Early Termination Date (a) if resulting from a Termination Event, all Affected Transactions and (b) if resulting from an Event of Default, all Transactions (in either case) in effect immediately before the effectiveness of the notice designating that Early Termination Date (or, if "Automatic Early Termination" applies, immediately before that Early Termination Date).

"Termination Currency" has the meaning specified in the Schedule.

"Termination Currency Equivalent" means, in respect of any amount denominated in the Termination Currency, such Termination Currency amount and, in respect of any amount denominated in a currency other than the Termination Currency (the "Other Currency"), the amount in the Termination Currency determined by the party making the relevant determination as being required to purchase such amount of such Other Currency as at the relevant Early Termination Date, or, if the relevant Market Quotation or Loss (as the case may be) is determined

as of a later date, that later date, with the Termination Currency at the rate equal to the spot exchange rate of the foreign exchange agent (selected as provided below) for the purchase of such Other Currency with the Termination Currency at or about 11:00 a.m. (in the city in which such foreign exchange agent is located) on such date as would be customary for the determination of such a rate for the purchase of such Other Currency for value on the relevant Early Termination Date or that later date. The foreign exchange agent will, if only one party is obliged to make a determination under Section 6(e), be selected in good faith by that party and otherwise will be agreed by the parties.

"Termination Event" means an Illegality, a Tax Event or a Tax Event Upon Merger or, if specified to be applicable, a Credit Event Upon merger or an Additional Termination Event.

"Termination Rate" means a rate per annum equal to the arithmetic mean of the cost (without proof or evidence of any actual cost) to each party (as certified by such party) if it were to fund or of funding such amounts.

"Unpaid Amounts" owing to any party means, with respect to an Early Termination Date, the aggregate of (a) in respect of all Terminated Transactions, the amounts that became payable (or that would have become payable but for Section 2(a)(iii)) to such party under Section 2(a)(i) on or prior to such Early Termination Date and which remain unpaid as at such Early Termination Date and (b) in respect of each Terminated Transaction, for each obligation under Section 2(a)(i) which was (or would have been but for Section 2(a)(iii)) required to be settled by delivery to such party on or prior to such Early Termination Date and which has not been so settled as at such Early Termination Date, an amount equal to the fair market value of that which was (or would have been) required to be delivered as of the originally scheduled date for delivery, in each case together with (to the extent permitted under applicable law) interest, in the currency of such amounts, from (and including) the date such amounts or obligations were or would have been required to have been paid or performed to (but excluding) such Early Termination Date, at the Applicable Rate. Such amounts of interest will be calculated on the basis of daily compounding and the actual number of days elapsed. The fair market value of any obligation referred to in clause (b) above shall be reasonably determined by the party obliged to make the determination under Section 6(e) or, if each party is so obliged, it shall be the average of the Termination Currency Equivalents of the fair market values reasonably determined by both parties.

IN WITNESS WHEREOF the parties have executed this document on the respective dates specified below with effect from the date specified on the first page of this document.

We are contacting you in your capacity as trustee with respect to certain transactions listed in Schedule A hereto (the “Transactions”) as to which LBSF or an affiliate thereof (other than Lehman Brothers Inc.) is a party (in such capacity, the “Swap Counterparty” and collectively, the “Swap Counterparties”) under certain swap agreements relating to these Transactions. Reference is made to (i) those certain ISDA Master Agreements (together with

any schedules, credit support annexes, and confirmations thereto, the "Swap Agreements") between the relevant issuers in such Transactions (collectively, the "Issuers") and the relevant Swap Counterparties, and (ii) any other transaction documents relating to the Transactions (together with the Swap Agreements, collectively, the "Transaction Documents").

We hereby request that you provide us with the following documents and information as soon as possible:

- a. any notices received or given by or on behalf of you or the Issuers in connection with the Transactions from January 1, 2008 to and including the date hereof, including, but not limited to, notices concerning any purported event of default, termination event, termination, acceleration of notes, liquidation of assets, or distribution of proceeds thereof;
- b. a description (including dates and names of parties) of all remedies purported to be exercised pursuant to the Transaction Documents and all actions taken in connection therewith by any party in connection with the Transactions from January 1, 2008 to and including the date hereof; and
- c. all reports delivered to any party pursuant to the Transaction Documents, including, but not limited to, trustee reports, periodic reports, and valuation reports, from January 1, 2008 to and including the date hereof.

In addition, we hereby give you notice that:

1. with respect to a number of Transactions, we have received termination notices that are defective;
2. we believe that any actions that may have been taken by you or on behalf of any Issuer pursuant to the Transaction Documents other than the Swap Agreements on or after September 15, 2008, including any remedies purported to be exercised thereunder, may be subject to the automatic stay provisions of Section 362 of the Bankruptcy Code. Accordingly, we believe that any such actions taken by you or on behalf of any such Issuer may have been in violation of such provisions and, therefore, such actions would be null and void. In addition, we believe that any future actions taken by you or on behalf of any such Issuer pursuant to the Transaction Documents other than the Swap Agreements may also be subject to the automatic stay; and
3. we believe that any provisions of any Transaction Documents purporting to subordinate any amounts payable to any Swap Counterparty would not be enforceable, and any effort to apply such provisions under the present circumstances would be unlawful.

Therefore, based upon the foregoing, we hereby demand that you immediately cease and desist from taking any further actions pursuant to the Transaction Documents,

WEIL, GOTSHAL & MANGES LLP

Re: Early Termination Date Designation Notice under the ISDA Master Agreement and related Schedule thereto dated 10 October 2002 as amended and restated on 22 July 2005 and as further amended or restated from time to time between Lehman Brothers Special Financing Inc. ("Lehman") and Saphir Finance Public Limited Company (the "Issuer")

Ladies and Gentlemen:

Reference is made to the ISDA Master Agreement (and related Schedule thereto), as amended and supplemented from time to time, between Lehman and the Issuer (by deed of accession) (together with the related Guarantee, issued in favour of the Issuer by Lehman Brothers Holdings Inc. (the "Guarantor"), the related Credit Support Annex to the Schedule and the credit default swap confirmation dated 17 March 2006 (the "Confirmation") entered into thereunder in connection with the issue by the Issuer of, *inter alios*, the Series 2006-5 AUD 50,000,000 Synthetic Portfolio Notes due 2011 and extendable up to 2016 (the "Notes"), the "ISDA Master Agreement"). Pursuant to the Confirmation, the Issuer and the Swap Counterparty have entered into a transaction in respect of the Notes (the "Transaction"). Capitalised terms not otherwise defined herein, will have the meanings set forth in respect thereof in the ISDA Master Agreement.

On 3 October 2008, Lehman filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code. Pursuant to Section 5(a)(vii)(*Bankruptcy*) of the ISDA Master Agreement, this chapter 11 filing by Lehman constitutes an Event of Default under the ISDA Master Agreement with respect to Lehman.

This letter constitutes formal written notice of the existence of an Event of Default under the ISDA Master Agreement. The Issuer, as the Non-defaulting Party, in accordance with Section 6(a) of the ISDA Master Agreement hereby designates 1 December 2008 as the Early Termination Date under the ISDA Master Agreement for the Transaction.

This notice is given without prejudice to any other rights, remedies or privileges we may have under or pursuant to the ISDA Master Agreement or under applicable law or principles of equity, which rights, remedies and privileges shall continue and remain in full force and effect.

This notice, including any non-contractual obligations arising out of or in connection with this notice, and any dispute, controversy, proceedings or claim of whatever nature arising out of or in any way relating to this notice shall be governed by, and shall be construed in accordance with, English law.
